Cautionary Statement

This news release includes forward-looking statements regarding Humana within the meaning of the Private Securities Litigation Reform Act of 1995. When used in investor presentations, press releases, Securities and Exchange Commission (SEC) filings, and in oral statements made by or with the approval of one of Humana’s executive officers, the words or phrases like “expects,” “believes,” “anticipates,” “intends,” “likely will result,” “estimates,” “projects” or variations of such words and similar expressions are intended to identify such forward-looking statements.

These forward-looking statements are not guarantees of future performance and are subject to risks, uncertainties, and assumptions, including, among other things, information set forth in the “Risk Factors” section of the company’s SEC filings, a summary of which includes but is not limited to the following:

- If Humana does not design and price its products properly and competitively, if the premiums Humana receives are insufficient to cover the cost of healthcare services delivered to its members, if the company is unable to implement clinical initiatives to provide a better healthcare experience for its members, lower costs and appropriately document the risk profile of its members, or if its estimates of benefits expense are inadequate, Humana’s profitability could be materially adversely affected. Humana estimates the costs of its benefit expense payments, and designs and prices its products accordingly, using actuarial methods and assumptions based upon, among other relevant factors, claim payment patterns, medical cost inflation, and historical developments such as claim inventory levels and claim receipt patterns. The company continually reviews estimates of future payments relating to benefit expenses for services incurred in the current and prior periods and makes necessary adjustments to its reserves, including premium deficiency reserves, where appropriate. These estimates, however, involve extensive judgment, and have considerable inherent variability because they are extremely sensitive to changes in claim payment patterns and medical cost trends, so any reserves the company may establish, including premium deficiency reserves, may be insufficient.
- If Humana fails to effectively implement its operational and strategic initiatives, particularly its Medicare initiatives and state-based contract strategy, the company’s business may be materially adversely affected, which is of particular importance given the concentration of the company’s revenues in these products. In addition, there can be no assurances that the company will be successful in maintaining or improving its Star ratings in future years.
- If Humana fails to properly maintain the integrity of its data, to strategically implement new information systems, to protect Humana’s proprietary rights to its systems, or to defend against cyber-security attacks or prevent other privacy or data security incidents that result in security breaches that disrupt our operations or in the unintended dissemination of sensitive personal information or proprietary or confidential information, the company’s business may be materially adversely affected.
- Humana is involved in various legal actions, or disputes that could lead to legal actions (such as, among other things, provider contract disputes and qui tam litigation brought by individuals on behalf of the government), governmental and internal investigations, and routine internal review of business processes any of which, if resolved unfavorably to the company, could result in substantial monetary damages or changes in its business practices. Increased litigation and negative publicity could also increase the company’s cost of doing business.
- As a government contractor, Humana is exposed to risks that may materially adversely affect its business or its willingness or ability to participate in government healthcare programs including, among other things, loss of material government contracts, governmental audits and investigations, potential inadequacy of government determined payment rates, potential restrictions on profitability, including by comparison of profitability of the company’s Medicare Advantage business to non-Medicare Advantage business, or other changes in the governmental programs in which Humana participates. Changes to the risk-adjustment model utilized by CMS to adjust premiums paid to Medicare Advantage, or MA, plans according to the health status of covered members, including proposed changes to the methodology used by CMS for risk adjustment data validation audits that fail to address adequately the statutory requirement of actuarial equivalence, if implemented, could have a material adverse effect on our operating results, financial position and cash flows.
- Humana’s business activities are subject to substantial government regulation. New laws or regulations, or legislative, judicial, or regulatory changes in existing laws or regulations or their manner of application could increase the company’s cost of doing business and may have a material adverse effect on our results of operations (including restricting revenue, enrollment and premium growth in certain products and market segments, restricting the company’s ability to expand into new markets, increasing the company’s medical and operating costs by, among other things, requiring a minimum benefit ratio on insured products, lowering the company’s Medicare payment rates and increasing the company’s expenses associated with a non-deductible health insurance industry fee and other assessments); our financial position (including the company’s ability to maintain the value of its goodwill); and the company’s cash flows.
- Humana’s failure to manage acquisitions, divestitures and other significant transactions successfully may have a material adverse effect on the company’s results of operations, financial position, and cash flows.
- If Humana fails to develop and maintain satisfactory relationships with the providers of care to its members, the company’s business may be adversely affected.
- Humana’s pharmacy business is highly competitive and subjects it to regulations in addition to those the company faces with its core health benefits businesses.
- Changes in the prescription drug industry pricing benchmarks may adversely affect Humana’s financial performance.
- If Humana does not continue to earn and retain purchase discounts and volume rebates from pharmaceutical manufacturers at current levels, Humana’s gross margins may decline.
- Humana’s ability to obtain funds from certain of its licensed subsidiaries is restricted by state insurance regulations.
- Downgrades in Humana’s debt ratings, should they occur, may adversely affect its business, results of operations, and financial condition.
- The securities and credit markets may experience volatility and disruption, which may adversely affect Humana’s business.

- The spread of the novel coronavirus, or COVID-19, underscores certain risks Humana faces, including those discussed above, such as the risk that the premiums Humana charges may prove to be insufficient to cover the cost of healthcare services delivered to its members as a result of higher utilization rates, pharmaceutical costs, and expanded benefit coverage; the potential impact on Humana's ability to operate effectively, including as a result of complete or partial closure of facilities, labor shortages, disruptions in public and private infrastructure and supply chains; or increased cybersecurity and information security risk as a result of the transition of a significant subset of employee populations to a remote work environment; and the severe impact on global economic activity, including the business of some of Humana's customers as well as the significant volatility and negative pressure in the financial markets. The rapid development and fluidity of this situation precludes any prediction as to the ultimate adverse impact to Humana of COVID-19.

In making forward-looking statements, Humana is not undertaking to address or update them in future filings or communications regarding its business or results. In light of these risks, uncertainties, and assumptions, the forward-looking events discussed herein may or may not occur. There also may be other risks that the company is unable to predict at this time. Any of these risks and uncertainties may cause actual results to differ materially from the results discussed in the forward-looking statements.

Humana advises investors to read the following documents as filed by the company with the SEC for further discussion both of the risks it faces and its historical performance:

- Form 10-K for the year ended December 31, 2019; and
- Form 8-Ks filed during 2020.

In case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice to Holders of Registered Securities by mail, then such notification as shall be made with the reasonable approval of the Trustee for such Securities shall constitute a sufficient notification for every purpose hereunder.

In case by reason of the suspension of any Authorized Newspaper or Authorized Newspapers or by reason of any other cause it shall be impracticable to publish any notice to Holders of Bearer Securities as provided above, then such notification to Holders of Bearer Securities as shall be made with the reasonable approval of the Trustee for such Securities shall constitute sufficient notice to such Holders for every purpose hereunder. Neither the failure to give notice by publication to Holders of Bearer Securities as provided above, nor any defect in any notice so published, shall affect the sufficiency of any notice to Holders of Registered Securities given as provided herein.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee for such Securities, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

If any provision of this Indenture modifies or excludes any provision of the Trust Indenture Act that may be so modified or excluded, the provision shall be deemed to apply to this Indenture as so modified or excluded, as the case may be.

This Indenture and the Securities shall be governed by, and construed in accordance with, the laws of the State of New York.

13. *Non-Business Day.*

Unless otherwise stated with respect to Securities of any series, in any case where any Interest Payment Date, Redemption Date or Stated Maturity of a Security of any particular series shall not be a Business Day at any Place of Payment with respect to Securities of that series, then (notwithstanding any other provision of this Indenture or of the Securities or coupons) payment of principal of (and premium, if any) and interest, if any, with respect to such Security need not be made at such Place of Payment on such date, but may be made on the next succeeding Business Day at such Place of Payment with the same force and effect as if made on the Interest Payment Date or Redemption Date, or at the Stated Maturity, provided that no interest shall accrue on the amount so payable for the period from and after such Interest Payment Date, Redemption Date or Stated Maturity, as the case may be.

The Trustee shall segregate moneys, funds and accounts held by the Trustee in one currency or currency unit from any moneys, funds or accounts held in any other currencies or currency units, notwithstanding any provision herein which would otherwise permit the Trustee to commingle such amounts.

Whenever any action or Act is to be taken hereunder by the Holders of Securities denominated in a Foreign Currency or currency unit, then for purposes of determining the principal amount of Securities held by such Holders, the aggregate principal amount of the Securities denominated in a Foreign Currency or currency unit shall be deemed to be that amount of Dollars that could be obtained for such principal amount on the basis of a spot rate of exchange specified to the Trustee for such series in an Officers' Certificate for such Foreign Currency or currency unit into Dollars as of the date the taking of such action or Act by the Holders of the requisite percentage in principal amount of the Securities is evidenced to such Trustee.

The terms of such Securities, as set forth above, may be determined by the Company from time to time if so provided in or established pursuant to the authority granted in Board Resolutions. All Securities of any one series need not be issued at the same time, and unless otherwise provided, a series may be reopened for issuance of additional Securities of such series.

Prior to the delivery of a Security of any series in any such form to the Trustee for the Securities of such series for authentication, the Company shall deliver to such Trustee the following:

1. The Board Resolutions of the Company by or pursuant to which such form of Security have been approved and, if applicable, the supplemental indenture by or pursuant to which such form of Security has been approved;
2. An Officers' Certificate of the Company dated the date such Certificate is delivered to such Trustee satisfying the requirements of Sections 102 and 103, and stating that all conditions precedent provided for in this Indenture relating to the authentication and delivery of Securities in such forms have been complied with; and
3. An Opinion of Counsel satisfying the requirements of Sections 102 and 103 substantially to the effect that Securities in such forms, together with any coupons appertaining thereto, when (a) completed by appropriate insertions and executed and delivered by the Company to such

and subject to the conditions specified in such Opinion of Counsel, will constitute the legal, valid and binding obligations of the Company, subject to the effects of applicable bankruptcy, reorganization, fraudulent conveyance, moratorium, insolvency and other similar laws generally affecting creditors' rights, to general equitable principles, to an implied covenant of good faith and fair dealing and to such other qualifications as such counsel shall conclude do not materially affect the rights of Holders of such Securities.

2. *Denominations and Currencies.*

Unless otherwise provided with respect to any series of Securities as contemplated by Section 301, any Registered Securities of a series other than Registered Securities issued in global form (which may be of any denomination) shall be issuable in denominations of \$1,000 and any integral multiple thereof, and any Bearer Securities of a series other than Bearer Securities issued in global form (which may be of any denomination) shall be issuable in the denomination of \$5,000, or the equivalent amounts thereof in the case of Registered Securities and Bearer Securities denominated in a Foreign Currency or currency unit.

3. *Execution, Authentication, Delivery and Dating.*

The Securities and any related coupons shall be executed on behalf of the Company by its Chairman of the Board, a Vice Chairman of the Board, or its President, Chief Executive Officer or one of its Vice Presidents. The Securities shall be so executed under the corporate seal of the Company reproduced thereon and attested to by its Secretary or any one of its Assistant Secretaries. The signature of any of these officers on the Securities may be manual or facsimile.

Securities and coupons bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of such Securities.

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Securities of any series together with any coupons appertaining thereto, executed by the Company to the Trustee for the Securities of such series for authentication, together with a Company Order for the authentication and delivery of such Securities, and such Trustee, in accordance with the Company Order, shall authenticate and deliver such Securities; *provided, however*, that, during the "restricted period" (as defined in Section 1.163-5(c)(2)(i)(D)(7) of the United States Treasury Regulations), no Bearer Security shall be mailed or otherwise delivered to any location in the United States; and *provided, further*, that a Bearer Security may be delivered outside the United States in connection with its original issuance only if the Person entitled to receive such Bearer Security shall have furnished to the Trustee for the Securities of such series a certificate substantially in the form set forth in Exhibit A to this Indenture. If any Security shall be represented by a permanent Global Security, then, for purposes of this Section and Section 304, the notation of a beneficial owner's interest therein upon original issuance of such Security or upon exchange of a portion of a temporary Global Security shall be deemed to be delivery in connection with the original issuance of such beneficial owner's interest in such permanent Global Security. Except as permitted by Section 306 or 307, the Trustee for the Securities of a series shall not authenticate and deliver any Bearer Security unless all appurtenant coupons for interest then matured other than matured coupons in default have

been detached and cancelled. If all the Securities of any one series are not to be issued at one time and if a Board Resolution relating to such Securities shall so permit, such Company Order may set forth procedures acceptable to the Trustee for the issuance of such Securities, including, without limitation, procedures with respect to interest rate, Stated Maturity, date of issuance and date from which interest, if any, shall accrue.

Notwithstanding any contrary provision herein, if all Securities of a series are not to be originally issued at one time, it shall not be necessary to deliver the Board Resolution, Officers' Certificate and Opinion of Counsel otherwise required pursuant to Sections 102 and 301 at or prior to the time of authentication of each Security of such series if such documents are delivered at or prior to the authentication upon original issuance of the first Security of such series to be issued.

Each Registered Security shall be dated the date of its authentication, and, unless otherwise specified as contemplated by Section 301, each Bearer Security shall be dated as of the date of original issuance of the first Security of such series to be issued.

No Security or coupon appertaining thereto shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security a certificate of authentication substantially in the form provided for herein manually executed by the Trustee for such Security or on its behalf pursuant to Section 614, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder.

In case any Securities shall have been authenticated, but not delivered, by the Trustee or the Authenticating Agent for such series then in office, any successor by merger, conversion or consolidation to such Trustee, or any successor Authenticating Agent, as the case may be, may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee or successor Authenticating Agent had itself authenticated such Securities.

Each Depository designated pursuant to Section 301 for a Global Security in registered form must, at the time of its designation and at all times while it serves as Depository, be a clearing agency registered under the Exchange Act and any other applicable statute or regulation.

The Trustee shall have the right to decline to authenticate and deliver any Securities under this Section if the Trustee, being advised by counsel, determines that such action may not lawfully be taken or if the Trustee in good faith shall determine that such action would expose the Trustee to personal liability to existing Holders.

4. *Temporary Securities and Exchange of Securities.*

Pending the preparation of definitive Securities of any particular series, the Company may execute, and upon Company Order the Trustee for the Securities of such series shall authenticate and deliver, in the manner specified in Section 303, temporary Securities which are printed, lithographed, typewritten, photocopied or otherwise produced, in any denomination, with like terms and conditions as the definitive Securities of like series in lieu of which they are issued in registered form or, if authorized, in bearer form with one or more coupons or without coupons, and with such appropriate insertions, omissions,

substitutions and other variations as the officers executing such Securities may determine, as evidenced by their execution of such Securities. Any such temporary Securities may be in global form, representing such of the Outstanding Securities of such series as shall be specified therein.

Except in the case of temporary Securities in global form (which shall be exchanged only in accordance with the provisions of the following paragraphs or as otherwise provided in or pursuant to a Board Resolution or a Supplemental Indenture), if temporary Securities of any particular series are issued, the Company will cause definitive Securities of that series to be prepared without unreasonable delay. After the preparation of such definitive Securities, the temporary Securities of such series shall be exchangeable for such definitive Securities of a like Stated Maturity and with like terms and provisions upon surrender of the temporary Securities of such series, together with all unmatured coupons and matured coupons in default, if any, at the office or agency of the Company in a Place of Payment for that series, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Securities of any particular series, the Company shall execute and (in accordance with a Company Order delivered at or prior to the authentication of the first definitive Security of such series) the Trustee for the Securities of such series or the Global Exchange Agent shall authenticate and deliver in exchange therefor a like principal amount of definitive Securities of authorized denominations of the same series and of a

like Stated Maturity and with like terms and provisions; *provided, however*, unless otherwise specified pursuant to Section 301, no definitive Bearer Security shall be delivered in exchange for a temporary Registered Security; and *provided, further*, that a definitive Bearer Security shall be delivered in exchange for a temporary Bearer Security only in compliance with the conditions set forth in Section 303. Until exchanged as hereinabove provided, the temporary Securities of any series shall in all respects be entitled to the same benefits under this Indenture as definitive Securities of the same series and with like terms and conditions, except as to payment of interest, if any, authenticated and delivered hereunder.

Any temporary Global Security and any permanent Global Security shall, unless otherwise provided therein, be delivered to a Depository designated pursuant to Section 301.

Without unnecessary delay but in any event not later than the date specified in or determined pursuant to the terms of any such temporary Global Security (the "Exchange Date"), the Securities represented by any temporary Global Security of a series of Securities issuable in bearer form may be exchanged for definitive Securities (subject to the second succeeding paragraph) or Securities to be represented thereafter by one or more permanent Global Securities, without interest coupons. On or after the Exchange Date such temporary Global Security shall be surrendered by the Depository to the Trustee for such Security, as the Company's agent for such purpose, or the agent appointed by the Company pursuant to Section 301 to effect the exchange of the temporary Global Security for definitive Securities (the "Global Exchange Agent"), and following such surrender, such Trustee or the Global Exchange Agent (as authorized by the Trustee as an Authenticating Agent pursuant to Section 614) shall (1) endorse the temporary Global Security to reflect the reduction of its principal amount by an equal aggregate principal amount of such Security, (2) endorse the applicable permanent Global Security, if any, to reflect the initial amount, or an increase in the amount of Securities represented thereby, (3) manually authenticate such definitive Securities or such permanent Global Security, as the case may be, (4) subject to Section 303, deliver such definitive Securities to the Holder thereof or, as the case may be, deliver such permanent Global Security to the Depository to be held outside the United States for the accounts of Euroclear and Clearstream Banking, for credit to the respective accounts at

Page 31 of 94

Euroclear and Clearstream Banking, designated by or on behalf of the beneficial owners of such Securities (or to such other accounts as they may direct) and (5) redeliver such temporary Global Security to the Depository, unless such temporary Global Security shall have been cancelled in accordance with Section 309 hereof; *provided, however*, that, unless otherwise specified in such temporary Global Security, upon such presentation by the Depository, such temporary Global Security shall be accompanied by a certificate dated the Exchange Date or a subsequent date and signed by Euroclear as to the portion of such temporary Global Security held for its account then to be exchanged for definitive Securities or one or more permanent Global Securities, as the case may be, and a certificate dated the Exchange Date or a subsequent date and signed by Clearstream Banking, as to the portion of such temporary Global Security held for its account then to be exchanged for definitive Securities or one or more permanent Global Securities, as the case may be, each substantially in the form set forth in Exhibit B to this Indenture. Each certificate substantially in the form of Exhibit B hereto of Euroclear or Clearstream Banking, as the case may be, shall be based on certificates of the account holders listed in the records of Euroclear or Clearstream Banking, as the case may be, as being entitled to all or any portion of the applicable temporary Global Security. An account holder of Euroclear or Clearstream Banking, as the case may be, desiring to effect the exchange of interest in a temporary Global Security for an interest in definitive Securities or one or more permanent Global Securities shall instruct Euroclear or Clearstream Banking, as the case may be, to request such exchange on its behalf and shall deliver to Euroclear or Clearstream Banking, as the case may be, a certificate substantially in the form of Exhibit A hereto and dated no earlier than 15 days prior to the Exchange Date. Until so exchanged, temporary Global Securities shall in all respects be entitled to the same benefits under this Indenture as definitive Securities and permanent Global Securities of the same series authenticated and delivered hereunder, except as provided in the fourth succeeding paragraph.

The delivery to the Trustee for the Securities of the appropriate series or the Global Exchange Agent by Euroclear or Clearstream Banking of any certificate substantially in the form of Exhibit B hereto may be relied upon by the Company and such Trustee or the Global Exchange Agent as conclusive evidence that a corresponding certificate or certificates has or have been delivered to Euroclear or to Clearstream Banking, as the case may be, pursuant to the terms of this Indenture.

On or prior to the Exchange Date, the Company shall deliver to the Trustee for the Securities of the appropriate series or the Global Exchange Agent definitive Securities or one or more permanent Global Securities in aggregate principal amount equal to the principal amount of such temporary Global Security, executed by the Company in the case of the Securities. At any time, on or after the Exchange Date, upon 30 days' notice to the Trustee for the Securities of the appropriate series or the Global Exchange Agent by Euroclear or Clearstream Banking, as the case may be, acting at the request of or on behalf of the beneficial owner, a Security represented by a temporary Global Security or a permanent Global Security, as the case may be, may be exchanged, in whole or from time to time in part, for definitive Securities without charge and such Trustee or the Global Exchange Agent shall authenticate and deliver, in exchange for each portion of such temporary Global Security or such permanent Global Security, an equal aggregate principal amount of definitive Securities of the same series of authorized denominations and with like terms and provisions as the portion of such temporary Global Security or such permanent Global Security to be exchanged, which, unless the Securities of the series are not issuable both as Bearer Securities and as Registered Securities, as contemplated by Section 301, shall be in the form of Bearer Securities or Registered Securities, or any combination

Page 32 of 94

thereof, as shall be specified by the beneficial owner thereof; *provided, however*, that definitive Bearer Securities shall be delivered in exchange for a portion of the temporary Global Security or the permanent Global Security only in compliance with the requirements of the second preceding paragraph. On or prior to the thirtieth day following receipt by the Trustee for the Securities of the appropriate series or the Global Exchange Agent of such notice with respect to a Security, or, if such day is not a Business Day, the next succeeding Business Day, the temporary Global Security or the permanent Global Security, as the case may be, shall be surrendered by the Depository to such Trustee, as the Company's agent for such purpose, or the Global Exchange Agent to be exchanged in whole, or from time to time in part, for definitive Securities without charge following such surrender, upon the request of Euroclear or Clearstream Banking, as the case may be, and such Trustee or the Global Exchange Agent shall (1) endorse the applicable temporary Global Security or the permanent Global Security to reflect the reduction of its principal amount by the aggregate principal amount of such Security, (2) in accordance with procedures acceptable to the Trustee cause the terms of such Security and coupons, if any, to be entered on a definitive Security, (3) manually authenticate such definitive Security and (4) if a Bearer Security is to be delivered, deliver such definitive Security outside the United States to Euroclear or Clearstream Banking, as the case may be, for or on behalf of the beneficial owner thereof, in exchange for a portion of such permanent Global Security.

Unless otherwise specified in such temporary Global Security or permanent Global Security, any such exchange shall be made free of charge to the beneficial owners of such temporary Global Security or permanent Global Security, except that a Person receiving definitive Securities must bear the cost of any taxes, insurance, postage, transportation and the like in the event that such Person does not take delivery of such definitive Securities in person at the offices of Euroclear or Clearstream Banking. Definitive Securities in bearer form to be delivered in exchange for any portion of a temporary Global Security or a permanent Global Security shall be delivered only outside the United States.

Until exchanged in full as hereinabove provided, any temporary Global Security or permanent Global Security shall in all respects be entitled to the same benefits under this Indenture as definitive Securities of the same series and with like terms and conditions, except as to payment of interest, if any, authenticated and delivered hereunder. Unless otherwise specified as contemplated by Section 301, interest payable on such temporary Global Security on an Interest Payment Date for Securities of such series shall be payable to Euroclear and Clearstream Banking on such Interest Payment Date upon delivery by Euroclear and Clearstream Banking to the Trustee for the Securities of the appropriate series or the Global Exchange Agent in the case of payment of interest on a temporary Global Security with respect to an Interest Payment Date occurring prior to the applicable Exchange Date of a certificate or certificates substantially in the form set forth in Exhibit C to this Indenture, for credit without further interest on or after such Interest Payment Date to the respective accounts of the Persons who are the beneficial owners of such Global Security on such Interest Payment Date and who have, in the case of payment of interest on a temporary Global Security with respect to an Interest Payment Date occurring prior to the applicable Exchange Date, each delivered to Euroclear or Clearstream Banking, as the case may be, a certificate substantially in the form set forth in Exhibit D to this Indenture.

Any definitive Bearer Security authenticated and delivered by the Trustee for the Securities of the appropriate series or the Global Exchange Agent in exchange for a portion of a temporary Global Security or a permanent Global Security shall not bear a coupon for any interest which shall theretofore have been duly paid by such Trustee to Euroclear or Clearstream Banking or by the Company to such Trustee in accordance with the provisions of this Section 304.

With respect to Exhibits A, B, C and D to this Indenture, the Company may, in its discretion and if required or desirable under applicable law, substitute one or more other forms of such exhibits for such exhibits, eliminate the requirement that any or all certificates be provided, or change the time that any certificate may be required, *provided* that such substitute form or forms or notice of elimination or change of such certification requirement have theretofore been delivered to the Trustee with a Company Request and such form or forms, elimination or change is reasonably acceptable to the Trustee.

5. *Registration, Registration of Transfer and Exchange.*

The Company shall cause to be kept at the Corporate Trust Office of the Trustee for the Securities of each series a register (the register maintained in such office being herein sometimes referred to as the "Security Register") in which, subject to such reasonable regulations as it may prescribe, the Company shall provide for the registration of Registered Securities and of transfers of Registered Securities. The Trustee for the Securities of each series is hereby initially appointed "Security Registrar" for the purpose of registering Registered Securities and transfers of Registered Securities of such series as herein provided.

Upon surrender for registration of transfer of any Registered Security of any particular series at the office or agency of the Company in a Place of Payment for that series, the Company shall execute, and the Trustee for the Securities of each series shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Registered Securities of any authorized denominations, and of a like Stated Maturity and of a like series and aggregate principal amount and with like terms and conditions.

Except as set forth below, at the option of the Holder, Registered Securities of any particular series may be exchanged for other Registered Securities of any authorized denominations, and of a like Stated Maturity and of a like series and aggregate principal amount and with like terms and conditions upon surrender of the Registered Securities to be exchanged at such office or agency. Whenever any Securities are so surrendered for exchange, the Company shall execute, and the Trustee for such Securities shall authenticate and deliver, the Securities which the Holder making the exchange is entitled to receive. Except as otherwise specified pursuant to Section 301, Registered Securities may not be exchanged for Bearer Securities.

