Cautionary Statement

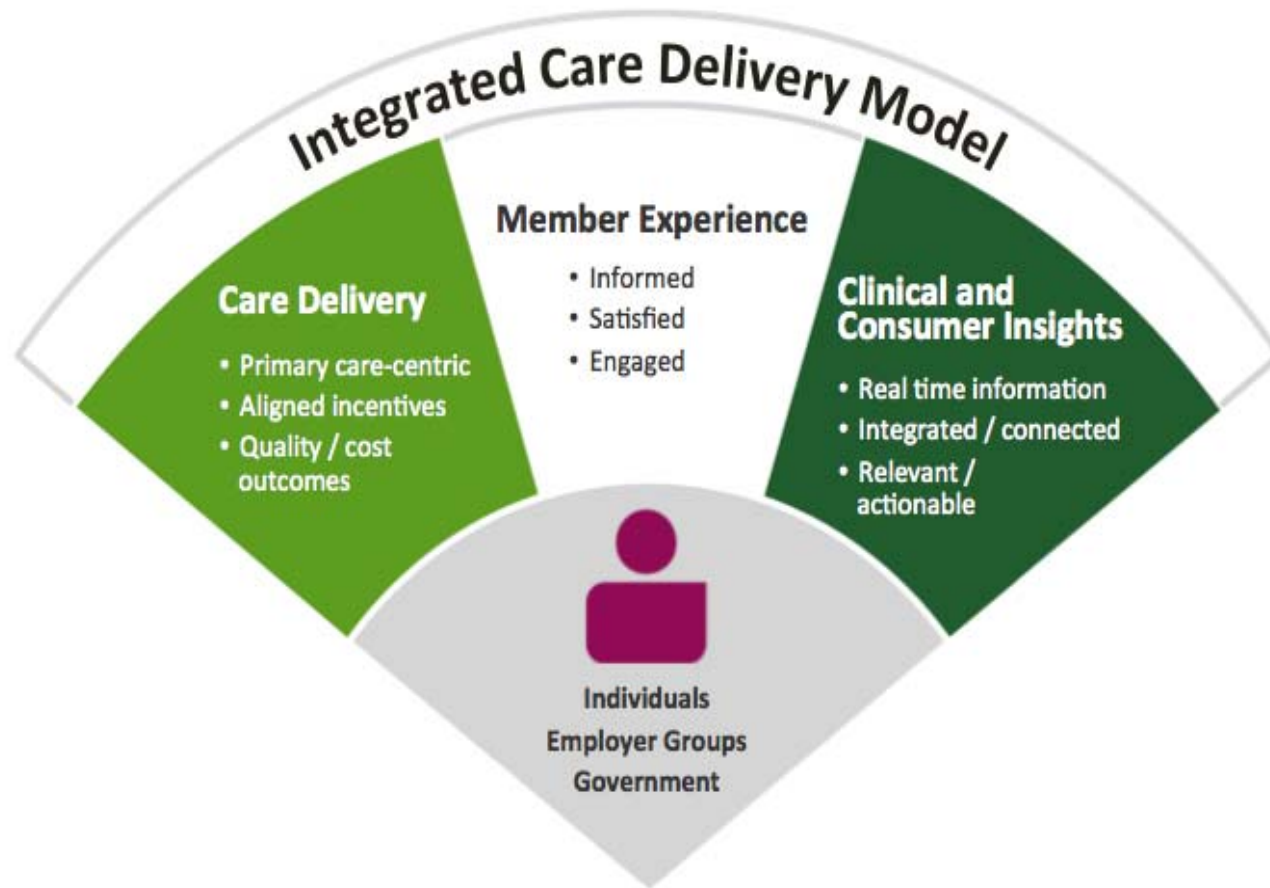

This presentation includes forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. When used in investor presentations, press releases, Securities and Exchange Commission (SEC) filings, and in oral statements made by or with the approval of one of our executive officers, the words or phrases like "expects," "anticipates," "believes," "intends," "likely will result," "estimates," "projects" or variations of such words and similar expressions are intended to identify such forward-looking statements. These forward-looking statements are not guarantees of future performance and are subject to risks, uncertainties, and assumptions, including, among other things, information set forth in the "Risk Factors" section of our SEC filings, as listed below.

In making these statements, Humana is not undertaking to address or update these statements in future filings or communications regarding its business or results. In light of these risks, uncertainties and assumptions, the forward-looking events discussed herein might not occur. There also may be other risks that we are unable to predict at this time. Any of these risks and uncertainties may cause actual results to differ materially from the results discussed in the forward-looking statements.

Humana advises investors to read the following documents as filed by the company with the SEC:

1. Form 10-K for the year ended December 31, 2013,
2. Form 10-Q for the period ended March 31, 2014,
3. Form 8-Ks filed during 2014.
