Emerging growth company

If an emerging growth company, indicate by check mark if the registrant has elected not to use the extended transition period for complying with any new or revised financial accounting standards provided pursuant to Section 13(a) of the Exchange Act.

Item 7.01 Regulation FD Disclosure.

Members of Humana Inc.'s (the "Company") senior management team are scheduled to meet with investors and analysts at industry conferences and various other meetings between September 6, 2023 and September 30, 2023. During these conferences and meetings, the Company intends to reaffirm its guidance of at least \$26.91 in diluted earnings per common share ("EPS") or at least \$28.25 in adjusted earnings per common share ("Adjusted EPS"), in each case for the year ending December 31, 2023 ("FY 2023"). This guidance is consistent with the guidance issued in Humana's press release dated August 2, 2023. The date and time of presentations to investors are available via the Investor Relations calendar of events on the Company's website at www.humana.com.

The Company has included Adjusted EPS in this current report, a financial measure that is not in accordance with Generally Accepted Accounting Principles ("GAAP"). Management believes that this measure, when presented in conjunction with the comparable measure of GAAP EPS, provides a comprehensive perspective to more accurately compare and analyze the Company's core operating performance over time. Consequently, management uses Adjusted EPS as a consistent and uniform indicator of the Company's core business operations, as well as for planning and decision-making purposes. Adjusted EPS should be considered in addition to, but not as a substitute for, or superior to, GAAP EPS. A reconciliation of GAAP EPS to Adjusted EPS follows:

Diluted earnings per common share	FY 2023 Guidance
GAAP	<i>at least \$26.91</i>
Amortization of identifiable intangibles	0.53
Put/call valuation adjustments associated with Company's non-consolidating minority interest investments	0.85
Transaction and integration costs	(0.38)
Change in fair market value of publicly-traded equity securities	(0.01)
Impact of exit of employer group commercial medical products business	0.17
Accrual related to certain anticipated litigation expenses	0.72
Tax impact of non-GAAP adjustments	(0.54)
Adjusted (non-GAAP) – FY 2023 projected	<i>at least \$28.25</i>

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the Registrant has duly caused this Report to be signed on its behalf by the undersigned hereunto duly authorized.