Notwithstanding any other provision of this Section or Section 304, unless and until it is exchanged in whole or in part for Registered Securities in definitive form, a Global Security representing all or a portion of the Registered Securities of a series may not be transferred except as a whole by the Depository for such series to a nominee of such Depository or by a nominee of such Depository to such Depository or another nominee of such Depository or by such Depository or any such nominee to a successor Depository for such series or a nominee of such successor Depository.

If (but not only if) permitted by the applicable Board Resolution and (subject to Section 308) set forth in the applicable Officer's Certificate, at the option of the Holder, Bearer Securities of any series may be exchanged for Registered Securities of the same series of

any authorized denominations and of a like aggregate principal amount and with like terms and provisions upon surrender of the Bearer Securities to be exchanged at any office or agency of the Company in a Place of Payment for that series, with all unmatured coupons and all matured coupons in default thereto appertaining. If the Holder of a Bearer Security is unable to produce any such unmatured coupon or coupons or matured coupon or coupons in default, such exchange may be effected if the Bearer Securities are accompanied by payment in funds acceptable to the Company (or to the Trustee for the Security in case of matured coupons in default) in an amount equal to the face amount of such missing coupon or coupons, or the surrender of such missing coupon or coupons may be waived by the Company and such Trustee if there is furnished to them such security or indemnity as they may require to save each of them and any Paying Agent harmless. If thereafter the Holder of such Security shall surrender to any Paying Agent any such missing coupon in respect of which such a payment shall have been made, such Holder shall be entitled to receive the amount of such payment; *provided, however*, that, except as otherwise provided in Section 1002, interest represented by coupons shall be payable only upon presentation and surrender of those coupons at an office or agency of the Company in a Place of Payment for that series located outside the United States. Notwithstanding the foregoing, in case a Bearer Security of any series is surrendered at any such office or agency in exchange for a Registered Security of the same series and with like terms and conditions after the close of business at such office or agency on or after (i) any Regular Record Date and before the opening of business at such office or agency on the relevant Interest Payment Date, or (ii) any Special Record Date and before the opening of business at such office or agency on the related proposed date for payment of Defaulted Interest, such Bearer Security shall be surrendered without the coupon relating to such Interest Payment Date or proposed date for payment, as the case may be (or, if such coupon is so surrendered with such Bearer Security, such coupon shall be returned to the person so surrendering the Bearer Security), and interest or Defaulted Interest, as the case may be, will not be payable on such Interest Payment Date or proposed date for payment, as the case may be, in respect of the Registered Security issued in exchange for such Bearer Security, but will be payable only to the Holder of such coupon when due in accordance with the provisions of this Indenture.

Whenever any Securities are so surrendered for exchange, the Company shall execute, and the Trustee for such Securities shall authenticate and deliver, the Securities which the Holder making the exchange is entitled to receive.

If at any time the Depository for Securities of a series in registered form notifies the Company that it is unwilling or unable to continue as Depository for the Securities of such series or if at any time the Depository for the Securities of such series shall no longer be eligible under Section 303, the Company shall appoint a successor Depository with respect to the Securities for such series. If (i) a successor Depository for the Securities of such series is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility, (ii) the Company delivers to the Trustee for Securities of such series in registered form a Company Order stating that the Securities of such series shall be exchangeable, or (iii) an Event of Default under Section 501 hereof has occurred and is continuing with respect to the Securities of such series, the Company's election pursuant to Section 301 shall no longer be effective with respect to the Securities for such series and the Company will execute, and the Trustee, upon receipt of a Company Order for the authentication and delivery of definitive Securities of such series, will authenticate and deliver Securities of such series in definitive form in an aggregate principal amount equal to the principal amount of the Global Security or Securities representing such series in exchange for such Global Security or Securities.

The Company may at any time and in its sole discretion determine that the Registered Securities of any series issued in the form of one or more Global Securities shall no longer be represented by such Global Security or Securities. In such event the Company will execute, and the Trustee, upon receipt of a Company Order for the authentication and delivery of definitive Registered Securities of such series, will authenticate and deliver Registered Securities of such series in definitive form and in an aggregate principal amount equal to the principal amount of the Global Security or Securities representing such series in exchange for such Global Security or Securities.

If specified by the Company pursuant to Section 301 with respect to a series of Securities in registered form, the Depository for such series of Securities may surrender a Global Security for such series of Securities in exchange in whole or in part for Securities of such series of like tenor and terms and in definitive form on such terms as are acceptable to the Company and such Depository. Thereupon the Company shall execute, and, upon receipt of a Company Order, the Trustee shall authenticate and deliver, without service charge, (i) to each Person specified by such Depository a new Security or Securities of the same series, of like tenor and terms and of any authorized denomination as requested by such Person in aggregate principal amount equal to and in exchange for such Person's beneficial interest in the Global Security; and (ii) to such Depository a new Global Security of like tenor and terms and in a denomination equal to the difference, if any, between the principal amount of the surrendered Global Security and the aggregate principal amount of Securities delivered to Holders thereof.

Upon the exchange of a Global Security for Securities in definitive form representing the aggregate principal amount of such Global Security, such Global Security shall be cancelled by the Trustee. Registered Securities issued in exchange for a Global Security pursuant to this Section shall be registered in such names and in such authorized denominations as the Depository for such Global Security, pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Trustee in writing. The Trustee shall deliver such Registered Securities to the persons in whose names such Securities are so registered.

All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Securities surrendered upon such registration of transfer or exchange.

Every Security presented or surrendered for registration of transfer or exchange shall (if so required by the Company or the Trustee for such Security) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar for such series duly executed, by the Holder thereof or his attorney duly authorized in writing.

No service charge shall be made for any registration of transfer or exchange of Securities, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Securities, other than exchanges pursuant to Section 304, 906 or 1107 not involving any transfer.

The Company shall not be required (i) to issue, register the transfer of or exchange Securities of any series during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of Securities of that series selected for

Page 36 of 94

redemption under Section 1104 and ending at the close of business on (A) if Securities of the series are issuable only as Registered Securities, the day of the mailing of the relevant notice of redemption and (B) if Securities of the series are issuable as Bearer Securities, the day of the first publication of the relevant notice of redemption or, if Securities of the series are also issuable as Registered Securities and there is no publication, the mailing of the relevant notice of redemption, or (ii) to register the transfer of or exchange any Registered Security so selected for redemption as a whole or in part, except the unredeemed portion of any Security being redeemed in part, or (iii) to exchange any Bearer Security so selected for redemption except that such a Bearer Security may be exchanged for a Registered Security of that series and like tenor; *provided, however*, that such Registered Security shall be simultaneously surrendered for redemption.

Furthermore, notwithstanding any other provision of this Section 305, the Company will not be required to exchange any Securities if, as a result of the exchange, the Company would suffer adverse consequences under any United States law or regulation.

6. *Mutilated, Destroyed, Lost and Stolen Securities and Coupons.*

If (i) any mutilated Security or a Security with a mutilated coupon appertaining thereto is surrendered to the Trustee for such Security or the Company and the Trustee for a Security receive evidence to their satisfaction of the destruction, loss or theft of any Security or coupon and (ii) there is delivered to the Company and such Trustee such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Company or such Trustee that such Security or coupon has been acquired by a bona fide or protected purchaser, the Company shall execute and upon its request such Trustee shall authenticate and deliver, in lieu of any such destroyed, lost or stolen Security or in exchange for such mutilated Security, or in exchange for the Security to which a mutilated, destroyed, lost or stolen coupon appertains (with all appurtenant coupons not mutilated, destroyed, lost or stolen) a new Security of the same series and in a like principal amount and of a like Stated Maturity and with like terms and conditions, and bearing a number not contemporaneously outstanding with coupons corresponding to the coupons, if any, appertaining to such mutilated, destroyed, lost or stolen Security or to the Security to which such mutilated, destroyed, lost or stolen coupon appertains.

In case any such mutilated, destroyed, lost or stolen Security or coupon has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Security, pay such Security or coupon (without surrender thereof except in the case of a mutilated Security or coupon) if the applicant for such payment shall furnish to the Company and the Trustee for such Security such security or indemnity as may be required by them to save each of them harmless, and in case of destruction, loss or theft, evidence satisfactory to the Company and such Trustee and any agent of any of them of the destruction, loss or theft of such Security and the ownership thereof; *provided, however*, that the principal of (and premium, if any) and interest, if any, on Bearer Securities shall, except as otherwise provided in Section 1002, be payable only at an office or agency located outside the United States and, unless otherwise specified as contemplated by Section 301, any interest on Bearer Securities shall be payable only upon presentation and surrender of the coupons appertaining thereto.

Upon the issuance of any new Security under this Section, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including all fees and expenses of the Trustee for such Security) connected therewith.

Page 37 of 94

Every new Security of any series, with its coupons, if any, issued pursuant to this Section in lieu of any destroyed, lost or stolen Security or in exchange for any mutilated Security, or in exchange for a Security to which a mutilated, destroyed, lost or stolen coupon appertains shall constitute an original additional contractual obligation of the Company whether or not the destroyed, lost or stolen Security and its coupons, if any, or the destroyed, lost or stolen coupon shall be at any time enforceable by anyone, and each such new Security shall be at any time enforceable by anyone, and each such new Security shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of the same series and their coupons, if any, duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities or coupons.

7. *Payment of Interest; Interest Rights Preserved.*

Interest on any Registered Security which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall, if so provided in such Security, be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest payment.

Unless otherwise provided with respect to the Securities of any series, payment of interest may be made at the Corporate Trust Office or, at the option of the Company (i) in the case of Registered Securities, may be made by check mailed to the address of the Person entitled thereto as such address shall appear in the Security Register, or (ii) in the case of Bearer Securities, upon presentation and surrender of the appropriate coupon appertaining thereto or by transfer to an account maintained by the payee with a bank located outside the United States. Notwithstanding the foregoing, a Holder of \$1,000,000 or more in aggregate principal amount of Securities of any series in definitive form, whether having identical or different terms and provisions, having the same Interest Payment Dates will, at the option of the Company, be entitled to receive interest payments, other than at Maturity, by wire transfer of immediately available funds if appropriate wire transfer instructions have been received in writing by the Trustee for the Securities of such series at least 15 days prior to the applicable Interest Payment Date. Any wire instructions received by the Trustee for the Securities of such series shall remain in effect until revoked by the Holder.

Unless otherwise provided or contemplated by Section 301, every permanent Global Security will provide that interest, if any, payable on any Interest Payment Date will be paid to each of Euroclear and Clearstream Banking with respect to that portion of such permanent Global Security held for its account by the Depository. Each of Euroclear and Clearstream Banking will in such circumstances credit the interest received by it in respect of such permanent Global Security to the accounts of the beneficial owners thereof.

Page 38 of 94

Any interest on any Registered Security of any particular series which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date (herein called "Defaulted Interest") shall forthwith cease to be payable to the registered Holder on the relevant Regular Record Date by virtue of having been such Holder; and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in clause (1) or (2) below:

1. The Company may elect to make payment of any Defaulted Interest to the Persons in whose names the Registered Securities of that series (or their respective Predecessor Securities) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee for the Registered Securities of such series in writing of the amount of Defaulted Interest proposed to be paid on each Registered Security of that series and the date of the proposed payment, and at the same time the Company shall deposit with such Trustee an amount of money in the currency or currency unit in which the Securities of such series are payable (except as otherwise specified pursuant to Section 301 for the Securities of such series and except as provided in Sections 311(b) and 311(d)), equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to such Trustee for such deposit on or prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this clause provided. Thereupon such Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall not be more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by such Trustee of the notice of the proposed payment. Such Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each Holder of Registered Securities of that series at his address as it appears in the Security Register not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been mailed as aforesaid, such Defaulted Interest shall be paid to the Persons in whose names the Registered Securities of that series (or their respective Predecessor Securities) are registered on such Special Record Date and shall no longer be payable pursuant to the following clause (2).
2. The Company may make payment of any Defaulted Interest on Registered Securities of any particular series in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Registered Securities may be listed, and upon such notice as may be required by such exchange, if, after notice is given by the Company to the Trustee for the Securities of such series of the proposed manner of payment pursuant to this clause, such manner of payment shall be deemed practicable by such Trustee.

Subject to the foregoing provisions of this Section and Section 305, each Security delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Security.

8. *Persons Deemed Owners.*

Prior to due presentment of a Registered Security for registration of transfer, the Company, the Trustee for such Security and any agent of the Company or such Trustee may treat the

Page 39 of 94

Person in whose name any such Security is registered as the owner of such Security for the purpose of receiving payment of principal of (and premium, if any) and (subject to Section 307) interest, if any, on such Security and for all other purposes whatsoever, whether or not such Security be overdue, and none of the Company, such Trustee or any agent of the Company or such Trustee shall be affected by notice to the contrary.

Title to any Bearer Security and any coupons appertaining thereto shall pass by delivery. The Company, the Trustee for such Security and any agent of the Company or such Trustee may treat the bearer of any Bearer Security and the bearer of any coupon as the absolute owner of such Bearer Security or coupon for the purpose of receiving payment thereof or on account thereof and for all other purposes whatsoever, whether or not such Security or coupon be overdue, and none of the Company, such Trustee or any agent of the Company or such Trustee shall be affected by notice to the contrary.

None of the Company, the Trustee, any Paying Agent or the Security Registrar will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of a Global Security or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

9. *Cancellation.*

All Securities and coupons surrendered for payment, redemption, registration of transfer or exchange, or delivered in satisfaction of any sinking fund payment, shall, if surrendered to any Person other than the Trustee for such Securities, be delivered to such Trustee and, in the case of Registered Securities and matured coupons, shall be promptly cancelled by it. All Bearer Securities and unmatured coupons so delivered to the Trustee for such Securities shall be cancelled by such Trustee. The Company may at any time deliver to the Trustee for Securities of a series for cancellation any Securities previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and all Securities so delivered shall be promptly cancelled by such Trustee. Notwithstanding any other provision of this Indenture to the contrary, in the case of a series, all the Securities of which are not to be originally issued at one time, a Security of such series shall not be deemed to have been Outstanding at any time hereunder if and to the extent that, subsequent to the authentication and delivery thereof, such Security is delivered to the Trustee for such Security for cancellation by the Company or any agent thereof upon the failure of the original purchaser thereof to make payment therefor against delivery thereof, and any Security so delivered to such Trustee shall be promptly cancelled by it. No Securities shall be authenticated in lieu of or in exchange for any Securities cancelled as provided in this Section, except as expressly permitted by this Indenture. All cancelled Securities and coupons held by the Trustee for such Securities shall be disposed of by such Trustee in accordance with its standard procedures and a certificate of disposition evidencing such disposition of Securities and coupons shall be provided to the Company by such Trustee. In the case of any temporary Global Security, which shall be disposed of if the entire aggregate principal amount of the Securities represented thereby has been exchanged, the certificate of disposition shall state that all certificates required pursuant to Section 304 hereof, substantially in the form of Exhibit B hereto (or in the form of any substitute exhibit as provided in the last paragraph of Section 304), to be given by Euroclear or Clearstream Banking, have been duly presented to the Trustee for such Securities by Euroclear or Clearstream Banking, as the case may be. Permanent Global Securities shall not be disposed of until exchanged in full for definitive Securities or until payment thereon is made in full.

Page 40 of 94

10. *Computation of Interest.*

Except as otherwise specified as contemplated by Section 301 for Securities of any particular series, interest on the Securities of each series shall be computed on the basis of a 360-day year of twelve 30-day months.

11. *Currency and Manner of Payments in Respect of Securities.*

Unless otherwise specified in accordance with Section 301 with respect to any series of Securities, the following provisions shall apply:

- a. Except as provided in paragraphs (b) and (d) below, the principal of (and premium, if any) and interest on Securities of any series denominated in a Foreign Currency or currency unit will be payable by the Company in Dollars based on the equivalent of that Foreign Currency or currency unit converted into Dollars in the manner described in paragraph (c) below.
- b. It may be provided pursuant to Section 301 with respect to Registered Securities of any series denominated in a Foreign Currency or currency unit that Holders shall have the option, subject to paragraph (d) below, to receive payments of principal of (and premium, if any) and interest on such Registered Securities in such Foreign Currency or currency unit by delivering to the Trustee (or to any duly appointed Paying Agent) for the Registered Securities of that series a written election, to be in form and substance satisfactory to such Trustee (or to any such Paying Agent), not later than the close of business on the Election Date immediately preceding the applicable payment date. If a Holder so elects to receive such payments in such Foreign Currency or currency unit, such election will remain in effect for such Holder until changed by such

Holder by written notice to the Trustee (or to any such Paying Agent) for the Registered Securities of that series; *provided, however*, that any such change must be made not later than the close of business on the Election Date immediately preceding the next payment date to be effective for the payment to be made on such payment date; and provided, further, that no such change or election may be made with respect to payments to be made on any Registered Security of such series with respect to which an Event of Default has occurred, the Company has exercised any defeasance, satisfaction or discharge options pursuant to Article Four or notice of redemption has been given by the Company pursuant to Article Eleven. If any Holder makes any such election, such election will not be effective as to any transferee of such Holder and such transferee shall be paid in Dollars unless such transferee makes an election as specified above; *provided, however*, that such election, if in effect while funds are on deposit with respect to the Registered Securities of such series as described in Section 404 or Section 405, will be effective as to any transferee of such Holder unless otherwise specified pursuant to Section 301 for such Registered Securities. Any Holder of any such Registered Security who shall not have delivered any such election to the Trustee (or to any duly appointed Paying Agent) for the Registered Securities of such series not later than the close of business on the applicable Election Date will be paid the amount due on the applicable payment date in Dollars.

- c. With respect to any Registered Securities of any series denominated in a Foreign Currency or currency unit and payable in Dollars, the amount of Dollars so payable will be determined by the Currency Determination Agent based on the highest indicative quotation in The City of New York selected by the Currency Determination Agent at approximately 11:00 A.M., New York City time, on the second Business

Page 41 of 94

Day preceding the applicable payment date. Such selection shall be made from among the quotations appearing on the bank composite or multi-contributor pages of the Reuters Monitor Foreign Exchange Service or, if not available, the Telerate Monitor Foreign Exchange Service, for three (or two if three are not available) major banks in New York City. The first three (or two) such banks selected by the Currency Determination Agent which are offering quotes on the Reuters Foreign Exchange Service shall be used. If such quotations are unavailable from either such foreign exchange service, such selection shall be made from the quotations received by the Currency Determination Agent from no more than three nor less than two recognized foreign exchange dealers in The City of New York selected by the Currency Determination Agent and approved by the Company (one of which may be the Currency Determination Agent) for the purchase by the quoting dealer, for settlement on such payment date, of the aggregate amount of the Foreign Currency or currency unit payable on such payment date in respect of all Registered Securities denominated in such Foreign Currency or currency unit and for which the applicable dealer commits to execute a contract. If fewer than two such bid quotations are available at 11:00 a.m., New York City time, on the second Business Day preceding the applicable payment date, such payment will be based on the Market Exchange Rate as of the second Business Day preceding the applicable payment date. If the Market Exchange Rate for such date is not then available, payments shall be made in the Foreign Currency or currency unit. All currency exchange costs associated with any payment in Dollars on any such Registered Securities will be borne by the Holder thereof by deductions from such payment.

- d. If a Conversion Event occurs with respect to a Foreign Currency or currency unit in which Registered Securities of any series are payable, then with respect to each date for the payment of principal of (and premium, if any) and interest on the Registered Securities of that series occurring after the last date on which such Foreign Currency or currency unit was used, the Company may make such payment in Dollars. The Dollar amount to be paid by the Company to the Trustee for the Registered Securities of such series and by such Trustee or any Paying Agent for the Registered Securities of such series to the Holders of such Registered Securities with respect to such payment date shall be determined by the Currency Determination Agent on the basis of the Market Exchange Rate as of the second Business Day preceding the applicable payment date or, if such Market Exchange Rate is not then available, on the basis of the most recently available Market Exchange Rate, or as otherwise established pursuant to Section 301 with respect to such Notes. Any payment in respect of such Registered Security made under such circumstances in Dollars will not constitute an Event of Default hereunder.
- e. For purposes of this Indenture the following terms shall have the following meanings:
- A "Component Currency" shall mean any currency which is a component currency of any currency unit.
- "Election Date" shall mean, for the Registered Securities of any series, the date specified pursuant to Section 301(14).
- f. Notwithstanding any other provisions of this Section 311, the following shall apply: (i) if the official unit of any Component Currency is altered by way of combination or subdivision, the number of units of that currency as a component shall be divided or multiplied in the same proportion, (ii) if two or more Component Currencies are consolidated into a single currency, the amounts of those currencies as components

Page 42 of 94

shall be replaced by an amount in such single currency equal to the sum of the amounts of the consolidated Component Currencies expressed in such a single currency, (iii) if any Component Currency is divided into two or more currencies, the amount of that original Component Currency as a component shall be replaced by the amounts of such two or more currencies having an aggregate value on the date of division equal to the amount of the former Component Currency immediately before such division and (iv) in the event of an official redenomination of any currency (including, without limitation, a currency unit), the obligations of the Company to make payments in or with reference to such currency on the Registered Securities of any series shall, in all cases, be deemed immediately following such redenomination to be obligations to make payments in or with reference to that amount of redenominated currency representing the amount of such currency immediately before such redenomination.

- g. All determinations referred to in this Section 311 made by the Currency Determination Agent shall be in its sole discretion and shall, in the absence of manifest error, be conclusive for all purposes and irrevocably binding upon the Holders of the applicable Securities. The Currency Determination Agent shall promptly give written notice to the Trustee of any such decision or determination. The Currency Determination Agent shall have no liability for any determinations referred to in this Section 311 made by it.
- h. The Trustee for the Securities of a particular series shall be fully justified and protected in relying and acting upon information received by it from the Company and the Currency Determination Agent with respect to any of the matters addressed in or contemplated by this Section 311 and shall not otherwise have any duty or obligation to determine such information independently.

12. *Appointment and Resignation of Currency Determination Agent.*

- a. If and so long as the Securities of any series (i) are denominated in a currency unit or a currency other than Dollars or (ii) may be payable in a currency unit or a currency other than Dollars, or so long as it is required under any other provision of this Indenture, then the Company shall maintain with respect to each such series of Securities, or as so required, a Currency Determination Agent. The Company shall cause the Currency Determination Agent to make the necessary foreign exchange determinations at the time and in the manner specified pursuant to Section 301 for the purpose of determining the applicable rate of exchange and for the purpose of converting the issued currency or currency unit into the applicable payment currency or currency unit for the payment of principal (and premium, if any) and interest, if any, pursuant to Section 311.
- b. No resignation of the Currency Determination Agent and no appointment of a successor Currency Determination Agent pursuant to this Section shall become effective until the acceptance of appointment by the successor Currency Determination Agent as evidenced by a written instrument delivered to the Company and the Trustee of the appropriate series of Securities accepting such appointment executed by the successor Currency Determination Agent.
- c. Satisfaction and Discharge

1. *Option to Effect Legal Defeasance or Covenant Defeasance.*

The Company may, at the option of its Board of Directors evidenced by a Board Resolution set forth in an Officers' Certificate, at any time, with respect to the Securities of any series, elect to have either Section 402 or 403 be applied to all of the Outstanding Securities of that series upon compliance with the conditions set forth below in this Article Four.

2. *Legal Defeasance and Discharge.*

Upon the Company's exercise under Section 401 of the option applicable to this Section 402, the Company shall be deemed to have been discharged from its obligations with respect to all Outstanding Securities of the particular series and any coupons appertaining thereto on the date the conditions set forth below in Section 404 are satisfied (hereinafter, "Legal Defeasance"). For this purpose, such Legal Defeasance means that the Company shall be deemed to have paid and discharged all the obligations relating to the Outstanding Securities of that series and the Securities of that series, including any coupons appertaining thereto, shall thereafter be deemed to be "Outstanding" only for the purposes of Section 406, Section 408 and the other Sections of this Indenture referred to below in this Section 402, and to have satisfied all of its other obligations under such Securities and any coupons appertaining thereto and this Indenture and cured all then existing Events of Default (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following which shall survive until otherwise terminated or discharged hereunder: (a) the rights of Holders of Outstanding Securities of the particular series and coupons, if any, of such series to receive payments in respect of the principal of (and premium, if any) and interest, if any, on such Securities when such payments are due or on the Redemption Date solely out of the trust created pursuant to this Indenture; (b) the Company's obligations with respect to such Securities concerning issuing temporary Securities of that series, or, where relevant, registration of such Securities, mutilated, destroyed, lost or stolen Securities of that series and the maintenance of an office or agency for payment and money for Securities payments held in trust; (c) the rights, powers, trusts, duties and immunities of the Trustee for the Securities of that series, and the Company's obligations in connection therewith; and (d) this Article Four and the obligations set forth in Section 406 hereof.

Subject to compliance with this Article Four, the Company may exercise its option under Section 402 notwithstanding the prior exercise of its option under Section 403 with respect to the Securities of a particular series and any coupons appertaining thereto.

3. *Covenant Defeasance.*

Upon the Company's exercise under Section 401 of the option applicable to this Section 403, the Company shall be released from any obligations under the covenants contained in Sections 704 and 801 hereof (and any other covenant in addition to those set forth herein applicable to Securities of any series pursuant to Section 301 hereof specified to be released as provided under this Section 403) with respect to the Outstanding Securities of the particular series, along with any additional covenants contained in such Security or any Supplemental Indenture in connection therewith, on and after the date the conditions set forth below in Section 404 are satisfied (hereinafter, "Covenant Defeasance"), and the Securities of that series and any coupons appertaining thereto shall thereafter be deemed not "Outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "Outstanding" for all other purposes hereunder (it being understood that such Securities shall not be deemed outstanding for accounting purposes). For this purpose, such Covenant Defeasance means that, with respect to the Outstanding Securities of that series and any coupons appertaining thereto, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a default or Event of Default under subsection 501(3) but, except as specified above, the remainder of this Indenture and the Securities of that series shall be unaffected thereby.

