Item 7.01 Regulation FD Disclosure.

Members of Humana Inc.'s (the "Company") senior management team are scheduled to meet with investors and analysts at industry conferences and various other meetings between June 1, 2022 and June 30, 2022. During these conferences and meetings, the Company intends to reaffirm its guidance of approximately \$22.98 in diluted earnings per common share ("EPS") or approximately \$24.50 in adjusted earnings per common share ("Adjusted EPS"), in each case for the year ending December 31, 2022 ("FY 2022"). Humana's GAAP and Adjusted EPS guidance contemplates an explicit COVID-19 related headwind of \$1.00 per diluted common share as well as the estimated dilutive impact related to the pending divestiture of the company's 60 percent ownership of Kindred at Home's Hospice and Personal Care divisions. This guidance is consistent with the guidance issued in Humana's press release dated April 27, 2022. The date and time of presentations to investors are available via the Investor Relations calendar of events on the Company's website at www.humana.com.

The Company has included Adjusted EPS in this current report, a financial measure that is not in accordance with Generally Accepted Accounting Principles ("GAAP"). Management believes that this measure, when presented in conjunction with the comparable measure of GAAP EPS, is useful to both management and its investors in analyzing the Company's ongoing business and operating performance. Consequently, management uses Adjusted EPS as an indicator of the Company's business performance, as well as for operational planning and decision making purposes. Adjusted EPS should be considered in addition to, but not as a substitute for, or superior to, GAAP EPS. A reconciliation of GAAP EPS to Adjusted EPS follows:

Diluted earnings per common share	FY 2022 Guidance
GAAP	approximately \$22.98
Amortization of identifiable intangibles	0.44
Put/call valuation adjustments associated with Company's non-consolidating minority interest investments	(0.12)
Transaction and integration costs associated with the Kindred at Home acquisition	0.54
Change in fair market value of publicly-traded equity securities	0.66
Adjusted (non-GAAP) – FY 2022 projected	approximately \$24.50
