Humana Elects Raquel C. Bono, M.D. to Board of Directors

LOUISVILLE, Ky. — Sept. 8, 2020 — Humana Inc. (NYSE: HUM) announced today that Raquel C. Bono, M.D. has been elected as a member of the company’s board of directors.

A board-certified trauma surgeon and retired Vice Admiral, U.S. Navy Medical Corps, Dr. Bono served as the Chief Executive Officer and Director for the Defense Health Agency (DHA), the joint, integrated combat support agency that enables all branches of the U.S. military medical services to provide health care to combatant commands. That post capped a military career during which Dr. Bono became known in the halls of the Pentagon, Congress and Executive Branch as a highly accomplished leader with high integrity.

During her tenure with the DHA, Dr. Bono integrated an unprecedented \$50 billion worldwide health care enterprise for the Army, Navy, Air Force and Marine Corps, comprised of 50 hospitals and 300 clinics that provide care to more than nine million military personnel. She oversaw the Department of Defense deployment of electronic health records and facilitated the collaboration between the largest federated health systems of the Department of Defense and Department of Veterans Affairs (VA). Dr. Bono began her career with active duty deployment in Operations Desert Shield and Desert Storm and served in various roles with the Navy and TRICARE prior to joining DHA, including serving as Chief Executive Officer of a large military hospital.

“Dr. Bono’s decorated military service and distinguished and successful career in trauma surgery and health care administration will bring an important perspective to Humana’s Board and further contribute to its strategic composition,” said Humana Chairman of the Board Kurt J. Hilzinger. “Her extensive operational expertise and discipline in managing and advancing health care delivery systems will be vital as the company continues to evolve its clinical and care delivery strategies.”

Since her retirement from DHA in October 2019, Dr. Bono has acted as Principal at RCB Consulting and served as Washington state director for COVID-19 Health System Response Management.

Her election brings the number of Humana directors to 12.