4. *Conditions to Legal or Covenant Defeasance.*

The following shall be the conditions to the application of either Section 402 or Section 403 to the Outstanding Securities of a particular series:

- a. the Company must irrevocably deposit, or cause to be irrevocably deposited, with the Trustee for the Securities of that series, in trust, for the benefit of the Holders of the Securities of that series, cash in the currency or currency unit in which the Securities of that series are payable (except as otherwise specified pursuant to Section 301 for the Securities of that series and except as provided in Sections 311(b) and 311(d), in which case the deposit to be made with respect to Securities for which an election has occurred pursuant to Section 311(b), or a Conversion Event has occurred as provided in Section 311(d), shall be made in the currency or currency unit in which the Securities of that series are payable as a result of such election or Conversion Event), Government Obligations or a combination thereof in such amounts as will be sufficient, in the opinion of an internationally recognized firm of independent public accountants, to pay the principal of (and premium, if any) and interest, if any, due on the outstanding Securities of that series and any related coupons at the Stated Maturity, or on the applicable Redemption Date, as the case may be, with respect to the outstanding Securities of that series and any related coupons;
- b. in the case of Legal Defeasance, the Company shall have delivered to the Trustee for the Securities of that series an Opinion of Counsel in the United States reasonably acceptable to such Trustee confirming that, subject to customary assumptions and exclusions, (1) the Company has received from, or there has been published by, the U.S. Internal Revenue Service a ruling or (2) since the Issue Date, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel in the United States shall confirm that, subject to customary assumptions and exclusions, the Holders of the Outstanding Securities of that series will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

- c. in the case of Covenant Defeasance, the Company shall have delivered to the Trustee for the Securities of that series an Opinion of Counsel in the United States reasonably acceptable to such Trustee confirming that, subject to customary assumptions and exclusions, the Holders of the Outstanding Securities of that series will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to such tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;
- d. no Event of Default or event which with the giving of notice or the lapse of time, or both, would become an Event of Default with respect to the Securities of that series shall have occurred and be continuing on the date of such deposit and no Event of Default under Section 501(4) or Section 501(5) shall have occurred and be continuing on the 123rd day after such date;
- e. such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under any material

agreement or instrument to which the Company is a party or by which the Company is bound; and

- f. the Company shall have delivered to the Trustee for the Securities of that series an Officers' Certificate and an Opinion of Counsel in the United States (which opinion of counsel may be subject to customary assumptions and exclusions) each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

5. *Satisfaction and Discharge of Indenture.*

This Indenture will be discharged and will cease to be of further effect as to all Securities of any particular series issued hereunder when either (i) all Securities of that series theretofore authenticated and delivered and all coupons, if any, appertaining thereto (except (A) coupons appertaining to Bearer Securities surrendered for exchange for Registered Securities and maturing after such exchange, whose surrender is not required or has been waived as provided in Section 305, (B) lost, stolen or destroyed Securities or coupons of such series which have been replaced or paid as provided in Section 306, (C) coupons appertaining to Securities called for redemption and maturing after the relevant Redemption Date, whose surrender is not required as provided in Section 1106 and (D) Securities and coupons of such series for whose payment money has theretofore been deposited in trust and thereafter repaid to the Company or discharged from such trust, as provided in the last paragraph of Section 1003) have been delivered to the Trustee for the Securities of that series for cancellation or (ii) (A) all Securities of that series and any coupons appertaining thereto not theretofore delivered to Trustee for cancellation are due and payable by their terms within one year or have become due and payable by reason of the making of a notice of redemption and the Company has irrevocably deposited or caused to be deposited with such Trustee as trust funds in trust an amount of cash in any combination of currency or currency unit in which the Securities of such series are payable (except as otherwise specified pursuant to Section 301 for the Securities of such series and except as provided in Sections 311(b) and 311(d), in which case the deposit to be made with respect to Securities for which an election has occurred pursuant to Section 311(b) or a Conversion Event has occurred as provided in Section 311(d), shall be made in the currency or currency unit in which such Securities are payable as a result of such election or Conversion Event) sufficient to pay and discharge the entire indebtedness on such Securities and coupons not theretofore delivered to the Trustee for the Securities of that series for cancellation for

principal (and premium, if any) and accrued and unpaid interest, if any, to the Stated Maturity or Redemption Date, as the case may be; (B) no Event of Default or event which with the giving of notice or the lapse of time, or both, would become an Event of Default shall have occurred and be continuing on the date of such deposit and no Event of Default under Section 501(4) or Section 501(5) shall have occurred and be continuing on the 123rd day after such date; (C) the Company has paid, or caused to be paid, all sums payable by it under this Indenture; and (D) the Company has delivered irrevocable instructions to the Trustee for the Securities of that series under this Indenture to apply the deposited money toward the payment of such Securities and coupons at the Stated Maturity or the Redemption Date, as the case may be. In addition, the Company must deliver an Officers' Certificate and an Opinion of Counsel to the Trustee for the Securities of that series stating that all conditions precedent to satisfaction and discharge have been satisfied.

6. *Survival of Certain Obligations.*

Notwithstanding the satisfaction and discharge of this Indenture and of the Securities of a particular series referred to in Sections 401, 402, 404, or 405, the respective obligations of the Company and the Trustee for the Securities of a particular series under Sections 303, 304, 305, 309, 407, 408, 409, 410, and 508, Article Six, and Sections 701, 702, 1002, 1003, 1004 and 1006, shall survive with respect to Securities of that series until the Securities of that series are no longer outstanding, and thereafter the obligations of the Company and the Trustee for the Securities of a particular series with respect to that series under Sections 407, 408, 409, and 410 shall survive. Nothing contained in this Article Four shall abrogate any of the obligations or duties of the Trustee of any series of Securities under this Indenture.

Notwithstanding the satisfaction of the conditions set forth in Sections 404 or 405 with respect to all the Securities of any series not payable in Dollars, upon the happening of any Conversion Event the Company shall be obligated to make the payments in Dollars required by Section 311(d) to the extent that the Trustee is unable to convert any Foreign Currency or currency unit or currency unit in its possession pursuant to Sections 404 or 405 into the Dollar equivalent of such Foreign Currency or currency unit, as the case may be. If, after the deposits referred to in Sections 404 or 405 have been made, (x) the Holder of a Security is entitled to, and does, elect pursuant to Section 311(b) to receive payment in a currency or currency unit other than that in which the deposit pursuant to Sections 404 or 405 was made, or (y) a Conversion Event occurs as contemplated in Section 311(d), then the indebtedness represented by such Security shall be fully discharged to the extent that the deposit made with respect to such Security shall be converted into the currency or currency unit in which such Security is payable. The Trustee shall return to the Company any non-converted funds or securities in its possession after such payments have been made.

7. *Acknowledgment of Discharge by Trustee.*

Subject to Section 410, after (i) the conditions of Section 404 or 405 have been satisfied with respect to the Securities of a particular series, (ii) the Company has paid or caused to be paid all other sums payable hereunder by the Company and (iii) the Company has delivered to the Trustee for the Securities of that series an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent referred to in clause (i) above relating to the satisfaction and discharge of this Indenture have been complied with, the Trustee for the Securities of that series upon written request shall acknowledge in writing the discharge of all of the Company's obligations under this Indenture except for those surviving obligations specified in this Article Four.

8. *Application of Trust Moneys.*

All money and Government Obligations deposited with the Trustee for the Securities of a particular series pursuant to Section 404 or 405 in respect of the Securities of that series shall be held in trust and applied by it, in accordance with the provisions of such Securities and this Indenture, to the payment, either directly or through any Paying Agent as the Trustee may determine, to the Holders of the Securities and all related coupons of all sums due and to become due thereon for principal (and premium, if any) and interest, if any, but such money need not be segregated from other funds except to the extent required by law.

The Company shall pay and indemnify the Trustee for the Securities of a particular series against any tax, fee or other charge imposed on or assessed against the Government Obligations deposited pursuant to Section 404 or 405 with respect to the Securities of that series or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of outstanding Securities of that series.

9. *Repayment to the Company; Unclaimed Money.*

The Trustee and any Paying Agent for a series of Securities shall promptly pay or return to the Company upon Company Order any cash or Government Obligations held by them at any time that are not required for the payment of the principal of (and premium, if any) and interest, if any, on the Securities and all related coupons for Securities of that series for which cash or Government Obligations have been deposited pursuant to Section 404 or 405.

Any money deposited with the Trustee or any Paying Agent for the Securities of any series, or then held by the Company, in trust for the payment of the principal of (and premium, if any) and interest, if any, on any Security of any particular series and all related coupons appertaining thereto and remaining unclaimed for two years after such principal (and premium, if any) and interest, if any, has become due and payable shall, unless otherwise required by mandatory provisions of applicable escheat, or abandoned or unclaimed property law, be paid to the Company on Company Request or (if then held by the Company) shall be discharged from such trusts; and the Holder of such Security and all related coupons shall, thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of such Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; *provided, however*, that such Trustee or such Paying Agent,

before being required to make any such repayment may give written notice to the Holder of such Security in the manner set forth in Section 106, that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will, unless otherwise required by mandatory provisions of applicable escheat, or abandoned or unclaimed property law, be repaid to the Company, as the case may be.

10. *Reinstatement.*

If the Trustee or Paying Agent for a series of Securities is unable to apply any cash or Government Obligations, as applicable, in accordance with Section 402, 403, 404 or 405 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under this Indenture and the Securities of that series shall be revived and reinstated as though no deposit had occurred pursuant to Section 402, 403, 404 or 405 until such time as the Trustee or Paying Agent for that series is permitted to apply all such cash or Government Obligations in accordance with Section 402, 403, 404 or 405; *provided, however*, that if the Company has made any payment of principal (and premium, if any) and interest, if any, on any Securities and any related coupons because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Securities and such coupons to receive such payment from the cash or Government Obligations, as applicable, held by such Trustee or Paying Agent.

V.

Remedies

1. *Events of Default.*

"Event of Default" wherever used herein with respect to any particular series of Securities means any one of the following events and such other events as may be established with respect to the Securities of such series as contemplated by Section 301 (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

1. default in the payment of any installment of interest upon any Security of that series and any related coupon when it becomes due and payable, and continuance of such default for a period of 30 days; or
2. default in the payment of the principal of (or premium, if any, on) any Security of that series at its Maturity or default in the deposit of any sinking fund payment when and as due by the terms of any Security of that series; or
3. default in the performance of, or breach of, any covenant or warranty of the Company in respect of any Security of that series contained in this Indenture or in such Securities (other than a covenant or warranty a default in whose performance or whose breach is elsewhere in this Section specifically dealt with) and continuance of such default or breach for a period of 60 days after there has been given, by registered or certified mail, to the Company by the Trustee for the Securities of such series or to the Company and such Trustee by the Holders of at least 25% in principal amount of the Outstanding Securities of that series a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; or
4. the Company shall commence any case or proceeding seeking to have an order for relief entered on its behalf as debtor or to adjudicate it as bankrupt or insolvent or seeking reorganization, liquidation, dissolution, winding-up, arrangement, composition or readjustment of its debts or any other relief under any bankruptcy, insolvency, reorganization, liquidation, dissolution, arrangement, composition, readjustment of debt or other similar act or law of any jurisdiction, domestic or foreign, now or hereafter existing; or the Company shall apply for a receiver, custodian or trustee (other than any trustee appointed as a mortgagee or secured party in connection with the issuance of indebtedness for borrowed money of the Company) of it or for all or a substantial part of its property; or the Company shall make a general assignment for the benefit of creditors; or the Company shall take any corporate action in furtherance of any of the foregoing; or

5. an involuntary case or other proceeding shall be commenced against the Company with respect to it or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect seeking the appointment of a trustee, receiver, liquidator, custodian or similar official of the Company or any substantial part of its property; and such case or other proceeding (A) results in the entry of an order for relief or a similar order against the Company or (B) shall continue unstayed and in effect for a period of 60 consecutive days; or
6. any other Event of Default provided in the Security or the Board Resolution with respect to Securities of that series.

2. *Acceleration of Maturity; Rescission and Annulment.*

If an Event of Default with respect to any particular series of Securities and any related coupons occurs and is continuing (other than an Event of Default described in Section 501(4) or 501(5) with respect to the Company), then and in every such case either the Trustee for the Securities of such series or the Holders of not less than 25% in principal amount of the Outstanding Securities of that series may declare the entire principal amount (or, in the case of (i) OID Securities, such lesser amount as may be provided for in the terms of that series or (ii) Indexed Securities, the amount determined in accordance with the specified terms of those Securities) of all the Securities of that series, to be due and payable immediately, by a notice in writing to the Company (and to such Trustee if given by Holders), and upon any such declaration of acceleration such principal or such lesser amount, as the case may be, together with accrued interest and all other amounts owing hereunder, shall become immediately due and payable, without presentment, demand, protest or notice of any kind, all of which are hereby expressly waived.

If any Event of Default specified in Section 501(4) or 501(5) occurs with respect to the Company, all of the unpaid principal amount (or, if the Securities of any series then outstanding are (i) OID Securities, such lesser amount as may be provided for in the terms of that series or (ii) Indexed Securities, the amount determined in accordance with the specified terms of those Securities) and accrued interest on all Securities of each series then outstanding shall *ipso facto* become and be immediately due and payable without any declaration or other act by the Trustee or any Holder.

At any time after such a declaration of acceleration has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee for the Securities of any series as hereinafter provided in this Article, the Holders of a majority in principal amount of the Outstanding Securities of that series, by written notice to the Company and such Trustee, may rescind and annul such declaration and its consequences if:

1. the Company has paid or deposited with such Trustee a sum sufficient to pay in the currency or currency unit in which the Securities of such series are payable (except as otherwise specified pursuant to Section 301 for the Securities of such series and except as provided in Sections 311(b) and 311(d)):
 - A. all overdue interest on all Securities of that series and any related coupons;
 - B. the principal of (and premium, if any, on) any Securities of that series which have become due otherwise than by such declaration of acceleration and interest thereon from the date such principal became due at a rate per annum equal to the rate borne by the Securities of such series

(or, in the case of (i) OID Securities, the Securities' Yield to Maturity or (ii) Indexed Securities, the rate determined in accordance with the specified terms of those Securities), to the extent that the payment of such interest shall be legally enforceable;

- C. to the extent that payment of such interest is lawful, interest upon overdue interest at a rate per annum equal to the rate borne by the Securities of such series (or, in the case of (i) OID Securities, the Securities' Yield to Maturity or (ii) Indexed Securities, the rate determined in accordance with the specified terms of those Securities); and

D. all sums paid or advanced by such Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of such Trustee, its agents and counsel and all other amounts due to such Trustee under Section 607;

and

2. all Events of Default with respect to the Securities of such series, other than the nonpayment of the principal of Securities of that series which has become due solely by such acceleration, have been cured or waived as provided in Section 513. No such rescission shall affect any subsequent default or impair any right consequent thereon.

3. *Collection of Indebtedness and Suits for Enforcement by Trustee.*

The Company covenants that if:

1. default is made in the payment of any interest upon any Security of any series and any related coupons when such interest becomes due and payable and such default continues for a period of 30 days; or
2. default is made in the payment of the principal of (or premium, if any, on) any Security of any series at its Maturity;

the Company will, upon demand of the Trustee for the Securities of such series, pay to the Trustee, for the benefit of the Holders of such Securities and coupons, the whole amount then due and payable on such Securities and coupons for principal (and premium if any) and interest, if any, with interest upon the overdue principal (and premium, if any) and, to the extent that payment of such interest shall be legally enforceable, upon any overdue installments of interest at a rate per annum equal to the rate borne by such Securities (or, in the case of (i) OID Securities, the Securities' Yield to Maturity or (ii) Indexed Securities, the rate determined in accordance with the specified terms of those Securities); and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of such Trustee, its agents and counsel and all other amounts due to such Trustee under Section 607.

If the Company fails to pay such amounts forthwith upon such demand, such Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding against the Company for the collection of the sums so due and unpaid, and may prosecute such proceedings to judgment or final decree, and may enforce the same against the Company or any other obligor upon the Securities of such series and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any other obligor upon the Securities of such series, wherever situated.

Page 51 of 94

If an Event of Default with respect to Securities of any particular series occurs and is continuing, the Trustee for the Securities of such series may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Securities of that series by such appropriate judicial proceedings as such Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

4. *Trustee May File Proofs of Claim.*

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relating to the Company or any other obligor upon the Securities of any series or the property of the Company or of such other obligor or their creditors, the Trustee for the Securities of such series (irrespective of whether the principal (or, if the Securities of such series are (i) OID Securities or (ii) Indexed Securities, such amount as may be due and payable with respect to such Securities pursuant to a declaration in accordance with Section 502) of any Security of such series shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether such Trustee shall have made any demand on the Company for the payment of overdue principal or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise

- i. to file and prove a claim for the whole amount of principal (or, if the Securities of such series are (i) OID Securities or (ii) Indexed Securities, such amount as may be due and payable with respect to such Securities pursuant to a declaration in accordance with Section 502) (and premium, if any) and interest, if any, owing and unpaid in respect of the Securities of such series and any related coupons and to file such other papers or documents as may be necessary or advisable in order to have the claims of such Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of such Trustee, its agents and counsel and all other amounts due to such Trustee under Section 607) and of the Holders of the Securities of such series and any related coupons allowed in such judicial proceeding; and
- ii. to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same;

and any receiver, assignee, trustee, liquidator, sequestrator (or other similar official) in any such judicial proceeding is hereby authorized by each Holder of Securities and coupons to make such payments to such Trustee, and in the event that such Trustee shall consent to the making of such payments directly to the Holders of Securities and coupons, to pay to such Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of such Trustee, its agents and counsel, and any other amounts due such Trustee under Section 607.

Nothing herein contained shall be deemed to authorize the Trustee for the Securities of any series to authorize or consent to or accept or adopt on behalf of any Holder of a Security or coupon any plan of reorganization, arrangement, adjustment or composition affecting the

Page 52 of 94

Securities of such series or the rights of any Holder thereof, or to authorize the Trustee for the Securities or coupons of any series to vote in respect of the claim of any Holder in any such proceeding for the election of a trustee in bankruptcy or other person performing similar functions.

5. *Trustee May Enforce Claims Without Possession of Securities or Coupons.*

All rights of action and claims under this Indenture or the Securities or coupons of any series may be prosecuted and enforced by the Trustee for the Securities of any series without the possession of any of the Securities or coupons of such series or the production thereof in any proceeding relating thereto, and any such proceeding instituted by such Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of such Trustee, its agents and counsel and all other amounts due to such Trustee under Section 607, be for the ratable benefit of the Holders of the Securities and coupons of such series in respect of which such judgment has been recovered.

6. *Application of Money Collected.*

Any money collected by the Trustee for the Securities of any series pursuant to this Article with respect to the Securities or coupons of such series shall be applied in the following order, at the date or dates fixed by such Trustee and, in case of the distribution of such money on account of principal (or premium, if any) or interest, if any, upon presentation of the Securities or coupons of such series, or both, as the case may be, and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

First: To the payment of all amounts due such Trustee under Section 607;

Second: To the payment of the amounts then due and unpaid upon the Securities and coupons of such series for principal of (and premium, if any) and interest, if any, on such Securities in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities and coupons for principal (and premium, if any) and interest, if any, respectively; and

Third: The balance, if any, to the Company.

7. *Limitation on Suits.*

No Holder of any Security of any particular series or any related coupons shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

1. an Event of Default with respect to that series shall have occurred and be continuing and such Holder shall have previously given written notice to the Trustee for the Securities of such series of such default and the continuance thereof;
2. the Holders of not less than 25% in principal amount of the Outstanding Securities of that series shall have made written request to the Trustee for the Securities of such series to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

Page 53 of 94

3. such Holder or Holders have offered to such Trustee indemnity reasonably satisfactory to the Trustee against the costs, expenses and liabilities to be incurred in compliance with such request;
4. such Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and
5. no direction inconsistent with such written request has been given to such Trustee during such 60-day period by the Holders of a majority in principal amount of the Outstanding Securities of that series;

it being understood and intended that no one or more Holders of Securities of that series shall have any right in any manner whatsoever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of Securities of that series, or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders of Securities of that series.

8. *Unconditional Right of Holders to Receive Principal (and Premium, if any) and Interest, if any.*

Notwithstanding any other provision in this Indenture, the Holder of any Security or coupon shall have the right which is absolute and unconditional to receive payment of the principal of (and premium, if any) and (subject to Section 307) interest, if any, on such Security on the respective Stated Maturities expressed in such Security or coupon (or, in the case of redemption, on the Redemption Date) and to institute suit for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder.

9. *Restoration of Rights and Remedies.*

If the Trustee for the Securities of any series or any Holder of a Security or coupon has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to such Trustee or to such Holder, then and in every such case the Company, such Trustee and the Holders of Securities or coupons shall, subject to any determination in such proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of such Trustee and such Holders shall continue as though no such proceeding had been instituted.

10. *Rights and Remedies Cumulative.*

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities or coupons in the last paragraph of Section 306, no right or remedy herein conferred upon or reserved to the Trustee for the Securities of any series or to the Holders of Securities or coupons is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Page 54 of 94

11. *Delay or Omission Not Waiver.*

No delay or omission of the Trustee for the Securities of any series or of any Holder of any Security of such series to exercise any right or remedy accruing upon any Event of Default with respect to the Securities of such series shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to such Trustee for the Securities or coupons of any series or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by such Trustee or by the Holders, as the case may be.

12. *Control by Holders.*

The Holders of a majority in principal amount of the Outstanding Securities of any particular series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee for the Securities of such series with respect to the Securities of that series or exercising any trust or power conferred on such Trustee with respect to such Securities, provided that:

1. such direction shall not be in conflict with any rule of law or with this Indenture and could not involve the Trustee in personal liability; and
2. such Trustee may take any other action deemed proper by such Trustee which is not inconsistent with such direction.

13. *Waiver of Past Defaults.*

The Holders of not less than a majority in principal amount of the Outstanding Securities of any particular series and any related coupons may on behalf of the Holders of all the Securities of that series waive any past default hereunder with respect to that series and its consequences, except:

1. a default in the payment of the principal of (or premium, if any) or interest, if any, on any Security of that series; or
2. a default with respect to a covenant or provision hereof which under Article Nine cannot be modified or amended without the consent of the Holder of each Outstanding Security of that series affected.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

14. *Undertaking for Costs.*

All parties to this Indenture agree, and each Holder of any Security or coupon by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for the Securities or coupons of any series for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but

Page 55 of 94

the provisions of this Section shall not apply to any suit instituted by the Trustee for the Securities of any series, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the Outstanding Securities of any particular series or to any suit instituted by any Holder of any Security or coupon for the enforcement of the payment of the principal of (or premium, if any) or interest, if any, on any Security of such series or the payment of any coupon on or after the respective Stated Maturities expressed in such Security or coupon (or, in the case of redemption, on or after the Redemption Date).

15. *Waiver of Stay or Extension Laws.*

The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of

any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee for any series of Securities, but will suffer and permit the execution of every such power as though no such law had been enacted.

16. *Judgment Currency.*

If, for the purpose of obtaining a judgment in any court with respect to any obligation of the Company hereunder or under any Security or any related coupon, it shall become necessary to convert into any other currency or currency unit any amount in the currency or currency unit due hereunder or under such Security or coupon, then such conversion shall be made by the Currency Determination Agent at the Market Exchange Rate as in effect on the date of entry of the judgment (the "Judgment Date"). If pursuant to any such judgment, conversion shall be made on a date (the "Substitute Date") other than the Judgment Date and there shall occur a change between the Market Exchange Rate as in effect on the Judgment Date and the Market Exchange Rate as in effect on the Substitute Date, the Company agrees to pay such additional amounts, if any, as may be necessary to ensure that the amount paid is equal to the amount in such other currency or currency unit which, when converted at the Market Exchange Rate as in effect on the Judgment Date, is the amount due hereunder or under such Security or coupon. Any amount due from the Company under this Section 516 shall be due as a separate debt and is not to be affected by or merged into any judgment being obtained for any other sums due hereunder or in respect of any Security or coupon. In no event, however, shall the Company be required to pay more in the currency or currency unit due hereunder or under such Security or coupon at the Market Exchange Rate as in effect on the Judgment Date than the amount of currency or currency unit stated to be due hereunder or under such Security or coupon so that in any event the Company's obligations hereunder or under such Security or coupon will be effectively maintained as obligations in such currency or currency unit, and the Company shall be entitled to withhold (or be reimbursed for, as the case may be) any excess of the amount actually realized upon any such conversion on the Substitute Date over the amount due and payable on the Judgment Date.

VI.

The Trustee

1. *Certain Duties and Responsibilities.*

- a. Except during the continuance of an Event of Default with respect to the Securities of any series for which the Trustee is serving as such,

Page 56 of 94

1. such Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against such Trustee; and
2. in the absence of bad faith on its part, such Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to such Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provisions hereof are specifically required to be furnished to such Trustee, such Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture.
- b. In case an Event of Default with respect to a series of Securities has occurred and is continuing, the Trustee for the Securities of such series shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.
- c. No provision of this Indenture shall be construed to relieve the Trustee for Securities of any series from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:
 1. this Subsection shall not be construed to limit the effect of Subsection (a) of this Section;
 2. such Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;
 3. such Trustee shall not be liable with respect to any action taken, suffered or omitted to be taken by it in good faith in accordance with the direction of the Holders of a majority in principal amount of the Outstanding Securities of any particular series, determined as provided in Section 512, relating to the time, method and place of conducting any proceeding for any remedy available to such Trustee, or exercising any trust or power conferred upon such Trustee, under this Indenture with respect to the Securities of that series; and
 4. no provision of this Indenture shall require the Trustee for any series of Securities to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.
- d. Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee for any series of Securities shall be subject to the provisions of this Section.

2. *Notice of Defaults.*

Within 90 days after the occurrence of any default hereunder with respect to Securities of any particular series, the Trustee for the Securities of such series shall give to Holders of Securities of that series, in the manner set forth in Section 106, notice of such default known to such Trustee, unless such default shall have been cured or waived; *provided, however*, that, except in the case of a default in the payment of the principal of (or premium, if any) or interest, if any, on any Security of that series, or in the deposit of any sinking fund payment with respect to Securities of that series, such Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee or a trust committee of directors and/or Responsible Officers of such Trustee in good faith

Page 57 of 94

determines that the withholding of such notice is in the interest of the Holders of Securities of that series and related coupons. For the purpose of this Section, the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to Securities of that series.

3. *Certain Rights of Trustee.*

Except as otherwise provided in Section 601:

- a. the Trustee for any series of Securities may conclusively rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, discretion, consent, order, bond, debenture or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;
- b. any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company Request or Company Order (other than delivery of any Security, together with any coupons appertaining thereto, to the Trustee for authentication and delivery pursuant to Section 303 which shall be sufficiently evidenced as provided therein) and any resolution of the Board of Directors of the Company may be sufficiently evidenced by a Board Resolution;
- c. whenever in the administration of this Indenture such Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, such Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officers' Certificate;
- d. such Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;
- e. such Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any

of the Holders of Securities of any series pursuant to this Indenture for which it is acting as Trustee, unless such Holders shall have offered to such Trustee security or indemnity reasonably satisfactory to the Trustee against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

- f. such Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, discretion, consent, order, bond, debenture or other paper or document, but such Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters at it may see fit, and, if such Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney at the sole cost of the Company;
- g. the Trustee may employ or retain such counsel, accountants, appraisers or other experts or advisers as it may reasonably require for the purpose of determining and discharging its rights and duties hereunder and shall not be responsible for any misconduct on the part of any of them;
- h. the Trustee shall not be liable for any action taken, suffered, or omitted to be taken by it in good faith and reasonably believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture;
- i. the Trustee shall not be deemed to have notice of any default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Securities and this Indenture;

Page 58 of 94

- j. the rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder; and
- k. the Trustee may request that the Company deliver an Officers' Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded;

4. *Not Responsible for Recitals or Issuance of Securities.*

The recitals contained herein and in the Securities, except the Trustee's certificates of authentication thereof and in any coupons shall be taken as the statements of the Company, as the case may be, and neither the Trustee for any series of Securities, nor any Authenticating Agent assumes any responsibility for their correctness. The Trustee for any series of Securities makes no representations as to the validity or sufficiency of this Indenture or of the Securities of any series or coupons, except that the Trustee represents that it is duly authorized to execute and deliver this Indenture, authenticate the Securities, and perform its obligations hereunder and that the statements made by it in a Statement of Eligibility on Form T-1 supplied to the Company are true and correct, subject to the qualifications set forth therein. Neither the Trustee for any series of Securities nor any Authenticating Agent shall be accountable for the use or application by the Company of Securities or the proceeds thereof.

5. *May Hold Securities.*

The Trustee for any series of Securities, any Authenticating Agent, Paying Agent, Security Registrar or any other agent of the Company, or such Trustee, in its individual or any other capacity, may become the owner or pledgee of Securities and, subject to Sections 608 and 613, may otherwise deal with the Company with the same rights it would have if it were not such Trustee, Authenticating Agent, Paying Agent, Security Registrar or such other agent.

6. *Money Held in Trust.*

Money held by the Trustee for any series of Securities in trust hereunder need not be segregated from other funds except as provided in Section 115 and except to the extent required by law. The Trustee for any series of Securities shall be under no liability for interest on any money received by it hereunder except as otherwise agreed with the Company in writing, as the case may be.

7. *Compensation and Reimbursement.*

The Company agrees:

- 1. to pay to the Trustee for any series of Securities as the Company and the Trustee shall agree in writing from time to time such compensation in Dollars

Page 59 of 94

for all services rendered by it hereunder as shall be agreed upon in writing from time to time (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

- 2. except as otherwise expressly provided herein, to reimburse the Trustee for any series of Securities in Dollars upon its request for all reasonable expenses, disbursements and advances incurred or made by such Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its negligence or bad faith; and
- 3. to indemnify such Trustee and its agents in Dollars for, and to hold them harmless against, any loss, damage, claims, liability or expense incurred without negligence or bad faith on their part, arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of defending themselves against any claim, whether asserted by the Company or any Holder or any other Person, or liability in connection with the exercise or performance of any of their powers or duties hereunder.

As security for the performance of the obligations of the Company under this Section, the Trustee for any series of Securities shall have a lien prior to the Securities upon all property and funds held or collected by such Trustee as such, except funds held in trust for the payment of principal of (and premium, if any) or interest, if any, on particular Securities.

When the Trustee incurs expenses or renders services in connection with an Event of Default specified in Section 501(4) or Section 501(5), the expenses (including the reasonable charges and expenses of its counsel) and the compensation for the services are intended to constitute expenses of administration under any applicable Federal or state bankruptcy, insolvency or other similar law.

8. *Disqualification; Conflicting Interests.*

The Trustee for the Securities shall be subject to the provisions of Section 310(b) of the Trust Indenture Act during the period of time required thereby. Nothing herein shall prevent the Trustee from filing with the Commission the application referred to in the penultimate paragraph of Section 310(b) of the Trust Indenture Act. In determining whether the Trustee has a conflicting interest as defined in Section 310(b) of the Trust Indenture Act with respect to the Securities of any series, there shall be excluded Securities of any particular series of Securities other than that series.

9. *Corporate Trustee Required; Different Trustees for Different Series; Eligibility.*

There shall at all times be a Trustee hereunder which shall be

- i. a corporation or banking company organized and doing business under the laws of the United States of America, any state thereof, or the District of Columbia, authorized under such laws to exercise corporate trust powers, and subject to supervision or examination by Federal or State authority, or

pursuant to a rule, regulation, or other order of the Commission, authorized under such laws to exercise corporate trust powers, and subject to supervision or examination by authority of such foreign government or a political subdivision thereof substantially equivalent to supervision or examination applicable to United States institutional trustee, having a combined capital and surplus of at least \$50,000,000. If such corporation publishes reports of condition at least annually, pursuant to law or to requirements of the aforesaid supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. Neither the Company nor any Person directly or indirectly controlling, controlled by, or under the common control of the Company shall serve as Trustee for the Securities. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereunder specified in this Article.

10. *Resignation and Removal; Appointment of Successor.*

- a. No resignation or removal of the Trustee for the Securities of any series and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of Section 611.
- b. The Trustee for the Securities of any series may resign at any time with respect to the Securities of such series by giving written notice thereof to the Company. If the instrument of acceptance by a successor Trustee required by Section 611 shall not have been delivered to the Trustee for the Securities of such series within 60 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.
- c. The Trustee for the Securities of any series may be removed at any time with respect to the Securities of such series by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series, delivered to such Trustee and to the Company.
- d. If at any time:
 1. the Trustee for the Securities of any series shall fail to comply with Section 310(b) of the Trust Indenture Act pursuant to Section 608 hereof after written request therefor by the Company or by any Holder who has been a bona fide Holder of a Security of such series for at least six months, unless the Trustee's duty to resign is stayed in accordance with the provisions of Section 310(b) of the Trust Indenture Act, or
 2. such Trustee shall cease to be eligible under Section 609 and shall fail to resign after written request therefor by the Company or by any such Holder, or
 3. such Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of such Trustee or of its property shall be appointed or any public officer shall take charge or control of such Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,then, in any such case, (i) the Company by a Board Resolution may remove such Trustee and appoint a successor Trustee or (ii) subject to Section 514, any Holder who has been a bona fide Holder of a Security of such series for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of such Trustee and the appointment of a successor Trustee.

- e. If the Trustee for the Securities of any series shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for the Securities of any series for any cause, the Company, by a Board Resolution, shall promptly appoint a successor Trustee with respect to the Securities of such series and shall comply with the applicable requirements of Section 611. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee with respect to the Securities of such series shall have not been appointed by the Company pursuant to this Section 610, then a successor Trustee may be appointed by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series delivered to the Company and the retiring Trustee. If no successor Trustee for the Securities of such series shall have been so appointed by the Company or the Holders and shall have accepted appointment in the manner required by Section 611, and if such Trustee to be replaced is still incapable of acting, any Holder who has been a bona fide Holder of a Security of such series for at least six months, on behalf of himself and all others similarly situated, or the retiring Trustee, may petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.
- f. The Company shall give notice of each resignation and each removal of the Trustee with respect to the Securities of any series and each appointment of a successor Trustee with respect to the Securities of any series in the manner and to the extent provided in Section 106. Each notice shall include the name of the successor Trustee with respect to the Securities of that series and the address of its Corporate Trust Office.

11. *Acceptance of Appointment by Successor.*

- a. Every such successor Trustee appointed hereunder with respect to the Securities of any series shall execute, acknowledge and deliver to the Company and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on the request of the Company or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder.
- b. In case of the appointment hereunder of a successor Trustee with respect to the Securities of one or more (but not all) series, the Company, the retiring Trustee and each successor Trustee with respect to the Securities of one or more series shall execute and deliver an indenture supplemental hereto wherein each successor Trustee shall accept such appointment and which (1) shall contain such provisions as shall be necessary or desirable to transfer and confirm to, and to vest in, each successor Trustee all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates, (2) if the retiring Trustee is not retiring with respect to all Securities, shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series as to which the retiring Trustee is not retiring shall

continue to be vested in the retiring Trustee and (3) shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such Trustees co-trustees of the same trust and each such Trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Trustee; and upon the execution and delivery of such supplemental indenture the resignation or removal of the retiring Trustee shall become effective to the extent provided therein and

each such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates; but, on request of the Company or any successor Trustee, such retiring Trustee shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder with respect to the Securities of that or those series to which the appointment of such successor Trustee relates.

- c. Upon request of any such successor Trustee, the Company shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts referred to in Subsections (a) or (b) of this Section, as the case may be.
- d. No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee for the Securities of any series shall be qualified and eligible under this Article.

12. *Merger, Conversion, Consolidation or Succession to Business.*

Any corporation into which the Trustee for the Securities of any series may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which such Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of such Trustee, shall be the successor of such Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Securities shall have been authenticated, but not delivered, by the Trustee or the Authenticating Agent for such series then in office, any successor by merger, conversion or consolidation to such authenticating Trustee or Authenticating Agent, as the case may be, may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee or successor Authenticating Agent had itself authenticated such Securities.

13. *Preferential Collection of Claims Against Company.*

The Trustee is subject to Section 311(a) of the Trust Indenture Act, excluding any creditor relationship listed in Section 311(b) of the Trust Indenture Act. A Trustee who has resigned or been removed shall be subject to Section 311(a) of the Trust Indenture Act to the extent indicated.

14. *Authenticating Agents.*

At any time when any of the Securities of any series remain Outstanding, the Trustee for the Securities of such series may, subject to its sole discretion, appoint one or more Authenticating Agents with respect to the Securities of such series, which may include the Company or any

Affiliate of the Company, with power to act on the Trustee's behalf and subject to its discretion in the authentication and delivery of Securities of such series in connection with transfers and exchanges under Sections 304, 305 and 1107 as fully to all intents and purposes as though such Authenticating Agent had been expressly authorized by those Sections of this Indenture to authenticate and deliver Securities of such series. For all purposes of this Indenture, the authentication and delivery of Securities of such series by an Authenticating Agent for such Securities pursuant to this Section shall be deemed to be authentication and delivery of such Securities "by the Trustee" for the Securities of such series. Any such Authenticating Agent shall at all times be a corporation organized and doing business under the laws of the United States or of any State, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least \$50,000,000 and subject to supervision or examination by Federal or State authority. If such Authenticating Agent publishes reports of condition at least annually pursuant to law or the requirements of such supervising or examining authority, then for the purposes of this Section the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time an Authenticating Agent for any series of Securities shall cease to be eligible in accordance with the provisions of this Section, such Authenticating Agent shall resign immediately in the manner and with the effect specified in this Section.

Any corporation into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party, or any corporation succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, if such successor corporation is otherwise eligible under this Section, without the execution or filing of any paper or any further act on the part of the parties hereto or the Authenticating Agent or such successor corporation.

Any Authenticating Agent for any series of Securities may resign at any time by giving written notice of resignation to the Trustee for such series and to the Company. The Trustee for any series of Securities may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and to the Company in the manner set forth in Section 105. Upon receiving such a notice of resignation or upon such a termination, or in case at any time any Authenticating Agent for any series of Securities shall cease to be eligible under this Section, the Trustee for such series may appoint a successor Authenticating Agent, shall give written notice of such appointment to the Company and shall give written notice of such appointment to all Holders of Securities of such series in the manner set forth in Section 106. Any successor Authenticating Agent, upon acceptance of its appointment hereunder, shall become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an Authenticating Agent. No successor Authenticating Agent shall be appointed unless eligible under the provisions of this Section.

If an appointment with respect to one or more series of Securities is made pursuant to this Section, the Securities of such series may have endorsed thereon, in addition to the Trustee's certification of authentication, an alternate certificate of authentication in the following form:

"This is one of the Securities of the series designated therein described in the within-mentioned Indenture.

The Bank of New York, as Trustee

Holders' Lists and Reports by Trustee and the Company.

1. *Company to Furnish Trustee Names and Addresses of Holders.*

With respect to each particular series of Securities, the Company will furnish or cause to be furnished to the Trustee for the Securities of such series,

- a. semi-annually, not more than 15 days after each Regular Record Date relating to Securities of each series at the time Outstanding (or, if there is no Regular Record Date relating to that series, on June 30 and December 31), a list, in such form as such Trustee may reasonably require, containing all the information in the possession or control of the Company or any of its Paying Agents other than such Trustee as to the names and addresses of the Holders of that series as of such dates,
- b. on semi-annual dates on each year to be determined pursuant to Section 301 if the Securities of such series do not bear interest, a list of similar form and content, and
- c. at such other times as such Trustee may request in writing, within 30 days after the receipt by the Company of any such request, a list of similar form and content as of a date not more than 15 days prior to the time such list is furnished,

excluding from any such list names and addresses received by such Trustee in its capacity as Security Registrar for the Securities of such series, if so acting.

2. *Preservation of Information; Communications to Holders.*

- a. The Trustee for each series of Securities shall preserve, in as current a form as is reasonably practicable, the names and addresses of Holders of the Securities of such series contained in the most recent lists furnished to such Trustee as provided in Section 701 and the names and addresses of Holders of the Securities of such series received by such Trustee in its capacity as Security Registrar for such series, if so acting.

The Trustee for each series of Securities may destroy any list relating to such series of Securities furnished to it as provided in Section 701 upon receipt of a new list relating to such series so furnished.

- b. If three or more Holders of Securities of any particular series (hereinafter referred to as “applicants”) apply in writing to the Trustee for the Securities of any such series, and furnish to such Trustee reasonable proof that each such applicant has owned a Security of that series for a period of at least six months preceding the date of such application, and such application states that the applicants desire to communicate with other Holders of Securities of that series with respect to their rights under this Indenture or under the Securities of that series and is accompanied by a copy of the form of proxy or other communication which such applicants propose to transmit, then such Trustee shall, within five Business Days after the receipt of such application, at its election, either
- i. afford such applicants access to the information preserved at the time by such Trustee in accordance with Section 702(a), or
 - ii. inform such applicants as to the approximate number of Holders of Securities of that series whose names and addresses appear in the information preserved at the time by such Trustee in accordance with Section 702(a), and as to the approximate cost of mailing to such Holders the form of proxy or other communication, if any, specified in such application.

Page 65 of 94

If any such Trustee shall elect not to afford such applicants access to that information, such Trustee shall, upon the written request of such applicants, mail to each Holder of Securities of that series whose name and address appears in the information preserved at the time by such Trustee in accordance with Section 702(a), a copy of the form of proxy or other communication which is specified in such request, with reasonable promptness after a tender to such Trustee of the material to be mailed and of payment, or provision for the payment, of the reasonable expenses of mailing, unless within five days after such tender, such Trustee shall mail to such applicants and file with the Commission, together with a copy of the material to be mailed, a written statement to the effect that, in the opinion of such Trustee, such mailing would be contrary to the best interests of the Holders of Securities of that series or would be in violation of applicable law. Such written statement shall specify the basis of such opinion. If the Commission, after opportunity for a hearing upon the objections specified in the written statement so filed, shall enter an order refusing to sustain any of such objections or if, after the entry of an order sustaining one or more of such objections, the Commission shall find, after notice and opportunity for hearing, that all the objections so sustained have been met and shall enter an order so declaring, such Trustee shall mail copies of such material to all such Holders with reasonable promptness after the entry of such order and the renewal of such tender; otherwise such Trustee shall be relieved of any obligation or duty to such applicants respecting their application.

- c. Every Holder of Securities of each series or coupons, by receiving and holding the same, agrees with the Company and the Trustee for the Securities of such series that neither the Company nor such Trustee, nor any agent of either of them shall be held accountable by reason of the disclosure of any such information as to the names and addresses of the Holders of the Securities of such series in accordance with Section 702(b), regardless of the source from which such information was derived, and that the Trustee shall not be held accountable by reason of mailing any material pursuant to a request made under Section 702(b).

3. *Reports by Trustee.*

- a. Within 60 days after March 15 of each year, the Trustee for the Securities of each series shall mail to each Holder of the Securities of such series entitled to receive reports pursuant to Section 704(3), a brief report dated as of such date that complies with Section 313(a) of the Trust Indenture Act. The Trustee for the Securities of each series shall also comply with Sections 313(b), 313(c) and 313(d) of the Trust Indenture Act.
- b. At the time that the Trustee for the Securities of each series mails such a report to the Holders of Securities of such series, each such Trustee shall file a copy of that report with the Commission and with each stock exchange on which the Securities of that series are listed. The Company shall provide notice to the appropriate Trustee when the Securities of any series are listed on any stock exchange.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee’s receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company’s compliance with any of its covenants hereunder (as to which the Trustee, subject to Section 601 hereof, is entitled to rely exclusively on Officers’ Certificates).

VIII.

1. *Supplemental Indentures Without Consent of Holders.*

Without the consent of any Holders of Securities or coupons, the Company, when authorized by a Board Resolution, at any time and from time to time, may enter into one or more indentures supplemental hereto, in form satisfactory to such Trustee, for any of the following purposes:

7. to change or eliminate any of the provisions of this Indenture, *provided, however*, that any such change or elimination shall become effective only when there is no Security Outstanding of any series created prior to the execution of such supplemental indenture which is entitled to the benefit of such provision; or
8. to evidence and provide for the acceptance of appointment hereunder of a Trustee other than The Bank of New York as Trustee for a series of Securities and to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, pursuant to the requirements of Section 609; or

2. *Supplemental Indentures With Consent of Holders.*

The Company, when authorized by a Board Resolution, may enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of modifying in any manner the rights of the Holders of such Securities and any related coupons under this Indenture, but only with the consent of the Holders of more than 50% in aggregate principal amount of the Outstanding Securities of each series of Securities then Outstanding affected thereby, in each case by Act of said Holders of Securities of each such series delivered to the Company and the Trustee for Securities of each such series; *provided, however*, that no such supplemental indenture shall, without the consent of the Holder of each Outstanding Security affected thereby:

3. modify any of the provisions of this Section or Section 513 or 1009, except to increase any such percentage or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Security affected thereby; *provided, however*, that this clause shall not be deemed to require the consent of any Holder of a Security or coupon with respect to changes in the references to "the Trustee" and concomitant changes in this Section and Section 1009, or the deletion of this proviso, in accordance with the requirements of Sections 609, 611(b), 901(8) and 901(9).

A supplemental indenture which changes or eliminates any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular series of Securities, or which modifies the rights of the Holders of Securities of such series with respect to such covenant or other provision, shall be deemed not to affect the rights under this Indenture of the Holders of Securities of any other series.

Page 70 of 94

It shall not be necessary for any Act of Holders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

3. *Execution of Supplemental Indentures.*

In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article or the modifications thereby of the trusts created by this Indenture, the Trustee for any series of Securities shall be entitled to receive, and (subject to Section 601) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture. If the Company shall so determine, new Securities of any series and any related coupons so modified as to conform, in the opinion the Board of Directors of the Company, to any such supplemental indenture may be prepared and executed by the Company and such Securities may be authenticated and delivered by such Trustee in exchange for Outstanding Securities of such series and any related coupons.

X.

Covenants

1. *Payment of Principal (and Premium, if any) and Interest, if any.*

The Company agrees, for the benefit of each particular series of Securities, that it will duly and punctually pay in the currency or currency unit in which the Securities of such series are payable (except as otherwise specified pursuant to Section 301 for the Securities of such series and except as provided in Sections 311(b) and 311(d)) the principal of (and premium, if any) and interest, if any, on that series of Securities in accordance with the terms of the Securities of such series, any coupons appertaining thereto and this Indenture. Unless otherwise specified as contemplated by Section 301 with respect to any series of Securities,

Page 71 of 94

any interest due on Bearer Securities on or before Maturity shall be payable only upon presentation and surrender of the several coupons for such interest installments as are evidenced thereby as they severally mature. The interest, if any, due in respect of any temporary or permanent Global Security, together with any additional amounts payable in respect thereof, as provided in the terms and conditions of such Security, shall be payable, subject to the conditions set forth in Section 1009, only upon presentation of such Security to the Trustee thereof for notation thereon of the payment of such interest.

2. *Maintenance of Office or Agency.*

If Securities of a series are issuable only as Registered Securities the Company will maintain in each Place of Payment for that series an office or agency where Securities of that series may be presented or surrendered for payment, an office or agency where Securities of that series may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Company with respect to the Securities of that series and this Indenture may be served. If Securities of a series are issuable as Bearer Securities, the Company will maintain (A) an office or agency (which may be the same office or agency) in a Place of Payment for that series in the United States where any Registered Securities of that series may be presented or surrendered for payment, where any Registered Securities of that series may be surrendered for registration of transfer, where Securities of that series may be surrendered for exchange, where notices and demands to or upon the Company in respect of the Securities of that series and this Indenture may be served and where Bearer Securities of that series and related coupons may be presented or surrendered for payment in the circumstances described in the following paragraph (and not otherwise), (B) subject to any laws or regulations applicable thereto, in a Place of Payment for that series which is located outside the United States, an office or agency where Securities of that series and related coupons may be

presented and surrendered for payment; *provided, however*, that if the Securities of that series are listed on the Stock Exchange or any other stock exchange located outside the United States and such stock exchange shall so require, the Company will maintain a Paying Agent for the Securities of that series in Luxembourg or any other required city located outside the United States, as the case may be, so long as the Securities of that series are listed on such exchange, and (C) subject to any laws or regulations applicable thereto, in a Place of Payment for that series located outside the United States an office or agency where any Registered Securities of that series may be surrendered for registration of transfer, where Securities of that series may be surrendered for exchange and where notices and demands to or upon the Company in respect of the Securities of that series and this Indenture may be served. The Company will give prompt written notice to the Trustee for the Securities of that series of the location, and any change in the location, of any such office or agency. If at any time the Company shall fail to maintain any such required office or agency in respect of any series of Securities or shall fail to furnish the Trustee for the Securities of that series with the address thereof, such presentations (to the extent permitted by law), and surrenders of Securities of that series may be made and notices and demands may be made or served at the Corporate Trust Office of such Trustee, except that Bearer Securities of that series and the related coupons may be presented and surrendered for payment at the offices specified in the Security, and the Company hereby appoints the same as its agent to receive such presentations, surrenders, notices and demands.

Unless otherwise specified with respect to any Securities pursuant to Section 301, no payment of principal (and premium, if any) or interest, if any, on Bearer Securities shall be made at any office or agency of the Company in the United States or by check mailed to any

Page 72 of 94

address in the United States or by transfer to an account maintained with a bank located in the United States. Payments will not be made in respect of Bearer Securities or coupons appertaining thereto pursuant to presentation to the Company, or its designated Paying Agents within the United States. Notwithstanding the foregoing, payment of principal of (and premium, if any) and interest, if any, on any Bearer Security denominated and payable in Dollars will be made at the office of the Company's Paying Agent in the United States, if, and only if, payment in Dollars of the full amount of such principal, premium or interest, as the case may be, at all offices or agencies outside the United States maintained for that purpose by the Company in accordance with this Indenture is illegal or effectively precluded by exchange controls or other similar restrictions and the Company has delivered to the Trustee an Opinion of Counsel to that effect.

The Company may also from time to time designate one or more other offices or agencies (in or outside the Place of Payment) where the Securities of one or more series may be presented or surrendered for any or all of the purposes specified above in this Section and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in each Place of Payment for such purpose. The Company will give prompt written notice to the Trustee for the Securities of each series so affected of any such designation or rescission and of any change in the location of any such office or agency. Unless otherwise specified with respect to any Securities pursuant to Section 301 with respect to a series of Securities, the Company hereby designates as a Place of Payment for each series of Securities the office or agency of the Company in the Borough of Manhattan, the City of New York, and initially appoints the Trustee at its Corporate Trust Office as Paying Agent in such city and as its agent to receive all such presentations, surrenders, notices and demands.

Unless otherwise specified with respect to any Securities pursuant to Section 301, if and so long as the Securities of any series (i) are denominated in a currency other than Dollars or (ii) may be payable in a currency other than Dollars, or so long as it is required under any other provision of the Indenture, then the Company will maintain with respect to each such series of Securities, or as so required, a Currency Determination Agent.

3. *Money for Securities Payments To Be Held in Trust.*

If the Company shall at any time act as its own Paying Agent with respect to any particular series of Securities and any related coupons, it will, on or before each due date of the principal of (and premium, if any) or interest, if any, on any of the Securities of that series, segregate and hold in trust for the benefit of the Persons entitled thereto a sum in the currency or currency unit in which the Securities of such series are payable (except as otherwise specified pursuant to Section 301 for the Securities of such series and except as provided in Sections 311(b) and 311(d)) sufficient to pay the principal (and premium, if any) and interest, if any, so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided, and will promptly notify the Trustee for the Securities of such series of its action or failure so to act.

Whenever the Company shall have one or more Paying Agents for any particular series of Securities and any related coupons, it will, prior to each due date of the principal of (and premium, if any) or interest, if any, on any such Securities, deposit with a Paying Agent for the Securities of such series a sum (in the currency or currency unit described in the preceding paragraph) sufficient to pay the principal (and premium, if any) and interest, if

Page 73 of 94

any, so becoming due, such sum to be held in trust for the benefit of the Persons entitled thereto, and (unless such Paying Agent is the Trustee for the Securities of such series) the Company will promptly notify such Trustee of its action or failure so to act.

The Company will cause each Paying Agent for any particular series of Securities other than the Trustee for the Securities of such series to execute and deliver to such Trustee an instrument in which such Paying Agent shall agree with such Trustee, subject to the provisions of this Section, that such Paying Agent will:

1. hold all sums held by it for the payment of the principal of (and premium, if any) or interest, if any, on Securities of that series in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided;
2. give such Trustee notice of any default by the Company (or any other obligor upon the Securities) in the making of any payment of principal (or premium, if any) and interest, if any, on Securities of that series; and
3. at any time during the continuation of any such default, upon the written request of such Trustee, forthwith pay to such Trustee all sums so held in trust by such Paying Agent.

The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee for the Securities of any series all sums held in trust by the Company or such Paying Agent, such sums to be held by such Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent; and, upon such payment by any Paying Agent to such Trustee, such Paying Agent shall be released from all further liability with respect to such money.

4. [Intentionally Omitted]

5. *Statements as to Compliance.*

The Company will deliver to the Trustee for each series of Securities, within 120 days after the end of each fiscal year, a written statement signed by the principal executive officer, principal financial officer or principal accounting officer of the Company stating that:

1. a review of the activities of the Company during such year and of performance under this Indenture has been made under his supervision; and
2. to the best of his knowledge, based on such review, the Company is in compliance with all conditions and covenants under this Indenture.

For purposes of this Section, such compliance shall be determined without regard to any period of grace or requirement of notice provided under this Indenture.

6. *Corporate Existence.*

Subject to Article Eight, the Company will do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence, rights (charter and statutory) and franchises; *provided, however*, that the Company shall not be required to preserve any right or franchise if the Board of Directors of the Company shall determine that the preservation thereof is no longer necessary or desirable in the conduct of the business of the Company.

Page 74 of 94

7. [Intentionally Omitted]

8. *Waiver of Certain Covenants.*

The Company may omit in any particular instance to comply with any covenant or condition set forth in Sections 1005 and 1006 (and any other covenant or condition in addition to those set forth herein applicable to Securities of any series pursuant to Section 301 hereof), if before or after the time for such compliance the Holders of more than 50% in principal amount of the Outstanding Securities of each series of Securities affected by the omission shall, in each case by Act of such Holders, either waive such compliance in such instance or generally waive compliance with such covenant or condition, but no such waiver shall extend to or affect such covenant or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company and the duties of the Trustee for the Securities of each series with respect to any such covenant or condition shall remain in full force and effect.

9. *Payment of Additional Amounts.*

If specified pursuant to Section 301, the provisions of this Section 1009 shall be applicable to Securities of any series.

The Company will, subject to the exceptions and limitations set forth below, pay to the Holder of any Security or coupon who is a United States Alien such additional amounts as may be necessary so that every net payment on such Security or coupon, after deduction or withholding by the Company or any of its Paying Agents for or on account of any present or future tax, assessment or other governmental charge imposed upon or as a result of such payment by the United States (or any political subdivision or taxing authority thereof or therein), will not be less than the amount provided in such Security or in such coupon to be then due and payable. However, the Company will not be required to make any payment of additional amounts for or on account of:

- a. any tax, assessment or other governmental charge that would not have been so imposed but for (i) the existence of any present or former connection between such Holder or the beneficial owner of such Security or coupon (or between a fiduciary, settler or beneficiary of, or a person holding a power over, such Holder or such beneficial owner, if such Holder or such beneficial owner is an estate or trust, or a member or shareholder of such Holder or such beneficial owner, if such Holder or such beneficial owner is a partnership or corporation) and the United States, including, without limitation, such Holder or such beneficial owner (or such fiduciary, settler, beneficiary, person holding a power, member or shareholder) being or having been a citizen, resident or treated as a resident thereof or being or having been engaged in trade or business or present therein or having or having had a permanent establishment therein, or (ii) such Holder's or such beneficial owner's present or former status as a personal holding company, foreign personal holding company, controlled foreign corporation or passive foreign investment company with respect to the United States or as a corporation that accumulates earnings to avoid United States federal income tax;
- b. any tax, assessment or other governmental charge which would not have been so imposed but for the presentation by the Holder of such Security or coupon for payment on a date more than 10 days after the date on which such payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later;

Page 75 of 94

- c. any estate, inheritance, gift, sales, transfer, personal property tax or any similar tax, assessment or other governmental charge;
- d. any tax, assessment or other governmental charge required to be withheld by any Paying Agent from any payment in respect of any Security or coupon, if such payment can be made without such withholding by at least one other Paying Agent;
- e. any tax, assessment or other governmental charge which is payable otherwise than by withholding from payments in respect of such Security or coupon;
- f. any tax, assessment or other governmental charge imposed on a Holder or beneficial owner of a Security or coupon that (i) actually or constructively owns 10 percent or more of the total combined voting power of all classes of stock of the Company entitled to vote within the meaning of Section 871(h)(3) of the Code or that is a controlled foreign corporation related to the Company through stock ownership or (ii) is a bank described in Section 881(c)(3)(A) of the Code;

- h. any tax, assessment or other governmental charge imposed with respect to payments on any Registered Security by reason of the failure of the Holder or beneficial owner to fulfill the statement requirement of Sections 871(h) or 881(c) of the Code; or
- i. any combination of items (a), (b), (c), (d), (e), (f), (g) and (h);

nor will additional amounts be paid with respect to any payment on any such Security or coupon to a Holder who is a fiduciary or partnership or other than the sole beneficial owner of such payment to the extent such payment would be required by the laws of the United States (or any political subdivision thereof) to be included in the income for federal income tax purposes of a beneficiary or settler with respect to such fiduciary or a member of such partnership or a beneficial owner who would not have been entitled to payment of the additional amounts had beneficiary, settler, member or beneficial owner been the Holder of such Security or coupon.

The term "United States Alien" means any corporation, partnership, individual or fiduciary that is, as to the United States, a foreign corporation, a nonresident alien individual, a nonresident fiduciary of a foreign estate or trust, or a foreign partnership one or more of the members of which is, as to the United States, a foreign corporation, a nonresident alien individual or a nonresident fiduciary of a foreign estate or trust.

Whenever in this Indenture there is mentioned, in any context, the payment of the principal of (and premium, if any) and interest, if any, on any Security or payment with respect to any coupon of any series, such mention shall be deemed to include mention of the payment of additional amounts provided for in the terms of such Securities and this Section to the extent that, in such context, additional amounts are, were or would be payable in respect thereof pursuant to the provisions of this Section and express mention of the payment of additional amounts (if applicable) in any provisions hereof shall not be construed as excluding additional amounts in those provisions hereof where such express mention is not made.

Page 76 of 94

If the Securities of a series provide for the payment of additional amounts as contemplated by Section 301(20), at least 10 days prior to the first Interest Payment Date with respect to that series of Securities (or if the Securities of that series will not bear interest prior to maturity, the first day on which a payment of principal and any premium is made), and at least 10 days prior to each date of payment of principal (and premium, if any) and interest, if any, if there has been any change with respect to the matters set forth in the below mentioned Officers' Certificate, the Company will furnish the Trustee for that series of Securities and the Company's principal Paying Agent or Paying Agents, if other than such Trustee, with an Officers' Certificate instructing such Trustee and such Paying Agent or Paying Agents whether such payment of principal of (and premium, if any) and interest, if any, on the Securities of that series shall be made to Holders of Securities of that series or any related coupons who are United States Aliens without withholding for or on account of any tax, assessment or other governmental charge referred to above or described in the Securities of that series. If any such withholding shall be required, then such Officers' Certificate shall specify by country the amount, if any, required to be withheld on such payments to such Holders of Securities or coupons and the Company will pay to the Trustee for such series of Securities or such Paying Agent such additional amounts as may be required pursuant to the terms applicable to such series. The Company covenants to indemnify the Trustee for such series of Securities and any Paying Agent for, and to hold them harmless against, any loss, liability or expense reasonably incurred without gross negligence or bad faith on their part arising out of or in connection with actions taken or omitted by any of them in reliance on any Officers' Certificate furnished pursuant to this Section 1009.

10. *Calculation of Original Issue Discount*

If applicable, the Company shall file with the Trustee promptly at the end of each calendar year (i) a written notice specifying the amount of original issue discount (including daily rates and accrual periods) accrued on Outstanding Securities as of the end of such year and (ii) such other specific information relating to such original issue discount as may then be relevant under the Internal Revenue Code of 1986, as amended from time to time.

11. *Statement by Officers as to Default*

The Company shall deliver to the Trustee, as soon as possible and in any event within five days after the Company becomes aware of the occurrence of any Event of Default or an event which, with notice or the lapse of time or both, would constitute an Event of Default, an Officers' Certificate setting forth the details of such Event of Default or event and the action which the Company proposes to take with respect thereto.

XI.

Redemption of Securities

1. *Applicability of This Article.*

Redemption of Securities of any series (whether by operation of a sinking fund or otherwise) as permitted or required by any form of Security issued pursuant to this Indenture shall be made in accordance with such form of Security and this Article; *provided, however*, that if any provision of any such form of Security shall conflict with any provision of this Article, the provision of such form of Security shall govern.

Page 77 of 94

2. *Election to Redeem; Notice to Trustee.*

The election of the Company to redeem any Securities of any series shall be evidenced by or pursuant to a Board Resolution. In case of any redemption at the election of the Company of less than all of the Securities of any particular series, the Company shall, at least 60 days prior to the Redemption Date fixed by the Company (unless a shorter notice shall be satisfactory to the Trustee for the Securities of such series) notify such Trustee by Company Request of such Redemption Date and of the principal amount of Securities of that series to be redeemed and shall deliver to such Trustee such documentation and records as shall enable such Trustee to select the Securities to be redeemed pursuant to Section 1103. In the case of any redemption of Securities of any series prior to the expiration of any restriction on such redemption provided in the terms of such Securities or elsewhere in this Indenture, the Company shall furnish the Trustee for Securities of such series with an Officers' Certificate evidencing compliance with such restriction.

3. *Selection by Trustee of Securities to Be Redeemed.*

If less than all the Securities are to be redeemed, the Company may select the series to be redeemed, and if less than all the Securities of any series are to be redeemed, the particular Securities of that series to be redeemed shall be selected not more than 60 days prior to the Redemption Date by the Trustee for the Securities of such series, from the Outstanding Securities of that series not previously called for redemption, by such method as such Trustee shall deem fair and appropriate and which may provide for the selection for redemption of portions (equal to the minimum authorized denomination for Securities of that series, or any integral multiple thereof) of the principal amount of Securities of that series of a denomination larger than the minimum authorized denomination for Securities of that series pursuant to Section 302 in the currency or currency unit in which the Securities of such series are denominated.

The Trustee for the Securities of any series to be redeemed shall promptly notify the Company in writing of the Securities of such series selected for redemption and, in the case of any Securities selected for partial redemption, the principal amount thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities shall relate, in the case of any Security redeemed or to be redeemed only in part, to the portion of the principal amount of such Securities which has been or is to be redeemed.

4. *Notice of Redemption.*

Notice of redemption shall be given in the manner provided in Section 106 not later than the thirtieth (30th) day and not earlier than the sixtieth (60th) day prior to the Redemption Date, to each Holder of Securities to be redeemed.

All notices of redemption shall state:

1. the Redemption Date,
2. the Redemption Price,
3. if less than all Outstanding Securities of a particular series are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the particular Securities to be redeemed, including the Identifying Number of such Securities,

Page 78 of 94

4. in case any Security is to be redeemed in part only, the notice which relates to such Security shall state that on and after the Redemption Date, upon surrender of such Security, the Holder will receive, without charge, a new Security or Securities of authorized denominations for the principal amount thereof remaining unredeemed,
5. that on the Redemption Date the Redemption Price will become due and payable upon each such Security or portion thereof, and that interest thereon, if any (or in the case of OID Securities, original issue discount), shall cease to accrue on and after said date,
6. the place or places where such Securities, together in the case of Bearer Securities with all coupons appertaining thereto, if any, maturing after the Redemption Date are to be surrendered for payment of the Redemption Price,
7. that the redemption is for a sinking fund, if such is the case,
8. that, unless otherwise specified in such notice, Bearer Securities of any series, if any, surrendered for redemption must be accompanied by all coupons maturing subsequent to the date fixed for redemption or the amount of any such missing coupon or coupons will be deducted from the Redemption Price or security or indemnity satisfactory to the Company, the Trustee for such series and any Paying Agent is furnished, and
9. if Bearer Securities of any series are to be redeemed and any Registered Securities of such series are not to be redeemed, and if such Bearer Securities may be exchanged for Registered Securities not subject to redemption on this Redemption Date pursuant to Section 305 or otherwise, the last date, as determined by the Company, on which such exchanges may be made.

Notice of redemption of Securities to be redeemed at the election of the Company shall be given by the Company or, at the Company's request, by the Trustee for such Securities in the name and at the expense of the Company.

5. *Deposit of Redemption Price.*

Prior to the opening of business on any Redemption Date, the Company shall deposit with the Trustee for the Securities to be redeemed or with a Paying Agent for such Securities (or, if the Company is acting as its own Paying Agent for such Securities, segregate and hold in trust as provided in Section 1003) an amount of money in the currency or currency unit in which the Securities of such series are payable (except as otherwise specified pursuant to Section 301 for the Securities of such Series and except as provided in Sections 311(b) and 311(d)) sufficient to pay the principal amount of (and premium, if any, thereon), and (except if the Redemption Date shall be an Interest Payment Date) any accrued interest on, all the Securities which are to be redeemed on that date.

6. *Securities Payable on Redemption Date.*

shall default in the payment of the Redemption Price) such Securities shall cease to bear interest and the coupons for such interest appertaining to any Bearer Securities so to be redeemed, except to the extent provided below, shall be void. Upon surrender of such Security for redemption in accordance with said notice together with all coupons, if any, appertaining thereto maturing after the Redemption Date, such Security or specified portions thereof shall be paid by the Company at the Redemption Price; *provided, however*, that installments of interest on Bearer Securities whose Stated Maturity is on or prior to the Redemption Date shall be payable only at an office or agency located outside the United States (except as otherwise provided in Section 1002) and, unless otherwise specified as contemplated by Section 301, only upon presentation and surrender of coupons for such interest, and *provided, further*, that unless otherwise specified as contemplated by Section 301, installments of interest on Registered Securities whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Securities, or one or more Predecessor Securities, registered as such at the close of business on the relevant Record Dates according to their terms and the provisions of Section 307.

If any Bearer Security surrendered for redemption shall not be accompanied by all coupons appertaining thereto maturing after the Redemption Date, such Security may be paid after deducting from the Redemption Price an amount equal to the face amount of all such missing coupons or the surrender of such missing coupon or coupons may be waived by the Company if there is furnished to the Company, the Trustee for such Security and any Paying Agent such security or indemnity as they may require to save the Company, such Trustee and any Paying Agent harmless. If thereafter the Holder of such Security shall surrender to such Trustee or any Paying Agent any such missing coupon in respect of which a deduction shall have been made from the Redemption Price, such Holder shall be entitled to receive the amount so deducted; *provided, however*, that interest represented by coupons shall be payable only at an office or agency located outside the United States (except as otherwise provided in Section 1002) and, unless otherwise specified as contemplated by Section 301, only upon presentation and surrender of those coupons.

If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal thereof (and premium, if any, thereon) shall, until paid, bear interest from the Redemption Date at a rate per annum equal to the rate borne by the Security (or, in the case of (i) OID Securities, the Security's Yield to Maturity or (ii) Indexed Securities, the rate determined in accordance with the specified terms of those Securities).

7. *Securities Redeemed in Part.*

Any Registered Security which is to be redeemed only in part shall be surrendered at the Place of Payment (with, if the Company or the Trustee for such Security so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company, and the Security Registrar for such Security duly executed by, the Holder thereof or his attorney duly authorized in writing), and the Company shall execute and such Trustee shall authenticate and deliver to the Holder of such Security without service charge, a new Registered Security or Securities, of any authorized denomination as requested by such Holder, of the same series and having the same terms and provisions and in an aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Registered Security so surrendered.

8. *Tax Redemption; Special Tax Redemption.*

- a. If specified pursuant to Section 301, Securities of any series may be redeemed at the option of the Company in whole, but not in part, on not more than 60 days' and not less than 30 days' notice, on any Redemption Date at the Redemption Price specified pursuant to Section 301, if the Company determines that (A) as a result of any change in or amendment to the laws (or any regulations or rulings promulgated thereunder) of the United States or of any political subdivision or taxing authority thereof or therein affecting taxation, or any change in official position regarding application or interpretation of such laws, regulations or rulings (including a holding by a court of competent jurisdiction in the United States), which change or amendment is announced or becomes effective on or after a date specified in Section 301 with respect to any Security of such series, the Company has or will become obligated to pay additional amounts pursuant to Section 1009 with respect to any Security of such series or (B) on or after a date specified in Section 301 with respect to any Security of such series, any action has been taken by any taxing authority of, or any decision has been rendered by a court of competent jurisdiction in, the United States or any political subdivision or taxing authority thereof or therein, including any of those actions specified in (A) above, whether or not such action was taken or decision was rendered with respect to the Company, or any change, amendment, application or interpretation shall be officially proposed, which, in any such case, in the Opinion of Counsel to the Company will result in a material probability that the Company will become obligated to pay additional amounts pursuant to Section 1009 with respect to any Security of such series, and (C) in any such case specified in (A) or (B) above the Company, in its business judgment, determines that such obligation cannot be avoided by the use of reasonable measures available to the Company.
- b. Unless otherwise specified pursuant to Section 301, if the Company shall determine that any payment made outside the United States by the Company or any of their Paying Agents of principal or interest due in respect of any Bearer Security (an "Affected Security") of such series or any coupon appertaining thereto would, under any present or future laws or regulations of the United States, be subject to any certification, information or other reporting requirement of any kind, the effect of which requirement is the disclosure to the Company, any Paying Agent or any governmental authority of the nationality, residence or identity (as distinguished from, for example, status as a United States Alien) of a beneficial owner of such Affected Security of such series or coupon that is a United States Alien (other than such a requirement that (i) would not be applicable to a payment made by the Company, or any one of their Paying Agents (A) directly to the beneficial owner or (B) to a custodian, nominee or other agent of the beneficial owner, (ii) can be satisfied by such custodian, nominee or other agent certifying to the effect that such beneficial owner is a United States Alien; provided that, in each case referred to in clauses (i)(B) or (ii), payment by such custodian, nominee or other agent to such beneficial owner is not otherwise subject to any such requirement (other than a requirement which is imposed on a custodian, nominee or other agent described in item (iv) of this sentence), (iii) would not be applicable to a payment made by at least one other Paying Agent of the Company or (iv) is applicable to a payment to a custodian, nominee or other agent of the beneficial owner of such Security who is a United States person (as hereinafter defined), a controlled foreign corporation for United States tax purposes, a foreign person 50 percent or more of the gross income of which for the three-year period ending with the close of its taxable year preceding the year of payment is effectively connected with a United States trade or business, or is otherwise related to the United States), the Company shall elect by notice to the Trustee for such series of Securities either (x) to redeem the Affected Securities of

such series, as a whole, at a redemption price equal to the principal amount thereof, together with interest accrued to the date fixed for redemption, or (y) if the conditions of the next succeeding paragraph are satisfied, to pay the additional amounts specified in such paragraph. The Company shall make such determination and election as soon as practicable and give prompt notice thereof (the "Determination Notice") in the manner described in Section 106 stating the effective date of such certification, information or reporting requirement, whether the Company has elected to redeem the Affected Securities of such series or to pay the additional amounts specified in the next succeeding paragraph, and (if applicable) the last date by which the redemption of the Affected Securities of such series must take place, as provided in the next succeeding sentence. If the Company elects to redeem the Affected Securities of such series, such redemption shall take place on such date, not later than one year after the giving of the Determination Notice, as the Company shall specify by notice to such Trustee given not less than 45 nor more than 75 days before the Redemption Date. Notice of such redemption of the Affected Securities of such series shall be given to the Holders thereof not less than 30 days nor more than 60 days prior to the Redemption Date. Notwithstanding the foregoing, the Company shall not so redeem the Affected Securities of such series if the Company shall subsequently determine by notice to the Trustee, not less than 30 days prior to the Redemption Date, that subsequent payments on the Affected Securities of such series would not be subject to

any such certification, information or other reporting requirement, in which case the Company shall give prompt notice of such subsequent determination in the manner specified in Section 106 and any earlier redemption notice shall be revoked and be of no further effect. The right of the Holders of Affected Securities called for redemption to exchange such Affected Securities for Registered Securities (which Registered Securities will remain Outstanding following such redemption) will terminate on the fifteenth day prior to the Redemption Date, and no further exchanges of Affected Securities for Registered Securities shall be permitted unless the Company shall have made the subsequent determination and given the notice referred to in the preceding sentence. As used hereinabove, "United States person" means any citizen or resident of the United States, any corporation, partnership or other entity created or organized in or under the laws of the United States and any estate or trust the income of which is subject to United States federal income taxation regardless of its source.

If and so long as the certification, information or other reporting requirement referred to in the preceding paragraph would be fully satisfied by payment of a withholding tax, backup withholding tax or similar charge, the Company may elect by notice to the Trustee to pay such additional amounts as may be necessary so that every net payment made outside the United States following the effective date of such requirement by the Company or any of their Paying Agents of principal (or premium, if any) or interest, if any, due in respect of any Affected Security of such series or any coupon appertaining thereto to a Holder who certifies that the beneficial owner is a United States Alien (but without any requirement that the nationality, residence or identity of such beneficial owner be disclosed to the Company, any Paying Agent or any governmental authority), after deduction or withholding for or on account of such withholding tax, backup withholding tax or similar charge (other than a withholding tax, backup withholding tax or similar charge that (i) is the result of a certification, information or other reporting requirement described in the third parenthetical clause of the first sentence of the preceding paragraph or (ii) is imposed as a result of presentation of any such Affected Security or such coupon for payment more than 10 days after the date on which such payment becomes due and payable or on which payment thereof was duly provided for, whichever occurs later), will not be less than the amount provided in such Affected

Page 82 of 94

Security or such coupon to be then due and payable. In the event the Company elects to pay such additional amounts, (the Company's election to exercise such right to be evidenced by prompt notice to the Trustee for the Securities of the appropriate series), the Company will have the right, at its sole option, at any time, to redeem the Affected Securities of such series as a whole, but not in part, at the Redemption Price, subject to the provisions of the last four sentences of the immediately preceding paragraph. If the Company has made the determination described in the preceding paragraph with respect to certification, information or other reporting requirements applicable only to interest and subsequently makes a determination in the manner and of the nature referred to in such preceding paragraph with respect to such requirements applicable to principal, the Company will redeem the Affected Securities of such series in the manner and on the terms described in the preceding paragraph unless the Company elects to have the provisions of this paragraph apply rather than the provisions of the immediately preceding paragraph. If in such circumstances the Affected Securities of such series are to be redeemed, the Company shall have no obligation to pay additional amounts pursuant to this paragraph with respect to principal (or premium, if any) or interest accrued and unpaid after the date of the notice of such determination indicating such redemption, but will be obligated to pay such additional amounts with respect to interest accrued and unpaid to the date of such determination. If the Company elects to pay additional amounts pursuant to this paragraph and the condition specified in the first sentence of this paragraph should no longer be satisfied, then the Company shall promptly redeem the Affected Securities of such series in whole, but not in part, at the Redemption Price subject to the provisions of the last four sentences of the immediately preceding paragraph. If the Company elects to, or is required to, redeem the Affected Securities of such series pursuant to this paragraph, it shall publish in the manner and to the extent provided in Section 106 prompt notice thereof. If the Affected Securities of such series are to be redeemed pursuant to this paragraph, the redemption shall take place on such date, not later than one year after publication of the notice of redemption, as the Company shall specify by notice to the Trustee for such series of Securities at least 60 days prior to the Redemption Date. Any redemption payments made by the Company pursuant to this paragraph shall be subject to the continuing obligation of the Company to pay additional amounts pursuant to this paragraph.

XII.

Sinking Funds

1. *Applicability of This Article.*

Redemption of Securities through operation of a sinking fund as permitted or required by any form of Security issued pursuant to this Indenture shall be made in accordance with such form of Security and this Article; *provided, however*, that if any provision of any such form of Security shall conflict with any provision of this Article, the provision of such form of Security shall govern.

The minimum amount of any sinking fund payment provided for by the terms of Securities of any particular series is herein referred to as a "mandatory sinking fund payment", and any payment in excess of such minimum amount provided for by the terms of Securities of any particular series is herein referred to as an "optional sinking fund payment". If provided for by the terms of Securities of any particular series, the cash amount of any sinking fund payment may be subject to reduction as provided in Section 1202. Each sinking fund payment shall be applied to the redemption of Securities of any particular series as provided for by the terms of Securities of that series.

Page 83 of 94

2. *Satisfaction of Sinking Fund Payments With Securities.*

The Company (1) may deliver Outstanding Securities of a series (other than any previously called for redemption), together in the case of any Bearer Securities of such series with all unmaturing coupons appertaining thereto, and (2) may apply as a credit Securities of a series which have been redeemed either at the election of the Company pursuant to the terms of such Securities or through the application of permitted optional sinking fund payments pursuant to the terms of such Securities, in each case in satisfaction of all or any part of any sinking fund payment with respect to the Securities of such series required to be made pursuant to the terms of such Securities as provided for by the terms of such series; *provided, however*, that such Securities have not been previously so credited. Such Securities shall be received and credited for such purpose by the Trustee for such Securities at the principal amount thereof and the amount of such sinking fund payment shall be reduced accordingly.

3. *Redemption of Securities for Sinking Fund.*

Not less than 60 days prior to each sinking fund payment date for any particular series of Securities, the Company will deliver to the Trustee for the Securities of such series an Officers' Certificate specifying the amount of the next ensuing mandatory sinking fund payment for that series pursuant to the terms of that series, the portion thereof, if any, which is to be satisfied by payment of cash in the currency or currency unit in which the Securities of that series are payable (except as otherwise specified pursuant to Section 301 for the Securities of that series and except as provided in Sections 311(b) and 311(d)) and the portion thereof, if any, which is to be satisfied by delivering and crediting Securities of that series pursuant to Section 1202 and shall state the basis for such credit and that such Securities have not previously been so credited and will also deliver to such Trustee any Securities to be so delivered. Such Trustee shall select the Securities to be redeemed upon such sinking fund payment date in the manner specified in Section 1103 and cause notice of the redemption thereof to be given in the name of and at the expense of the Company in the manner provided in Section 1104. Such notice having been duly given, the redemption of such Securities shall be made upon the terms and in the manner stated in Sections 1106 and 1107.

XIII.

Meetings of Holders of Securities

1. *Purposes for Which Meetings May Be Called.*

If Securities of a series are issuable as Bearer Securities, a meeting of Holders of Securities of such series may be called at any time and from time to time pursuant to this Article to make, give or take any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be made, given or taken by Holders of Securities of such series.

2. *Call, Notice and Place of Meetings.*

- a. The Trustee for any series of Securities that includes Bearer Securities, may at any time call a meeting of the Holders of Securities of such series for any purpose specified in Section 1301, to be held at such time and at such place in the Borough of Manhattan, The City of New York, or in London, as such Trustee shall determine. Notice of every meeting of Holders of Securities of such series, setting forth the time and

- b. In case at any time the Company, pursuant to a Board Resolution, or the Holders of at least 10% in principal amount of the Outstanding Securities of any such series shall have requested the Trustee for any such series to call a meeting of the Holders of Securities of such series for any purpose specified in Section 1301, by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and such Trustee shall not have made the first publication of the notice of such meeting within 30 days after receipt of such request or shall not thereafter proceed to cause the meeting to be held as provided herein, then the Company or the Holders of Securities of such series in the amount above specified, as the case may be, may determine the time and the place in the Borough of Manhattan, The City of New York, or in London, for such meeting and may call such meeting for such purposes by giving notice thereof as provided in subsection (a) of this Section.

3. *Persons Entitled to Vote at Meetings.*

To be entitled to vote at any meeting of Holders of Securities of any series, a Person shall be (1) a Holder of one or more Outstanding Securities of such series, or (2) a Person appointed by an instrument in writing as proxy for a Holder or Holders of one or more Outstanding Securities of such series by such Holder or Holders. The only Persons who shall be entitled to be present or to speak at any meeting of Holders of Securities of any series shall be the Persons entitled to vote at such meeting and their counsel, any representatives of the Trustee for such series and its counsel and any representatives of the Company and its counsel.

4. *Quorum; Action.*

The Persons entitled to vote a majority in principal amount of the Outstanding Securities of a series shall constitute a quorum for a meeting of Holders of Securities of such series. In the absence of a quorum within 30 minutes of the time appointed for any such meeting, the meeting shall, if convened at the request of Holders of Securities of such series, be dissolved. In any other case the meeting may be adjourned for a period of not less than 10 days as determined by the chairman of the meeting prior to the adjournment of such meeting. In the absence of a quorum at any such adjourned meeting, such adjourned meeting may be further adjourned for a period of not less than 10 days as determined by the chairman of the meeting prior to the adjournment of such adjourned meeting. Subject to Section 1305(d), notice of the reconvening of any adjourned meeting shall be given as provided in Section 1302(a), except that such notice need be given only once not less than five days prior to the date on which the meeting is scheduled to be reconvened. Notice of the reconvening of an adjourned meeting shall state expressly that Persons entitled to vote a majority in principal amount of the Outstanding Securities of such series shall constitute a quorum.

Except as limited by the proviso to Section 902, any resolution presented to a meeting or adjourned meeting duly reconvened at which a quorum is present as aforesaid may be adopted by the affirmative vote of the Holders of a majority in principal amount of the Outstanding Securities of that series; *provided, however*, that except as limited by the proviso to Section 902, any resolution with respect to any request, demand, authorization, direction, notice, consent, waiver or other action which this Indenture expressly provides may be made, given or taken by the Holders of a specified percentage which is less than a majority in principal amount of the Outstanding Securities of a series may be adopted at a meeting or an adjourned meeting duly reconvened and at which a quorum is present as aforesaid by the affirmative vote of the Holders of such specified percentage in principal amount of the Outstanding Securities of that series.

Any resolution passed or decision taken at any meeting of Holders of Securities of any series duly held in accordance with this Section shall be binding on all the Holders of Securities of such series and the related coupons, whether or not present or represented at the meeting.

5. *Determination of Voting Rights; Conduct and Adjournment of Meetings.*

- a. Notwithstanding any other provision of this Indenture, the Trustee for any series of Securities that includes Bearer Securities may make such reasonable regulations as it may deem advisable for any meeting of Holders of Securities of such series in regard to proof of the holding of Securities of such series and of the appointment of proxies and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall deem appropriate. Except as otherwise permitted or required by any such regulations, the holding of Securities shall be proved in the manner specified in Section 104 and the appointment of any proxy shall be proved in the manner specified in Section 104 or by having the signature of the person executing the proxy witnessed or guaranteed by any trust company, bank or banker authorized by Section 104 to certify to the holding of Bearer Securities. Such regulations may provide that written instruments appointing proxies, regular on their face, may be presumed valid and genuine without the proof specified in Section 104 or other proof.
- b. The Trustee for any series of Securities that includes Bearer Securities shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Company or by Holders of Securities as provided in Section 1302(b), in which case the Company or the Holders of Securities of the series calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the Persons entitled to vote a majority in principal amount of the Outstanding Securities of such series represented at the meeting.
- c. At any meeting each Holder of a Security of such series or proxy shall be entitled to one vote for each \$1,000 principal amount of Securities of such series held or represented by him as determined in accordance with Section 115; *provided, however*, that no vote shall be cast or counted at any meeting in respect of any Security challenged as not Outstanding and ruled by the chairman of the meeting to be not Outstanding. The chairman of the meeting shall have no right to vote, except as a Holder of a Security of such series or proxy.
- d. Any meeting of holders of Securities of any series duly called pursuant to Section 1302 at which a quorum is present may be adjourned from time to time by Persons entitled to vote a majority in principal amount of the Outstanding Securities of such series represented at the meeting; and the meeting may be held as so adjourned without further notice.

6. *Counting Votes and Recording Action of Meetings.*

The vote upon any resolution submitted to any meeting of Holders of Securities of any series shall be by written ballots on which shall be subscribed the signatures of the Holders of Securities of such series or of their representatives by proxy and the principal amounts and serial numbers of the Outstanding Securities of such series held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file

with the secretary of the meeting their verified written reports in triplicate of all votes cast at the meeting. A record, at least in duplicate, of the proceedings of each meeting of Holders of Securities of any series shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was given as provided in Section 1302 and, if applicable, Section 1304. Each copy shall be signed and verified by the affidavits of the permanent chairman and secretary of the meeting and one such copy shall be delivered to the Company, and another to the Trustee for such series of Securities to be preserved by such Trustee, the latter to have attached thereto the ballots voted at the meeting. Any record so signed and verified shall be conclusive evidence of the matters therein stated.

This instrument may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument.

IN WITNESS WHEREOF, the parties hereto have caused this Indenture dated as of August 5, 2003 to be duly executed as of August 5, 2003.

THIS SIXTEENTH SUPPLEMENTAL INDENTURE (the “Sixteenth Supplemental Indenture”) is made the 26th day of March, 2020, between HUMANA INC., a corporation duly incorporated and existing under the laws of Delaware and having its principal executive office at 500 West Main Street, Louisville, Kentucky 40202 (hereinafter called “the Company”), and THE BANK OF NEW YORK MELLON TRUST COMPANY, N.A. (formerly known as The Bank of New York Trust Company, N.A. and as successor to The Bank of New York), a national banking association, as Trustee (hereinafter called the “Trustee”).

RECITALS OF THE COMPANY

WHEREAS, the Company entered into an Indenture, dated as of August 5, 2003 with the Trustee (the “Original Indenture,” and together with this Sixteenth Supplemental Indenture, referred to herein as the “Indenture”) (all capitalized terms used in this Sixteenth Supplemental Indenture and not otherwise defined herein have the meanings assigned to such terms in the Original Indenture), for the purposes of issuing its Securities, evidencing its senior unsecured indebtedness, unlimited as to principal amount, to bear such rates of interest, to mature at such time or times, to be issued in one or more series and to have such other provisions as authorized by or pursuant to the authority granted in one or more resolutions of the Board of Directors of the Company; and

WHEREAS, Section 901 of the Original Indenture provides that without the consent of the Holders of the Securities of any series issued under the Original Indenture, the Company, when authorized by a Board Resolution, and the Trustee may, in certain circumstances, enter into one or more indentures supplemental to the Original Indenture; and

WHEREAS, the Company proposes to issue a series of Securities designated as its 4.500% Senior Notes due 2025, the terms of which shall be set forth in, or determined in the manner provided in, an Officers’ Certificate of the Company as provided in Section 301 of the Original Indenture (such senior notes being referred to herein as the “2025 Senior Notes” and all references to Securities in the Original Indenture shall be deemed to refer also to the 2025 Senior Notes unless the context otherwise provides); and

WHEREAS, the entry into this Sixteenth Supplemental Indenture by the parties hereto is in all respect authorized by the provisions of the Original Indenture; and

WHEREAS, all conditions necessary to authorize the execution and delivery of this Sixteenth Supplemental Indenture and to make it a valid and binding obligation of the Company have been done or performed; and

NOW, THEREFORE, THIS SIXTEENTH SUPPLEMENTAL INDENTURE WITNESSETH:

For and in consideration of the promises and the purchase of the 2025 Senior Notes by the Holders thereof, it is mutually covenanted and agreed, for the equal and proportionate benefit of all Holders of the 2025 Senior Notes, as follows:

Section 1. The Original Indenture is hereby amended solely with respect to the 2025 Senior Notes as follows:

(A) By amending Section 101 to insert the following definitions in their entirety in the appropriate alphabetical order as follows:

“Change of Control” means the occurrence of any one of the following: (1) the direct or indirect sale, lease, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the Company’s and its subsidiaries assets taken as a whole to any Person other than to the Company or a Subsidiary; (2) the consummation of any transaction (including without limitation, any merger or consolidation) the result of which is that any Person becomes the “beneficial owner” (as defined in Rules 13d-3 and 13d-5 under the Exchange Act), directly or indirectly, of more than 50% of the outstanding Voting Stock of the Company or the Voting Stock of any Parent Company (as defined below) or other Voting Stock into which the Voting Stock of the Company or the Voting Stock of any Parent Company is reclassified, consolidated, exchanged or changed, measured by voting power rather than number of shares; (3) the Company or any Parent Company consolidates with, or merges with or into, any Person, or any Person consolidates with, or merges with or into, the Company or any Parent Company, in any such event pursuant to a transaction in which any of the outstanding Voting Stock of the Company, the Voting Stock of such Parent Company or the Voting Stock of such other Person is converted into or exchanged for cash, securities or other property, other than any such transaction where the shares of the Voting Stock of the Company or the Voting Stock of such Parent Company outstanding immediately prior to such transaction constitute, or are converted into or exchanged for, a majority of the Voting Stock of the surviving Person or any Parent Company of the surviving Person immediately after giving effect to such transaction; or (4) the adoption of a plan relating to the liquidation or dissolution of the Company. Notwithstanding the foregoing, a transaction will not be deemed to involve a Change of Control under clause (2) above if (i) the Company becomes a subsidiary of a Parent Company and (ii) the holders of the Voting Stock of the Company or the Voting Stock of any Parent Company immediately prior to such transaction hold at least a majority of the Voting Stock of such Parent Company immediately following such transaction; provided that any series of related transactions shall be treated as a single transaction. The term “Person,” solely as used in this definition, has the meaning given thereto in Section 13(d)(3) of the Exchange Act.

“Change of Control Triggering Event” means the occurrence of both a Change of Control and a related Rating Event.

“Common Stock” means, with respect to any Principal Subsidiary, Capital Stock of any class, however designated, except Capital Stock which is non-participating beyond fixed dividend and liquidation preferences and the holders of which have either no voting rights or limited voting rights entitling them, only in the case of certain contingencies, to elect less than a majority of the directors (or persons performing similar functions) of such Principal Subsidiary, and also includes securities of any class, however designated, which are convertible into Common Stock.

“Indebtedness” means, with respect to any Person (without duplication):

- (1) any liability of that Person (A) for borrowed money, or under any reimbursement obligation relating to a letter of credit or similar instrument; (B) evidenced by a bond, note, debenture or similar instrument; (C) to pay the deferred purchase price of property or services, except trade accounts payable arising in the ordinary course of business; or (D) for the payment of money relating to any obligations under any capital lease of real or personal property which has been recorded as a capitalized lease obligation;

(2) any liability of others described in the preceding clause (1) that the Person has guaranteed or that is otherwise its legal liability or which is secured by a lien on that Person's Property; and

(3) any amendment, supplement, modification, deferral, renewal, extension or refunding of any liability of the types referred to in clauses (1) or (2) above.

"Investment Grade" means a rating of Baa3 or better by Moody's (or its equivalent under any successor rating category) and a rating of BBB- or better by S&P Global Ratings (or its equivalent under any successor rating category).

"Issue Date" means the first date on which 2025 Senior Notes are issued, which shall be March 26, 2020.

"Moody's" means Moody's Investors Service, Inc., or any successor thereto.

"Parent Company" means any holding company that, directly or indirectly, owns 100% of the Voting Stock of the Company.

"Principal Subsidiary" means a consolidated subsidiary of the Company that, as of the relevant time of determination, is a "significant subsidiary" as defined under Rule 405 under the Securities Act of 1933, as amended (as that Rule is in effect on March 23, 2020, without giving effect to any further amendment of that Rule).

"Rating Agency" means:

(1) each of Moody's and S&P Global Ratings, and

(2) if either or both of Moody's or S&P Global Ratings ceases to rate the 2025 Senior Notes or fails to make a rating of the 2025 Senior Notes publicly available for reasons outside of the Company's control, a Substitute Rating Agency in lieu thereof.

"Rating Event" means (i) the rating of the 2025 Senior Notes is lowered by both Rating Agencies during the related Trigger Period and (ii) the 2025 Senior Notes are rated below an Investment Grade rating by both Rating Agencies on any day during such Trigger Period. If either Rating Agency is not providing a rating of the 2025 Senior Notes on any day during such Trigger Period for any reason, the rating of such Rating Agency shall be deemed to be below Investment Grade on such day and such Rating Agency will be deemed to have lowered its rating of the 2025 Senior Notes during the Trigger Period. For the avoidance of doubt, the Trustee shall not be charged with knowledge of any Rating Event nor have any duty to monitor the ratings of the Securities.

"S&P Global Ratings" means S&P Global Ratings, acting through Standard & Poor's Financial Services LLC, a division of S&P Global Inc., or any successor thereto.

"Substitute Rating Agency" means a "nationally recognized statistical rating organization" as that term is defined in Section 3(a)(62) of the Exchange Act, selected by the Company (as certified by a resolution of the Board of Directors delivered to the Trustee) as a replacement agency for Moody's or S&P Global Ratings, or both of them, as the case may be.

"Trigger Period" means the period commencing on the earlier of the first public notice of (a) the occurrence of a Change of Control or (b) the Company's intention to effect a Change of Control and ending 60 days following consummation of such Change of Control (which period shall be extended so long as the rating of the 2025 Senior Notes is under publicly announced consideration for a possible downgrade by either of the Rating Agencies).

"Voting Stock" means, with respect to any Person as of any date, the Capital Stock of such Person that is at the time entitled to vote generally in the election of the board of directors (or other analogous managing body) of such Person.

(B) By replacing the definition of "Notice of Default" in Section 101 of the Original Indenture in its entirety as follows:

"Notice of Default" has the meaning specified in Sections 501(3) and 501(4).

(C) By replacing Section 105(2) of the Original Indenture in its entirety as follows:

(2) the Company by such Trustee or by any Holder shall be sufficient for every purpose hereunder (except as provided in paragraphs (3) and (4) of Section 501) if furnished in writing and mailed, first class postage prepaid, addressed to it, to the attention of the Chief Financial Officer, at the address of its principal office specified in the first paragraph of this instrument or at any other address previously furnished in writing to such Trustee by the Company, or if sent by facsimile transmission, to a facsimile number provided to the Trustee by the Company, with a copy mailed, first class postage prepaid, to the Company addressed to it as provided above.

(D) By deleting the eighth paragraph of Section 305 of the Original Indenture in its entirety.

(E) By replacing Section 403 of the Original Indenture in its entirety as follows:

Section 403. *Covenant Defeasance.*

Upon the Company's exercise under Section 401 of the option applicable to this Section 403, the Company shall be released from any obligations under the covenants contained in Sections 704, 801 and 1007 hereof with respect to the Outstanding 2025 Senior Notes, on and after the date the conditions set forth in Section 404 are satisfied (hereinafter, "Covenant Defeasance"),

and the 2025 Senior Notes and any coupons appertaining thereto shall thereafter be deemed not “Outstanding” for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed “Outstanding” for all other purposes hereunder (it being understood that such 2025 Senior Notes shall not be deemed outstanding for accounting purposes). For this purpose, such Covenant Defeasance means that, with respect to the Outstanding 2025 Senior Notes and any coupons appertaining thereto, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a default or Event of Default under subsection 501(3) but, except as specified above, the remainder of this Indenture and the 2025 Senior Notes shall be unaffected thereby.

(F) By replacing Section 404(b) of the Original Indenture in its entirety as follows:

(b) in the case of Legal Defeasance, the Company shall have delivered to the Trustee for the Securities of that series an Opinion of Counsel in the United States reasonably acceptable to such Trustee confirming that, subject to customary assumptions and exclusions, (1) the Company has received from, or there has been published by, the U.S. Internal Revenue Service a ruling or (2) since the Issue Date, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel in the United States shall confirm that, subject to customary assumptions and exclusions, the Holders and beneficial owners of the Outstanding Securities of that series will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(G) By replacing Section 404(c) of the Original Indenture in its entirety as follows:

(c) in the case of Covenant Defeasance, the Company shall have delivered to the Trustee for the Securities of that series an Opinion of Counsel in the United States reasonably acceptable to such Trustee confirming that, subject to customary assumptions and exclusions, the Holders and beneficial owners of the Outstanding Securities of that series will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(H) By replacing Section 404(d) of the Original Indenture in its entirety as follows:

(d) no Event of Default or event which with the giving of notice or the lapse of time, or both, would become an Event of Default with respect to the 2025 Senior Notes shall have occurred and be continuing on the date of such deposit and no Event of Default under Section 501(5) or Section 501(6) shall have occurred and be continuing on the 123rd day after such date;

(I) By replacing Section 405(ii)(B) of the Original Indenture in its entirety as follows:

(B) no Event of Default or event which with the giving of notice or the lapse of time, or both, would become an Event of Default shall have occurred and be continuing on the date of such deposit and no Event of Default under Section 501(5) or Section 501(6) shall have occurred and be continuing on the 123rd day after such date;

(J) By replacing Section 501 of the Original Indenture in its entirety as follows:

“Event of Default” wherever used herein with respect to the 2025 Senior Notes means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

- (1) default in the payment of any installment of interest upon any 2025 Senior Note and any related coupon when it becomes due and payable, and continuance of such default for a period of 30 days; or
- (2) default in the payment of the principal of (or premium, if any, on) any 2025 Senior Note at its Maturity; or
- (3) default in the performance of, or breach of, any covenant or warranty of the Company in respect of any 2025 Senior Note contained in this Indenture or in such 2025 Senior Notes (other than a covenant or warranty a default in whose performance or whose breach is elsewhere in this Section specifically dealt with) and continuance of such default or breach for a period of 60 days after there has been given, by registered or certified mail, to the Company by the Trustee for the 2025 Senior Notes or to the Company and such Trustee by the Holders of at least 25% in aggregate principal amount of the Outstanding 2025 Senior Notes a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a “*Notice of Default*” hereunder; or
- (4) (A) the Company or any of its Subsidiaries fails to pay indebtedness for money borrowed by the Company or any of its Subsidiaries in an aggregate principal amount of at least \$150,000,000, at the later of final maturity or the expiration of any related applicable grace period and such payment shall not have been made, waived or extended within 30 days after written notice from the Trustee or the Holders of at least 25% in aggregate principal amount of the Outstanding 2025 Senior Notes as provided below or (B) acceleration of maturity of Securities of another series or any other indebtedness for borrowed money of the Company or any of its Subsidiaries, in an aggregate principal amount exceeding \$150,000,000, under the terms of the instrument or instruments under which such indebtedness arises or is

secured, if such indebtedness has not been discharged in full or such acceleration is not rescinded or annulled within 30 days after there has been given, by registered or certified mail, to the Company by the Trustee or to the Company and such Trustee by the Holders of at least 25% in aggregate principal amount of the Outstanding 2025 Senior Notes a written notice specifying such default and requiring it to be remedied and stating that such notice is a “*Notice of Default*” hereunder; or

(5) the Company shall commence any case or proceeding seeking to have an order for relief entered on its behalf as debtor or to adjudicate it as bankrupt or insolvent or seeking reorganization, liquidation, dissolution, winding-up, arrangement, composition or readjustment of its debts or any other relief under any bankruptcy, insolvency, reorganization, liquidation, dissolution, arrangement, composition, readjustment of debt or other similar act or law of any jurisdiction, domestic or foreign, now or hereafter existing; or the Company shall apply for a receiver, custodian or trustee (other than any trustee appointed as a mortgagee or secured party in connection with the issuance of indebtedness for borrowed money of the Company) of it or for all or a substantial part of its property; or the Company shall make a general assignment for the benefit of creditors; or the Company shall take any corporate action in furtherance of any of the foregoing; or

(6) an involuntary case or other proceeding shall be commenced against the Company with respect to it or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect seeking the appointment of a trustee, receiver, liquidator, custodian or similar official of the Company or any substantial part of its property; and such case or other proceeding (A) results in the entry of an order for relief or a similar order against the Company or (B) shall continue unstayed and in effect for a period of 60 consecutive days.

(K) By replacing the first and second paragraphs of Section 502 of the Original Indenture in their entirety as follows:

If an Event of Default with respect to the 2025 Senior Notes and any related coupons occurs and is continuing (other than an Event of Default described in Section 501(5) or 501(6) with respect to the Company), then and in every such case either the Trustee for the 2025 Senior Notes or the Holders of not less than 25% in aggregate principal amount of the Outstanding 2025 Senior Notes may declare the entire principal amount of all the 2025 Senior Notes, to be due and payable immediately, by a notice in writing to the Company (and to such Trustee if given by Holders), and upon any such declaration of acceleration such principal, together with accrued interest and all other amounts owing hereunder, shall become immediately due and payable, without presentment, demand, protest or notice of any kind, all of which are hereby expressly waived.

If any Event of Default specified in Section 501(5) or 501(6) occurs with respect to the Company, all of the unpaid principal amount and accrued interest on all Securities of each series then outstanding shall *ipso facto* become and be immediately due and payable without any declaration or other act by the Trustee or any Holder.

(L) By replacing the last paragraph of Section 607 of the Original Indenture in its entirety as follows:

When the Trustee incurs expenses or renders services in connection with an Event of Default specified in Section 501(5) or Section 501(6) the expenses (including the reasonable charges and expenses of its counsel) and the compensation for the services are intended to constitute expenses of administration under any applicable Federal or state bankruptcy, insolvency or other similar law.

(M) By replacing Section 1007 of the Original Indenture in its entirety as follows:

Section 1007. *Limitation on Liens*

The Company shall not, and shall not permit any of its Principal Subsidiaries to, issue, assume, incur or guarantee any Indebtedness secured by a mortgage, pledge, lien or other encumbrance, directly or indirectly, on any of the Common Stock of a Principal Subsidiary owned by the Company or any of its Principal Subsidiaries, unless the Company’s obligations under the 2025 Senior Notes and, if the Company so elects, any other Indebtedness of the Company ranking on a parity with, or prior to, the 2025 Senior Notes, shall be secured equally and ratably with, or prior to, such secured Indebtedness so long as it is outstanding and is so secured.

(N) By replacing Section 1008 of the Original Indenture in its entirety as follows:

Section 1008. *Waiver of Certain Covenants.*

The Company may omit in any particular instance to comply with any covenant or condition set forth in Sections 1005 to 1007, inclusive, if before or after the time for such compliance the Holders of more than 50% in aggregate principal amount of the Outstanding Securities of each series of Securities affected by the omission shall, in each case by Act of such Holders, either waive such compliance in such instance or generally waive compliance with such covenant or condition, but no such waiver shall extend to or affect such covenant or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company and the duties of the Trustee for the Securities of each series with respect to any such covenant or condition shall remain in full force and effect.

(O) By deleting Section 1009 from the Original Indenture in its entirety.

(P) By adding Section 1109 to the Original Indenture as follows:

Section 1109. *Offer to Repurchase Upon Change of Control Triggering Event.*

- (a) If a Change of Control Triggering Event occurs with respect to the 2025 Senior Notes, unless the Company shall have exercised its option to redeem the 2025 Senior Notes pursuant to Section 1102, the Company shall be required to make an offer (the “Change of Control Offer”) to each Holder of 2025 Senior Notes to repurchase all or any part (equal to \$2,000 or any integral multiple of \$1,000 in excess thereof) of such Holder’s 2025 Senior Notes on the terms set forth in this Section 1109. In the Change of Control Offer, the Company shall be required to offer payment in cash equal to 101% of the principal amount of the 2025 Senior Notes to be repurchased, plus accrued and unpaid interest, if any, on the 2025 Senior Notes up to, but not including, the date of repurchase (the “Change of Control Payment”) subject to the rights of the Holder on the relevant Regular Record Date to receive interest due on the relevant Interest Payment Date. Within 30 days following any Change of Control Triggering Event or, at the option of the Company, prior to any Change of Control, but after the public announcement of the transaction that constitutes or may constitute the Change of Control, the Company shall deliver a notice to Holders of the 2025 Senior Notes, with a copy to the Trustee, which notice shall govern the terms of the Change of Control Offer, describing the transaction that constitutes or may constitute the Change of Control Triggering Event and offering to repurchase the 2025 Senior Notes on the date specified in the notice, which date shall be no earlier than 15 days and no later than 60 days from the date such notice is sent other than as may be required by law or, if the notice is sent prior to the Change of Control, no earlier than 15 days and no later than 60 days from the date on which the Change of Control Triggering Event occurs (the “Change of Control Payment Date”). The notice shall, if sent prior to the date of consummation of the Change of Control, state that the Change of Control Offer is conditioned on the Change of Control Triggering Event occurring on or prior to the Change of Control Payment Date.
- (b) On the Change of Control Payment Date, the Company shall, to the extent lawful:
- (i) accept for payment all 2025 Senior Notes or portions of 2025 Senior Notes properly tendered pursuant to the Change of Control Offer;
 - (ii) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all 2025 Senior Notes or portions of 2025 Senior Notes properly tendered in accordance with the procedures set forth in the Global Securities representing the 2025 Senior Notes; and
 - (iii) deliver or cause to be delivered to the Trustee the 2025 Senior Notes properly accepted together with an Officer’s Certificate stating the principal amount of 2025 Senior Notes or portions of 2025 Senior Notes being repurchased.

The Company shall publicly announce the results of the Change of Control Offer on or as soon as possible after the date of purchase.

- (c) The Company shall not be required to make a Change of Control Offer upon the occurrence of a Change of Control Triggering Event if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and the third party repurchases all 2025 Senior Notes properly tendered and not withdrawn under its offer.
- (d) The Company shall comply in all material respects with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of the 2025 Senior Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any such securities laws or regulations conflict with the Change of Control Offer provisions of the 2025 Senior Notes, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 1109 by virtue of any such conflict.

Section 2. The recitals and statements in this Sixteenth Supplemental Indenture are made by the Company only and not by the Trustee, and the Trustee makes no representation as to the validity or sufficiency of this Sixteenth Supplemental Indenture (other than with respect to the due authorization, execution and delivery of this Sixteenth Supplemental Indenture by the Trustee). All of the provisions contained in the Original Indenture in respect of the rights, privileges, immunities, powers and duties of the Trustee shall be applicable in respect of the 2025 Senior Notes and of this Sixteenth Supplemental Indenture as fully and with like effect as if set forth herein in full.

Section 3. As supplemented hereby, the Original Indenture is in all respects ratified and confirmed, and the Original Indenture and this Sixteenth Supplemental Indenture shall be read, taken and construed as one and the same instrument and all references to Securities in the Original Indenture shall be deemed to refer also to the 2025 Senior Notes unless the context otherwise provides.

Section 4. This Sixteenth Supplemental Indenture shall be governed by, and construed in accordance with, the laws of the State of New York.

Section 5. In the event of a conflict between the terms and conditions of the Original Indenture and the terms and conditions of this Sixteenth Supplemental Indenture, then the terms and conditions of this Sixteenth Supplemental Indenture shall prevail; provided that if and to the extent that any provision of this Sixteenth Supplemental Indenture limits, qualifies or conflicts with another provision which is required to be included herein or in the Original Indenture by the Trust Indenture Act of 1939, as amended, such required provision shall control.

Section 6. All covenants and agreements in this Sixteenth Supplemental Indenture by the Company shall bind its successors and assigns, whether so expressed or not.

Section 7. In case any provision in this Sixteenth Supplemental Indenture shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired hereby.

Section 8. Nothing in this Sixteenth Supplemental Indenture, expressed or implied, shall give to any Person, other than the parties hereto and any Paying Agent, any Security Registrar and any Authenticating Agent for the 2025 Senior Notes and their successors under the Indenture, and the Holders of the 2025 Senior Notes any benefit or any legal or equitable right, remedy or claim under this Sixteenth Supplemental Indenture.

Section 9. This Sixteenth Supplemental Indenture may be simultaneously executed in several counterparts, each of which shall be deemed to be an original, and such counterparts shall together constitute but one and the same instrument.

HUMANA INC.

This Note is one of a duly authorized issue of Securities of the Company designated as its 4.500% Senior Notes due 2025 (the “Notes”). The Notes are one of an indefinite number of series of debt securities of the Company (the “Securities”), issued or issuable under and pursuant to a base indenture, dated as of August 5, 2003 (the “Base Indenture”), between the Company and The Bank of New York Mellon Trust Company, N.A. (formerly known as The Bank of New York Trust Company, N.A.) (as successor to The Bank of New York) (herein called the “Trustee,” which term includes any successor Trustee under the Indenture), as supplemented by a sixteenth supplemental indenture, dated as of March 26, 2020 (the “Sixteenth Supplemental Indenture”; the Base Indenture as supplemented by the Sixteenth Supplemental Indenture is herein called the “Indenture”), to which Indenture and all indentures supplemental thereto (other than supplemental indentures creating a different series of notes) reference is hereby made for a statement of the respective rights thereunder of the Company, the Trustee and the Holders of the Notes and the terms upon which the Notes are to be authenticated and delivered. The terms, conditions and provisions of the Notes are those stated in the Indenture, those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended, and those set forth in this Note. This Note is one of a series designated on the face hereof initially issued in an aggregate principal amount of \$. The Company may, from time to time, without the consent of the Holders, issue and sell additional Securities ranking equally with the Notes and otherwise identical in all respects (except for their date of issue, issue price and, if applicable, the first payment of interest on the additional Securities) so that such additional Securities shall be consolidated and form a single series with the Notes. If any additional Securities are not fungible with the Notes for U.S. federal income tax purposes, they will be issued with a different CUSIP number (or other applicable identifying number).

The terms of other series of Securities issued under the Base Indenture may vary with respect to interest rates or interest rate formulas, issue dates, maturity, redemption, repayment, currency of payment and otherwise as provided in the Base Indenture. The Base Indenture further provides that Securities of a single series may be issued at various times, with different maturity dates and may bear interest at different rates. All terms used in this Note which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

This Note is not subject to any sinking fund.

If an Event of Default (other than an Event of Default described in Section 501(5) or 501(6) of the Indenture, with respect to the Company) with respect to the Notes shall occur and be continuing, then either the Trustee or the Holders of not less than 25% in aggregate principal amount of the Notes of this series then Outstanding may declare the aggregate principal amount of the Notes of this series due and payable in the manner and with the effect provided in the Indenture. If an Event of Default specified in Section 501(5) or 501(6) occurs with respect to the Company, all of the unpaid principal amount and accrued interest thereon shall ipso facto become and be immediately due and payable in the manner and with the effect provided in the Indenture without any declaration or other act by the Trustee or any Holder.

This Note may be redeemed at any time in whole, or from time to time in part, at the option of the Company (such date of redemption, the “Optional Redemption Date”) at the Redemption Price (as defined below) plus accrued and unpaid interest thereon to the Optional Redemption Date, subject to the rights of Holders as of the close of business on a relevant Record Date to receive interest due on the related Interest Payment Date.

The “Redemption Price” shall equal the greater of:

- 100% of the principal amount of the Notes to be redeemed; and
- the sum of the present values of the remaining scheduled payments on the Notes to be redeemed consisting of principal and interest, exclusive of interest accrued to the Optional Redemption Date that would be due if the notes matured on the Par Call Date, discounted to the Optional Redemption Date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the applicable Treasury Yield plus 50 basis points;

provided, however, that if the Company redeems any Notes on or after the Par Call Date, the Redemption Price for such Notes shall equal 100% of the principal amount of Notes to be redeemed.

The Notes called for redemption become due on the Optional Redemption Date. Notices of redemption will be mailed (or otherwise transmitted in accordance with the applicable procedures of the Depositary) at least 15 but not more than 60 days before the Optional Redemption Date to each Holder of Notes to be redeemed at its registered address. The notice of redemption for the Notes will state the amount to be redeemed. On and after the Optional Redemption Date, interest will cease to accrue on any Notes that are redeemed. If less than all the Notes are redeemed at any time, the Notes shall be selected on a pro rata basis or by any other method the Trustee deems fair and appropriate.

For purposes of determining the Redemption Price, the following definitions are applicable:

“Comparable Treasury Issue” means the United States Treasury security selected by an Independent Investment Banker as having a maturity comparable to the remaining term of the Notes to be redeemed (assuming, for this purpose, that such Notes matured on the Par Call Date) that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the Notes assuming for this purpose, the Notes mature on the Par Call Date.

“Comparable Treasury Price” means, with respect to any Optional Redemption Date the average of the Reference Treasury Dealer Quotations obtained by the Company for that Optional Redemption Date, after excluding the highest and lowest of such Reference Treasury Dealer Quotations, or, if the Company is unable to obtain at least four such Reference Treasury Dealer Quotations, the average of all Reference Treasury Dealer Quotations obtained by the Company.

“Independent Investment Banker” means each of BofA Securities, Inc., Goldman Sachs & Co. LLC or J.P. Morgan Securities LLC, as selected by the Company or, if all such firms are unwilling or unable to select the applicable Comparable Treasury Issue, an independent investment banking institution of national standing appointed by the Company.

“Par Call Date” means March 1, 2025 (one month prior to maturity).

“Reference Treasury Dealer” means each of BofA Securities, Inc., Goldman Sachs & Co. LLC or J.P. Morgan Securities LLC and their respective successors and two other primary U.S. government securities dealers in New York City (each, a “Primary Treasury Dealer”) selected by the Independent Investment Banker; provided, however, that if any of the foregoing shall cease to be a Primary Treasury Dealer, the Company shall substitute therefor another Primary Treasury Dealer.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any Optional Redemption Date for the Notes, an average, as determined by the Company, of the bid and asked prices for the Comparable Treasury Issue for the Notes, expressed in each case as a percentage of its principal amount, quoted in writing to the Company by the Reference Treasury Dealer at 3:30 p.m., New York City time, on the third business day preceding the Optional Redemption Date.

“Treasury Yield” means, with respect to any Optional Redemption Date, the rate per annum equal to the semi-annual equivalent yield to maturity, computed as of the third business day immediately preceding the Optional Redemption Date, of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue, expressed as a percentage of its principal amount, equal to the applicable Comparable Treasury Price for the Optional Redemption Date.

As provided in the Indenture, the Notes shall be subject to repurchase by the Company or a third party at the option of the Holders at a purchase price of 101% upon the occurrence of a Change of Control Triggering Event. Upon receipt of notice of a Change of Control Offer, Holders electing to have Notes repurchased pursuant to the Change of Control Offer shall either (i) surrender this Note with the form of “Option of Holder to Elect Repurchase” attached hereto completed or (ii) transfer its Notes to the Paying Agent by book-entry transfer pursuant to the applicable procedures of the Paying Agent, in either case prior to the close of business on the third Business Day prior to the Change of Control Payment Date.

The Indenture permits, with certain exceptions as therein provided, the Company and the Trustee with the consent of the Holders of more than 50% in aggregate principal amount of the Securities at the time Outstanding of each series issued under the Indenture to be affected thereby, to execute supplemental indentures for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of the Indenture or of modifying in any manner the rights of the Holders of the Securities of such series; *provided, however*, that no such supplemental indenture shall, among other things, (i) change the Stated Maturity of the principal of, or any installment of principal of or interest on, any Security, or reduce the principal amount thereof or interest thereon, if any, or any premium payable upon redemption thereof; or (ii) change the Place of Payment on any Security or the currency or currency unit in which any Security or the principal or interest thereon is payable; (iii) impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof; (iv) reduce or alter the method of computation of any amount payable upon redemption, repayment or purchase of any Securities by the Company (or the time when such redemption, repayment or purchase may be made); or (v) reduce the percentage in principal amount of the Securities, the Holders of which are required to consent to any supplemental indenture, without the consent of the Holder of each Security affected thereby. The Indenture also contains provisions permitting the Holders of more than 50% in aggregate principal amount of the Securities of each series at the time outstanding, on behalf of the Holders of all the Securities of that series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences with respect to such series, except a default in the payment of principal of or interest, if any, on any Security of that series or a default with respect to a covenant or provision of the Indenture which cannot be amended without the consent of such Holder.

The Notes are issuable only in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The Notes shall be initially issued in the form of a Global Security. All payments of principal of (and premium, if any) and interest on the Notes will be made to the Trustee so long as the Notes are in the form of a Global Security. As provided in the Indenture and subject to certain limitations therein set forth, the Notes are exchangeable for a like aggregate principal amount of Notes as requested by the Holder surrendering the same. If (x) the Depository is at any time unwilling or unable to continue as depository and a successor depository is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility, (y) the Company delivers to the Trustee a Company Order to the effect that this Note shall be exchangeable or (z) an Event of Default has occurred and is continuing with respect to the Notes, this Note shall be exchangeable for Notes in definitive form and in an equal aggregate principal amount. Such definitive Notes shall be registered in such name or names as the Depository shall instruct the Trustee.

As provided in the Indenture and subject to certain limitations set forth therein and above, the transfer of this Note may be registered on the Security Register of the Company, upon surrender of this Note for registration of transfer at the office or agency of the Company in the Borough of Manhattan, The City of New York, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company duly executed by, the Holder hereof or by his attorney duly authorized in writing, and thereupon one or more new Notes of authorized denominations and for the same aggregate principal amount will be issued to the designated transferee or transferees.

No reference herein to the Indenture and no provisions of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of (and premium, if any) and interest on this Note at the time, place and rate, and in the coin or currency, herein and in the Indenture prescribed.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

Certain of the Company’s obligations under the Indenture with respect to Notes may be terminated if the Company irrevocably deposits with the Trustee money or Government Obligations sufficient to pay and discharge the entire indebtedness on all Notes, as provided in the Indenture.

No recourse shall be had for the payment of the principal of (and premium, if any), or the interest, if any, on this Note, or for any claim based thereon, or upon any obligation, covenant or agreement of the Company in the Indenture, against any incorporator, stockholder, officer or director, as such, past, present or future, of the Company or of any successor corporation, whether by virtue of any constitution, statute or rule of law or by the enforcement of any assessment of penalty or otherwise; and all such personal liability is expressly released and waived as a condition of, and as part of the consideration for, the issuance of this Note.

The Indenture and the Notes shall be governed by and construed in accordance with the laws of the State of New York.

THIS SEVENTEENTH SUPPLEMENTAL INDENTURE (the "Seventeenth Supplemental Indenture") is made the 26th day of March, 2020, between HUMANA INC., a corporation duly incorporated and existing under the laws of Delaware and having its principal executive office at 500 West Main Street, Louisville, Kentucky 40202 (hereinafter called "the Company"), and THE BANK OF NEW YORK MELLON TRUST COMPANY, N.A. (formerly known as The Bank of New York Trust Company, N.A. and as successor to The Bank of New York), a national banking association, as Trustee (hereinafter called the "Trustee").

RECITALS OF THE COMPANY

WHEREAS, the Company entered into an Indenture, dated as of August 5, 2003 with the Trustee (the "Original Indenture," and together with this Seventeenth Supplemental Indenture, referred to herein as the "Indenture") (all capitalized terms used in this Seventeenth Supplemental Indenture and not otherwise defined herein have the meanings assigned to such terms in the Original Indenture), for the purposes of issuing its Securities, evidencing its senior unsecured indebtedness, unlimited as to principal amount, to bear such rates of interest, to mature at such time or times, to be issued in one or more series and to have such other provisions as authorized by or pursuant to the authority granted in one or more resolutions of the Board of Directors of the Company; and

WHEREAS, Section 901 of the Original Indenture provides that without the consent of the Holders of the Securities of any series issued under the Original Indenture, the Company, when authorized by a Board Resolution, and the Trustee may, in certain circumstances, enter into one or more indentures supplemental to the Original Indenture; and

WHEREAS, the entry into this Seventeenth Supplemental Indenture by the parties hereto is in all respect authorized by the provisions of the Original Indenture; and

WHEREAS, all conditions necessary to authorize the execution and delivery of this Seventeenth Supplemental Indenture and to make it a valid and binding obligation of the Company have been done or performed; and

NOW, THEREFORE, THIS SEVENTEENTH SUPPLEMENTAL INDENTURE WITNESSETH:

For and in consideration of the promises and the purchase of the 2030 Senior Notes by the Holders thereof, it is mutually covenanted and agreed, for the equal and proportionate benefit of all Holders of the 2030 Senior Notes, as follows:

Section 1. The Original Indenture is hereby amended solely with respect to the 2030 Senior Notes as follows:

(A) By amending Section 101 to insert the following definitions in their entirety in the appropriate alphabetical order as follows:

"Change of Control" means the occurrence of any one of the following: (1) the direct or indirect sale, lease, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the Company's and its subsidiaries assets taken as a whole to any Person other than to the Company or a Subsidiary; (2) the consummation of any transaction (including without limitation, any merger or consolidation) the result of which is that any Person becomes the "beneficial owner" (as defined in Rules 13d-3 and 13d-5 under the Exchange Act), directly or indirectly, of more than 50% of the outstanding Voting Stock of the Company or the Voting Stock of any Parent Company (as defined below) or other Voting Stock into which the Voting Stock of the Company or the Voting Stock of any Parent Company is reclassified, consolidated, exchanged or changed, measured by voting power rather than number of shares; (3) the Company or any Parent Company consolidates with, or merges with or into, any Person, or any Person consolidates with, or merges with or into, the Company or any Parent Company, in any such event pursuant to a transaction in which any of the outstanding Voting Stock of the Company, the Voting Stock of such Parent Company or the Voting Stock of such other Person is converted into or exchanged for cash, securities or other property, other than any such transaction where the shares of the Voting Stock of the Company or the Voting Stock of such Parent Company outstanding immediately prior to such transaction constitute, or are converted into or exchanged for, a majority of the Voting Stock of the surviving Person or any Parent Company of the surviving Person immediately after giving effect to such transaction; or (4) the adoption of a plan relating to the liquidation or dissolution of the Company. Notwithstanding the foregoing, a transaction will not be deemed to involve a Change of Control under clause (2) above if (i) the Company becomes a subsidiary of a Parent Company and (ii) the holders of the Voting Stock of the Company or the Voting Stock of any Parent Company immediately prior to such transaction hold at least a majority of the Voting Stock of such Parent Company immediately following such transaction; provided that any series of related transactions shall be treated as a single transaction. The term "Person," solely as used in this definition, has the meaning given thereto in Section 13(d)(3) of the Exchange Act.

"Change of Control Triggering Event" means the occurrence of both a Change of Control and a related Rating Event.

"Common Stock" means, with respect to any Principal Subsidiary, Capital Stock of any class, however designated, except Capital Stock which is non-participating beyond fixed dividend and liquidation preferences and the holders of which have either no voting rights or limited voting rights entitling them, only in the case of certain contingencies, to elect less than a majority of the directors (or persons performing similar functions) of such Principal Subsidiary, and also includes securities of any class, however designated, which are convertible into Common Stock.

"Indebtedness" means, with respect to any Person (without duplication):

- (1) any liability of that Person (A) for borrowed money, or under any reimbursement obligation relating to a letter of credit or similar instrument; (B) evidenced by a bond, note, debenture or similar instrument; (C) to pay the deferred purchase price of property or services, except trade accounts payable arising in the ordinary course of business; or (D) for the payment of money relating to any obligations under any capital lease of real or personal property which has been recorded as a capitalized lease obligation;

(2) any liability of others described in the preceding clause (1) that the Person has guaranteed or that is otherwise its legal liability or which is secured by a lien on that Person's Property; and

(3) any amendment, supplement, modification, deferral, renewal, extension or refunding of any liability of the types referred to in clauses (1) or (2) above.

"Trigger Period" means the period commencing on the earlier of the first public notice of (a) the occurrence of a Change of Control or (b) the Company's intention to effect a Change of Control and ending 60 days following consummation of such Change of Control (which period shall be extended so long as the rating of the 2030 Senior Notes is under publicly announced consideration for a possible downgrade by either of the Rating Agencies).

"Voting Stock" means, with respect to any Person as of any date, the Capital Stock of such Person that is at the time entitled to vote generally in the election of the board of directors (or other analogous managing body) of such Person.

and the 2030 Senior Notes and any coupons appertaining thereto shall thereafter be deemed not “Outstanding” for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed “Outstanding” for all other purposes hereunder (it being understood that such 2030 Senior Notes shall not be deemed outstanding for accounting purposes). For this purpose, such Covenant Defeasance means that, with respect to the Outstanding 2030 Senior Notes and any coupons appertaining thereto, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a default or Event of Default under subsection 501(3) but, except as specified above, the remainder of this Indenture and the 2030 Senior Notes shall be unaffected thereby.

(F) By replacing Section 404(b) of the Original Indenture in its entirety as follows:

(G) By replacing Section 404(c) of the Original Indenture in its entirety as follows:

(c) in the case of Covenant Defeasance, the Company shall have delivered to the Trustee for the Securities of that series an Opinion of Counsel in the United States reasonably acceptable to such Trustee confirming that, subject to customary assumptions and exclusions, the Holders and beneficial owners of the Outstanding Securities of that series will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(H) By replacing Section 404(d) of the Original Indenture in its entirety as follows:

(d) no Event of Default or event which with the giving of notice or the lapse of time, or both, would become an Event of Default with respect to the 2030 Senior Notes shall have occurred and be continuing on the date of such deposit and no Event of Default under Section 501(5) or Section 501(6) shall have occurred and be continuing on the 123rd day after such date;

(J) By replacing Section 501 of the Original Indenture in its entirety as follows:

“Event of Default” wherever used herein with respect to the 2030 Senior Notes means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

- (1) default in the payment of any installment of interest upon any 2030 Senior Note and any related coupon when it becomes due and payable, and continuance of such default for a period of 30 days; or
- (2) default in the payment of the principal of (or premium, if any, on) any 2030 Senior Note at its Maturity; or
- (3) default in the performance of, or breach of, any covenant or warranty of the Company in respect of any 2030 Senior Note contained in this Indenture or in such 2030 Senior Notes (other than a covenant or warranty a default in whose performance or whose breach is elsewhere in this Section specifically dealt with) and continuance of such default or breach for a period of 60 days after there has been given, by registered or certified mail, to the Company by the Trustee for the 2030 Senior Notes or to the Company and such Trustee by the Holders of at least 25% in aggregate principal amount of the Outstanding 2030 Senior Notes a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a “*Notice of Default*” hereunder; or
- (4) (A) the Company or any of its Subsidiaries fails to pay indebtedness for money borrowed by the Company or any of its Subsidiaries in an aggregate principal amount of at least \$150,000,000, at the later of final maturity or the expiration of any related applicable grace period and such payment shall not have been made, waived or extended within 30 days after written notice from the Trustee or the Holders of at least 25% in aggregate principal amount of the Outstanding 2030 Senior Notes as provided below or (B) acceleration of maturity of Securities of another series or any other indebtedness for borrowed money of the Company or any of its Subsidiaries, in an aggregate principal amount exceeding \$150,000,000, under the terms of the instrument or instruments under which such indebtedness arises or is

secured, if such indebtedness has not been discharged in full or such acceleration is not rescinded or annulled within 30 days after there has been given, by registered or certified mail, to the Company by the Trustee or to the Company and such Trustee by the Holders of at least 25% in aggregate principal amount of the Outstanding 2030 Senior Notes a written notice specifying such default and requiring it to be remedied and stating that such notice is a “*Notice of Default*” hereunder; or

(5) the Company shall commence any case or proceeding seeking to have an order for relief entered on its behalf as debtor or to adjudicate it as bankrupt or insolvent or seeking reorganization, liquidation, dissolution, winding-up, arrangement, composition or readjustment of its debts or any other relief under any bankruptcy, insolvency, reorganization, liquidation, dissolution, arrangement, composition, readjustment of debt or other similar act or law of any jurisdiction, domestic or foreign, now or hereafter existing; or the Company shall apply for a receiver, custodian or trustee (other than any trustee appointed as a mortgagee or secured party in connection with the issuance of indebtedness for borrowed money of the Company) of it or for all or a substantial part of its property; or the Company shall make a general assignment for the benefit of creditors; or the Company shall take any corporate action in furtherance of any of the foregoing; or

(6) an involuntary case or other proceeding shall be commenced against the Company with respect to it or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect seeking the appointment of a trustee, receiver, liquidator, custodian or similar official of the Company or any substantial part of its property; and such case or other proceeding (A) results in the entry of an order for relief or a similar order against the Company or (B) shall continue unstayed and in effect for a period of 60 consecutive days.

(K) By replacing the first and second paragraphs of Section 502 of the Original Indenture in their entirety as follows:

If an Event of Default with respect to the 2030 Senior Notes and any related coupons occurs and is continuing (other than an Event of Default described in Section 501(5) or 501(6) with respect to the Company), then and in every such case either the Trustee for the 2030 Senior Notes or the Holders of not less than 25% in aggregate principal amount of the Outstanding 2030 Senior Notes may declare the entire principal amount of all the 2030 Senior Notes, to be due and payable immediately, by a notice in writing to the Company (and to such Trustee if given by Holders), and upon any such declaration of acceleration such principal, together with accrued interest and all other amounts owing hereunder, shall become immediately due and payable, without presentment, demand, protest or notice of any kind, all of which are hereby expressly waived.

If any Event of Default specified in Section 501(5) or 501(6) occurs with respect to the Company, all of the unpaid principal amount and accrued interest on all Securities of each series then outstanding shall *ipso facto* become and be immediately due and payable without any declaration or other act by the Trustee or any Holder.

(L) By replacing the last paragraph of Section 607 of the Original Indenture in its entirety as follows:

When the Trustee incurs expenses or renders services in connection with an Event of Default specified in Section 501(5) or Section 501(6) the expenses (including the reasonable charges and expenses of its counsel) and the compensation for the services are intended to constitute expenses of administration under any applicable Federal or state bankruptcy, insolvency or other similar law.

(M) By replacing Section 1007 of the Original Indenture in its entirety as follows:

Section 1007. *Limitation on Liens*

The Company shall not, and shall not permit any of its Principal Subsidiaries to, issue, assume, incur or guarantee any Indebtedness secured by a mortgage, pledge, lien or other encumbrance, directly or indirectly, on any of the Common Stock of a Principal Subsidiary owned by the Company or any of its Principal Subsidiaries, unless the Company’s obligations under the 2030 Senior Notes and, if the Company so elects, any other Indebtedness of the Company ranking on a parity with, or prior to, the 2030 Senior Notes, shall be secured equally and ratably with, or prior to, such secured Indebtedness so long as it is outstanding and is so secured.

(N) By replacing Section 1008 of the Original Indenture in its entirety as follows:

Section 1008. *Waiver of Certain Covenants.*

The Company may omit in any particular instance to comply with any covenant or condition set forth in Sections 1005 to 1007, inclusive, if before or after the time for such compliance the Holders of more than 50% in aggregate principal amount of the Outstanding Securities of each series of Securities affected by the omission shall, in each case by Act of such Holders, either waive such compliance in such instance or generally waive compliance with such covenant or condition, but no such waiver shall extend to or affect such covenant or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company and the duties of the Trustee for the Securities of each series with respect to any such covenant or condition shall remain in full force and effect.

(O) By deleting Section 1009 from the Original Indenture in its entirety.

(P) By adding Section 1109 to the Original Indenture as follows:

Section 1109. *Offer to Repurchase Upon Change of Control Triggering Event.*

- (a) If a Change of Control Triggering Event occurs with respect to the 2030 Senior Notes, unless the Company shall have exercised its option to redeem the 2030 Senior Notes pursuant to Section 1102, the Company shall be required to make an offer (the “Change of Control Offer”) to each Holder of 2030 Senior Notes to repurchase all or any part (equal to \$2,000 or any integral multiple of \$1,000 in excess thereof) of such Holder’s 2030 Senior Notes on the terms set forth in this Section 1109. In the Change of Control Offer, the Company shall be required to offer payment in cash equal to 101% of the principal amount of the 2030 Senior Notes to be repurchased, plus accrued and unpaid interest, if any, on the 2030 Senior Notes up to, but not including, the date of repurchase (the “Change of Control Payment”) subject to the rights of the Holder on the relevant Regular Record Date to receive interest due on the relevant Interest Payment Date. Within 30 days following any Change of Control Triggering Event or, at the option of the Company, prior to any Change of Control, but after the public announcement of the transaction that constitutes or may constitute the Change of Control, the Company shall deliver a notice to Holders of the 2030 Senior Notes, with a copy to the Trustee, which notice shall govern the terms of the Change of Control Offer, describing the transaction that constitutes or may constitute the Change of Control Triggering Event and offering to repurchase the 2030 Senior Notes on the date specified in the notice, which date shall be no earlier than 15 days and no later than 60 days from the date such notice is sent other than as may be required by law or, if the notice is sent prior to the Change of Control, no earlier than 15 days and no later than 60 days from the date on which the Change of Control Triggering Event occurs (the “Change of Control Payment Date”). The notice shall, if sent prior to the date of consummation of the Change of Control, state that the Change of Control Offer is conditioned on the Change of Control Triggering Event occurring on or prior to the Change of Control Payment Date.
- (b) On the Change of Control Payment Date, the Company shall, to the extent lawful:
- (i) accept for payment all 2030 Senior Notes or portions of 2030 Senior Notes properly tendered pursuant to the Change of Control Offer;
 - (ii) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all 2030 Senior Notes or portions of 2030 Senior Notes properly tendered in accordance with the procedures set forth in the Global Securities representing the 2030 Senior Notes; and
 - (iii) deliver or cause to be delivered to the Trustee the 2030 Senior Notes properly accepted together with an Officer’s Certificate stating the principal amount of 2030 Senior Notes or portions of 2030 Senior Notes being repurchased.

The Company shall publicly announce the results of the Change of Control Offer on or as soon as possible after the date of purchase.

- (c) The Company shall not be required to make a Change of Control Offer upon the occurrence of a Change of Control Triggering Event if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and the third party repurchases all 2030 Senior Notes properly tendered and not withdrawn under its offer.
- (d) The Company shall comply in all material respects with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of the 2030 Senior Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any such securities laws or regulations conflict with the Change of Control Offer provisions of the 2030 Senior Notes, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 1109 by virtue of any such conflict.

Section 2. The recitals and statements in this Seventeenth Supplemental Indenture are made by the Company only and not by the Trustee, and the Trustee makes no representation as to the validity or sufficiency of this Seventeenth Supplemental Indenture (other than with respect to the due authorization, execution and delivery of this Seventeenth Supplemental Indenture by the Trustee). All of the provisions contained in the Original Indenture in respect of the rights, privileges, immunities, powers and duties of the Trustee shall be applicable in respect of the 2030 Senior Notes and of this Seventeenth Supplemental Indenture as fully and with like effect as if set forth herein in full.

Section 3. As supplemented hereby, the Original Indenture is in all respects ratified and confirmed, and the Original Indenture and this Seventeenth Supplemental Indenture shall be read, taken and construed as one and the same instrument and all references to Securities in the Original Indenture shall be deemed to refer also to the 2030 Senior Notes unless the context otherwise provides.

Section 4. This Seventeenth Supplemental Indenture shall be governed by, and construed in accordance with, the laws of the State of New York.

Section 5. In the event of a conflict between the terms and conditions of the Original Indenture and the terms and conditions of this Seventeenth Supplemental Indenture, then the terms and conditions of this Seventeenth Supplemental Indenture shall prevail; provided that if and to the extent that any provision of this Seventeenth Supplemental Indenture limits, qualifies or conflicts with another provision which is required to be included herein or in the Original Indenture by the Trust Indenture Act of 1939, as amended, such required provision shall control.

Section 6. All covenants and agreements in this Seventeenth Supplemental Indenture by the Company shall bind its successors and assigns, whether so expressed or not.

Section 7. In case any provision in this Seventeenth Supplemental Indenture shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired hereby.

Section 8. Nothing in this Seventeenth Supplemental Indenture, expressed or implied, shall give to any Person, other than the parties hereto and any Paying Agent, any Security Registrar and any Authenticating Agent for the 2030 Senior Notes and their successors under the Indenture, and the Holders of the 2030 Senior Notes any benefit or any legal or equitable right, remedy or claim under this Seventeenth Supplemental Indenture.

HUMANA INC.

This Note is one of a duly authorized issue of Securities of the Company designated as its 4.875% Senior Notes due 2030 (the “Notes”). The Notes are one of an indefinite number of series of debt securities of the Company (the “Securities”), issued or issuable under and pursuant to a base indenture, dated as of August 5, 2003 (the “Base Indenture”), between the Company and The Bank of New York Mellon Trust Company, N.A. (formerly known as The Bank of New York Trust Company, N.A.) (as successor to The Bank of New York) (herein called the “Trustee,” which term includes any successor Trustee under the Indenture), as supplemented by a seventeenth supplemental indenture, dated as of March 26, 2020 (the “Seventeenth Supplemental Indenture”; the Base Indenture as supplemented by the Seventeenth Supplemental Indenture is herein called the “Indenture”), to which Indenture and all indentures supplemental thereto (other than supplemental indentures creating a different series of notes) reference is hereby made for a statement of the respective rights thereunder of the Company, the Trustee and the Holders of the Notes and the terms upon which the Notes are to be authenticated and delivered. The terms, conditions and provisions of the Notes are those stated in the Indenture, those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended, and those set forth in this Note. This Note is one of a series designated on the face hereof initially issued in an aggregate principal amount of \$. The Company may, from time to time, without the consent of the Holders, issue and sell additional Securities ranking equally with the Notes and otherwise identical in all respects (except for their date of issue, issue price and, if applicable, the first payment of interest on the additional Securities) so that such additional Securities shall be consolidated and form a single series with the Notes. If any additional Securities are not fungible with the Notes for U.S. federal income tax purposes, they will be issued with a different CUSIP number (or other applicable identifying number).

The terms of other series of Securities issued under the Base Indenture may vary with respect to interest rates or interest rate formulas, issue dates, maturity, redemption, repayment, currency of payment and otherwise as provided in the Base Indenture. The Base Indenture further provides that Securities of a single series may be issued at various times, with different maturity dates and may bear interest at different rates. All terms used in this Note which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

This Note is not subject to any sinking fund.

If an Event of Default (other than an Event of Default described in Section 501(5) or 501(6) of the Indenture, with respect to the Company) with respect to the Notes shall occur and be continuing, then either the Trustee or the Holders of not less than 25% in aggregate principal amount of the Notes of this series then Outstanding may declare the aggregate principal amount of the Notes of this series due and payable in the manner and with the effect provided in the Indenture. If an Event of Default specified in Section 501(5) or 501(6) occurs with respect to the Company, all of the unpaid principal amount and accrued interest thereon shall ipso facto become and be immediately due and payable in the manner and with the effect provided in the Indenture without any declaration or other act by the Trustee or any Holder.

This Note may be redeemed at any time in whole, or from time to time in part, at the option of the Company (such date of redemption, the “Optional Redemption Date”) at the Redemption Price (as defined below) plus accrued and unpaid interest thereon to the Optional Redemption Date, subject to the rights of Holders as of the close of business on a relevant Record Date to receive interest due on the related Interest Payment Date.

The “Redemption Price” shall equal the greater of:

- 100% of the principal amount of the Notes to be redeemed; and
- the sum of the present values of the remaining scheduled payments on the Notes to be redeemed consisting of principal and interest, exclusive of interest accrued to the Optional Redemption Date that would be due if the notes matured on the Par Call Date, discounted to the Optional Redemption Date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the applicable Treasury Yield plus 50 basis points;

provided, however, that if the Company redeems any Notes on or after the Par Call Date, the Redemption Price for such Notes shall equal 100% of the principal amount of Notes to be redeemed.

The Notes called for redemption become due on the Optional Redemption Date. Notices of redemption will be mailed (or otherwise transmitted in accordance with the applicable procedures of the Depositary) at least 15 but not more than 60 days before the Optional Redemption Date to each Holder of Notes to be redeemed at its registered address. The notice of redemption for the Notes will state the amount to be redeemed. On and after the Optional Redemption Date, interest will cease to accrue on any Notes that are redeemed. If less than all the Notes are redeemed at any time, the Notes shall be selected on a pro rata basis or by any other method the Trustee deems fair and appropriate.

For purposes of determining the Redemption Price, the following definitions are applicable:

“Comparable Treasury Issue” means the United States Treasury security selected by an Independent Investment Banker as having a maturity comparable to the remaining term of the Notes to be redeemed (assuming, for this purpose, that such Notes matured on the Par Call Date) that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the Notes assuming for this purpose, the Notes mature on the Par Call Date.

“Comparable Treasury Price” means, with respect to any Optional Redemption Date the average of the Reference Treasury Dealer Quotations obtained by the Company for that Optional Redemption Date, after excluding the highest and lowest of such Reference Treasury Dealer Quotations, or, if the Company is unable to obtain at least four such Reference Treasury Dealer Quotations, the average of all Reference Treasury Dealer Quotations obtained by the Company.

“Independent Investment Banker” means each of BofA Securities, Inc., Goldman Sachs & Co. LLC or J.P. Morgan Securities LLC, as selected by the Company or, if all such firms are unwilling or unable to select the applicable Comparable Treasury Issue, an independent investment banking institution of national standing appointed by the Company.

“Par Call Date” means January 1, 2030 (three months prior to maturity).

“Reference Treasury Dealer” means each of BofA Securities, Inc., Goldman Sachs & Co. LLC or J.P. Morgan Securities LLC and their respective successors and two other primary U.S. government securities dealers in New York City (each, a “Primary Treasury Dealer”) selected by the Independent Investment Banker; provided, however, that if any of the foregoing shall cease to be a Primary Treasury Dealer, the Company shall substitute therefor another Primary Treasury Dealer.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any Optional Redemption Date for the Notes, an average, as determined by the Company, of the bid and asked prices for the Comparable Treasury Issue for the Notes, expressed in each case as a percentage of its principal amount, quoted in writing to the Company by the Reference Treasury Dealer at 3:30 p.m., New York City time, on the third business day preceding the Optional Redemption Date.

“Treasury Yield” means, with respect to any Optional Redemption Date, the rate per annum equal to the semi-annual equivalent yield to maturity, computed as of the third business day immediately preceding the Optional Redemption Date, of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue, expressed as a percentage of its principal amount, equal to the applicable Comparable Treasury Price for the Optional Redemption Date.

As provided in the Indenture, the Notes shall be subject to repurchase by the Company or a third party at the option of the Holders at a purchase price of 101% upon the occurrence of a Change of Control Triggering Event. Upon receipt of notice of a Change of Control Offer, Holders electing to have Notes repurchased pursuant to the Change of Control Offer shall either (i) surrender this Note with the form of “Option of Holder to Elect Repurchase” attached hereto completed or (ii) transfer its Notes to the Paying Agent by book-entry transfer pursuant to the applicable procedures of the Paying Agent, in either case prior to the close of business on the third Business Day prior to the Change of Control Payment Date.

The Indenture permits, with certain exceptions as therein provided, the Company and the Trustee with the consent of the Holders of more than 50% in aggregate principal amount of the Securities at the time Outstanding of each series issued under the Indenture to be affected thereby, to execute supplemental indentures for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of the Indenture or of modifying in any manner the rights of the Holders of the Securities of such series; *provided, however*, that no such supplemental indenture shall, among other things, (i) change the Stated Maturity of the principal of, or any installment of principal of or interest on, any Security, or reduce the principal amount thereof or interest thereon, if any, or any premium payable upon redemption thereof; or (ii) change the Place of Payment on any Security or the currency or currency unit in which any Security or the principal or interest thereon is payable; (iii) impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof; (iv) reduce or alter the method of computation of any amount payable upon redemption, repayment or purchase of any Securities by the Company (or the time when such redemption, repayment or purchase may be made); or (v) reduce the percentage in principal amount of the Securities, the Holders of which are required to consent to any supplemental indenture, without the consent of the Holder of each Security affected thereby. The Indenture also contains provisions permitting the Holders of more than 50% in aggregate principal amount of the Securities of each series at the time outstanding, on behalf of the Holders of all the Securities of that series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences with respect to such series, except a default in the payment of principal of or interest, if any, on any Security of that series or a default with respect to a covenant or provision of the Indenture which cannot be amended without the consent of such Holder.

The Notes are issuable only in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The Notes shall be initially issued in the form of a Global Security. All payments of principal of (and premium, if any) and interest on the Notes will be made to the Trustee so long as the Notes are in the form of a Global Security. As provided in the Indenture and subject to certain limitations therein set forth, the Notes are exchangeable for a like aggregate principal amount of Notes as requested by the Holder surrendering the same. If (x) the Depository is at any time unwilling or unable to continue as depository and a successor depository is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility, (y) the Company delivers to the Trustee a Company Order to the effect that this Note shall be exchangeable or (z) an Event of Default has occurred and is continuing with respect to the Notes, this Note shall be exchangeable for Notes in definitive form and in an equal aggregate principal amount. Such definitive Notes shall be registered in such name or names as the Depository shall instruct the Trustee.

As provided in the Indenture and subject to certain limitations set forth therein and above, the transfer of this Note may be registered on the Security Register of the Company, upon surrender of this Note for registration of transfer at the office or agency of the Company in the Borough of Manhattan, The City of New York, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company duly executed by, the Holder hereof or by his attorney duly authorized in writing, and thereupon one or more new Notes of authorized denominations and for the same aggregate principal amount will be issued to the designated transferee or transferees.

No reference herein to the Indenture and no provisions of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of (and premium, if any) and interest on this Note at the time, place and rate, and in the coin or currency, herein and in the Indenture prescribed.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

Certain of the Company’s obligations under the Indenture with respect to Notes may be terminated if the Company irrevocably deposits with the Trustee money or Government Obligations sufficient to pay and discharge the entire indebtedness on all Notes, as provided in the Indenture.

No recourse shall be had for the payment of the principal of (and premium, if any), or the interest, if any, on this Note, or for any claim based thereon, or upon any obligation, covenant or agreement of the Company in the Indenture, against any incorporator, stockholder, officer or director, as such, past, present or future, of the Company or of any successor corporation, whether by virtue of any constitution, statute or rule of law or by the enforcement of any assessment of penalty or otherwise; and all such personal liability is expressly released and waived as a condition of, and as part of the consideration for, the issuance of this Note.

The Indenture and the Notes shall be governed by and construed in accordance with the laws of the State of New York.

Ladies and Gentlemen:

We are acting as counsel to Humana Inc., a Delaware corporation (the “Company”), in connection with the Registration Statement on Form S-3 (File No. 333-223554) (the “Registration Statement”), under the Securities Act of 1933, as amended (the “Securities Act”), with respect to the issuance of \$600,000,000 aggregate principal amount of 4.500% Senior Notes due 2025 and \$500,000,000 aggregate principal amount of 4.875% Senior Notes due 2030 (collectively, the “Debt Securities”) of the Company. The Debt Securities are being offered and sold by the Company in a public offering pursuant to an underwriting agreement dated March 23, 2020 by and between the Company and BofA Securities, Inc., Goldman Sachs & Co. LLC and J.P. Morgan Securities LLC, as representatives of the underwriters named therein (the “Underwriting Agreement”). With your permission, all assumptions and statements of reliance herein have been made without any independent investigation or verification on our part, and we express no opinion with respect to the subject matter or accuracy of such assumptions or items relied upon.

The Debt Securities have been issued pursuant to a senior debt indenture, dated as of August 5, 2003, by and between the Company and The Bank of New York Trust Company, N.A. (formerly known as The Bank of New York Trust Company, N.A.) (as successor to The Bank of New York), as trustee (the “Trustee”) (as supplemented, in the case of the 4.500% Senior Notes due 2025, by the Sixteenth Supplemental Indenture dated as of March 26, 2020, the “5-Year Indenture” and as supplemented, in the case of the 4.875% Senior Notes due 2030, by the Seventeenth Supplemental Indenture dated as of March 26 2020, the “10-Year Indenture”; the 5-Year Indenture and the 10-Year Indenture are collectively referred to herein as the “Indentures”).

In connection with this opinion, we have (i) investigated such questions of law, (ii) examined originals or certified, conformed, electronic or reproduction copies of such agreements, instruments, documents and records of the Company, such certificates of public officials and such other documents and (iii) received such information from officers and representatives of the Company and others, in each case as we have deemed necessary or appropriate for the purposes of this opinion. We have examined, among other documents, the following:

- (a) the Underwriting Agreement;
- (b) the Indentures; and
- (c) specimen forms of the Debt Securities.

The documents referred to in items (a) through (c) above, inclusive, are referred to herein collectively as the “Documents.”

In all such examinations, we have assumed the legal capacity of all natural persons executing the Documents, the genuineness of all signatures, the authenticity of original and certified documents and the conformity to original or certified documents of all copies submitted to us as certified, conformed, electronic, photostatic or reproduction copies. As to various questions of fact relevant to the opinion expressed herein, we have relied upon, and assume the accuracy of, the statements, representations and warranties contained in the Documents, certificates and oral or written statements and other information of or from officers or other appropriate representatives of the Company and others and assume compliance on the part of all parties to the Documents with their respective covenants and agreements contained therein.

We have assumed, for purposes of the opinion expressed herein, that: (i) all of the parties to the Documents (other than the Company) are validly existing and in good standing under the laws of their respective jurisdictions of organization; (ii) all of the parties to the Documents (other than the Company) have the power and authority to (a) execute and deliver the Documents, (b) perform their obligations thereunder and (c) consummate the transactions contemplated thereby; (iii) each of the Documents has been duly authorized, executed and delivered by all of the parties thereto (other than the Company); (iv) each of the Documents constitutes a valid and binding obligation of all the parties thereto (other than as expressly addressed in the opinion below as to the Company), enforceable against such parties in accordance with its terms; (v) the Debt Securities have been duly authenticated and delivered by the Trustee against payment therefor in accordance with the Documents; (vi) all of the parties to the Documents will comply with all laws applicable thereto; and (vii) the Debt Securities conform to the specimens thereof examined by us.

Based upon the foregoing, and subject to the limitations, qualifications and assumptions set forth herein, we are of the opinion that the Debt Securities, when paid for by the Underwriters in accordance with the terms of the Underwriting Agreement, will constitute valid and binding obligations of the Company.

We express no opinion as to the validity, binding effect or enforceability of any provision of the Documents:

- (i) relating to indemnification, contribution or exculpation;
- (ii) containing any purported waiver, release, variation, disclaimer, consent or other agreement of similar effect (all of the foregoing, collectively, a “Waiver”) by any party under any of such agreements or instruments to the extent limited by provisions of applicable law (including judicial decisions), or to the extent that such a Waiver applies to a right, claim, duty, defense or ground for discharge otherwise existing or occurring as a matter of law (including judicial decisions), except to the extent that such a Waiver is effective under, and is not prohibited by or void or invalid under, provisions of applicable law (including judicial decisions);
- (iii) related to (I) forum selection or submission to jurisdiction (including, without limitation, any waiver of any objection to venue in any court or of any objection that a court is an inconvenient forum) to the extent the validity, binding effect or enforceability of any such provision is to be determined by any court other than a court of the State of New York, (II) choice of governing law to the extent that the validity, binding effect or enforceability of any such provision is to be considered by any court other than a court of the State of New York or a federal

district court sitting in the State of New York and applying the law of the State of New York, in each case, applying the choice of law principles of the State of New York, (III) service of process or (IV) waiver of any rights to trial by jury;

- (iv) specifying that provisions thereof may be waived only in writing;
- (v) purporting to give any person or entity the power to accelerate obligations without any notice to the obligor;
- (vi) which may be construed to be in the nature of a penalty;
- (vii) specifying that any person may exercise set-off or similar rights other than in accordance with applicable law;

(viii) relating to payment of late charges, interest (or discount or equivalent amounts), premium, “make-whole” payments, collection costs or fees at a rate or in an amount, after or upon the maturity or acceleration of the liabilities evidenced or secured thereby or after or during the continuance of any default or other circumstance, or upon prepayment, that a court would determine in the circumstances to be unreasonable, a penalty or a forfeiture; or

(ix) requiring that any unearned portion of the Debt Securities issued at a discount be paid upon acceleration or otherwise earlier than the stated final maturity.

We express no opinion as to the effect of any law of any jurisdiction other than the State of New York wherein any party to the Documents may be located or wherein enforcement of any Documents may be sought that limits the rates or interest legally chargeable or collectible.

We express no opinion as to any agreement, instrument or other document (including any agreement, instrument or other document referred to, or incorporated by reference in, the Documents) other than the Documents.

The opinion set forth above is subject to the following qualifications: (i) applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and other similar laws affecting creditors’ rights and remedies generally, and (ii) general principles of equity including, without limitation, standards of materiality, good faith, fair dealing and reasonableness, equitable defenses and limits as to the availability of equitable remedies, whether such principles are considered in a proceeding at law or in equity.

The opinion expressed herein is limited to the laws of the State of New York and, to the extent relevant to the opinions expressed herein, the applicable provisions of the General Corporation Law of the State of Delaware, in each case, as currently in effect, and no opinion is expressed with respect to any other laws or any effect that such other laws may have on the opinion expressed herein. The opinion expressed herein is limited to the matters stated herein, and no opinion is implied or may be inferred beyond the matters expressly stated herein. This letter is given only as of the time of its delivery, and we undertake no responsibility to update or supplement this letter after its delivery.

We hereby consent to the filing of this opinion as an exhibit to the report on Form 8-K filed by the Company on the date hereof and its incorporation by reference into the Registration Statement and to references to this firm under the caption “Legal Matters” in the Registration Statement and prospectus supplements related to the Debt Securities. In giving this consent, we do not hereby admit that we are in the category of persons whose consent is required under Section 7 of the Securities Act.

Very truly yours,
